Gir's version of I'm With You

I'm sitting on the couch

Its dark here in the base

The Scary Monkey's on by now

There's nothing, no tacos

Not even taquitos

And I'm still missing my cupcake

Doesn't anyone understand me?

Won't somebody give me some gum?

CHORUS:

It's a darn cold night

My master's out in a fight

With that big head boy with the pointy hair

I dont really care, I want gum...

Chocolate gum, mm...

I'm looking for him now

He called me here somehow

With the guidy chippy thingy

The Dib monkey's down

I can see his frown

[pointing to a shop over yonder]

Hey lookie, they got donuts now!!

Wont my master let me eat some?

Will I be still eating gum?

CHORUS:

Its a darn cold night

I can smell a donut fried

From miles away I can feel its new

I gotta eat that one, dont you?

Dont you, mm, oh...

Why is everything so confusing?

Am I really out of my mind?

Doo di doo doo doo

doo di doo doo di doo

doo di doo, yeah...

Its time to go home now

I feel hungry and how

I wanna empty my fuel tank to make room for

The tuna I so love...

I so love...

I wanna eat all the tacos at Taco King

Then Im gonna sing the Doom song

The Doom song

The Doom song...
