A young hedgehog was falling from the sky next to her friend's unconscious and clueless that she was falling. She was crying at the same time as she fell from the sky...

Meanwhile at Chris's house Sonic and the team were watching TV bored... When there was a special report.

News Guy: "Right now there is commotion in the middle of the city it seems there is animals falling from the sky one supposedly is Amy Rose and-"the TV was turned off.

Amy: "THAT'S NOT ME DAMN NEWS REPORTER!" Amy screamed.

Sonic grabbed the remote back and turned the TV back on.

Sonic: "Amy shh!" Sonic then stared at the TV.

News Guy: "And so they can not reach the animals in time who will save them?" he says. Suddenly Sonic was gone with Tails.

Amy: "SOOONNNIIICCC! WAIT UP FOR USS!" she yelled then ran out the door with the others behind her.

Back where the girl was falling she opened her eyes.

?????: "Hmm? What? AHH!" She screamed and closed her eyes. Suddenly she felt a breeze and opened her eyes and saw she was being carried by someone. "Who in the world?" she thought in her head.

Sonic: He looked down at the Hedgehog he caught then gave her to Chris and ran off to catch another.

?????: "What the hell? Where am I?" she said silently.

Chris put the girl down on something and looked up at Sonic the girl then fainted because she was beat up from a battle she was in earlier. Her eyes still full of tears then she woke up later in a mansion.

?????: "Where am I?" she said as she got up slowly and saw a pink hedgehog come up to her.

Amy: "Hey your awake you ok?? Also what's your name?" she asked.

Soiny: "Soiny, Soiny Ro- I mean R." she said quickly.

Tailsy: A little two tailed fox came running in smiling, "SOINY!" she yelled and hugged her friend.

Soiny: "Oomph! Hey Tailsy I see your ok." She said laughing.

Ruby: "Tch great sleeping beauties up." She said sarcastically rolling her eyes.

Soiny: She glared at Ruby, "Nice to see you too hothead." She said sarcastically back smirking.

Ruby: "I SAID NOT TO CALL ME THAT!" she said with a vein crossing her arms.

Speedy: He tried to sneak past the door but Soiny spotted him. "Oh Crap." He said.

Soiny: "SPEEDY!" she runs over to him and glomps him. "Speedy! YOU'RE OK!" she said hugging him and not letting go.

Speedy: "SOINY GET OFF!" he yelled.

Soiny: "Nope." She said grinning.

Amy: She started giggling uncontrollably but then stopped and asked, "Why where you guys falling from the sky in the first place?" she asked raising an eyebrow.

Soiny: She sighed and said, "Well it's a LONG story but you see well we can't really tell you its top secret but we can tell you why we are here."

Soiny then explained to them why they were there.

Amy: "So you are after a thing called the Silver Crystal that is like the Chaos Emeralds?" she said.

Ruby: "Yep, this is what it looks like." She said as she took out a fake Silver Crystal.

Soiny: "Will ya guys help?" she asked.

Sonic: "Sure, no prob." He said smiling.

Soiny: She smiled then turned to her friends. "Ok well we should start out trying to find out if Eggman has already got it." She said then fell down holding her arm. "Ow...crap frickin' arm." She mumbled and saw someone help her up.

Sonic: "Hey Soiny you ok?" he said helping her on the couch.

Soiny: "Uh yeah I'm ok." She said.

Meanwhile a cat was sitting on a tree listening to everything.

Sylvia: "Silver Crystal? Never heard of that before." The cat said moving her tail.

Cutter: "Sylvia, are you spying on them?" he said next to her.

Sylvia: "Ah!" she then nearly fell off the tree from the startlement of her brother appearing right there. "Cutter!" she said as she held on to a branch.

Cutter: He rolled his eyes and helped her up. "So what did you hear?" he asked.

Sylvia: "Something about Eggman and a thing called, "The Silver Crystal"." She said.

Cutter: "Well it isn't are business so leave." He said then turned because he doesn't stay in places that long. He then jumped off with Sylvia following him

Sylvia: "You seen Shane?" she asked.

Cutter: "Nope." He said.

Meanwhile back in the mansion.

Soiny: "Maybe we should get some rest right now we have been through a lot right guys?" she said to her friends.

Hyper: "Guess your right there sis." He said.

Speedy: "Well I'm going to sleep in here." He said.

Soiny: "Me too I'm sleeping in Speedy's room!" she said grinning.

Speedy: "Uh no." he said sweating.

Soiny: She growled a little angry but decided to sleep in another room.

Now, while they all slept there were three figures at Eggmans newest base plotting something...

Jess: "Sooo what are we going to do about Soiny and her gang kid they followed us into the past." The light brown 16 year old three tailed cat said.

Darkness: "Ehem, first off we aren't children and second I already told Eggman he should built a trap to capture someone from the team to lure them in." she said.

Cleo: "Hey don't his stupid plans always fail?" she said.

Darkness: She grinned evilly, "Not this time, I "lended" him a chaos emerald to give Mecha Sonic 2 a upgrade." She said.

Soiny: She slept so in her bed but then heard a creek and her eyes opened but she didn't get up she squinted her eyes the person at the door wouldn't see she was awake. "Who could it be?" She thought.

Sonic: He looked at Soiny through the door not knowing she was awake. "Where did she and her friends come from and why do they remind me of people I know?" he smiled and shrugged it off and then closed the door slowly and walked away.

Soiny: "That was close." She thought then fell back to sleep. She was having a nightmare. She was in her super form and she was battling metal sonic 3 while her parents battled the creature in the silver crystal.

Dream: "Mom! Dad!" Soiny yelled as she was battling him then saw her parents got killed. "No!" she cried then got hit and fell as she cried while turning normal and holding her chaos emerald.

-End Dream-

Soiny: She then cried. "MOM! DAD!" and suddenly popped up from her bed. She was sweating and tears rolled down her eyes. "It was a dream..." she said.

Sonic then came running in.

Sonic: "Soiny you ok?! I heard screaming. Why ya crying?" he said sitting next to her.

Soiny: "Nothing..." she said.

Amy: She then came running in, "Soiny you ok?" she said and looked at Sonic. "What happened?" she said.

Sonic: He got up and whispered to Amy, "I think she had a bad dream."

Soiny: She thought in her mind. "Whoa deejayvoo, this is like when I had my first nightmare and my parents tried to comfort me." She then told them they should go back to bed she was ok. But she was lying she was far from ok.

Next morning Soiny got up and snuck into Speedy's room. She then jumped on him.

Soiny: "Speedy get up lazy @\$@" she said smiling then kissed him on the cheek.

Speedy: "Ow! Crap Soiny why'd ya have ta do that?" he said blushing when she kissed him then shoved her off and got up he then walked out the door with her.

Tailsy: "Hey guys whats up?" Tailsy said as she saw then come through the hallway.

Soiny: "Not much oh also we have to look at the Transmission from home." She said.

Amy: "What Transmission?" she asked.

Soiny: "It is top secret only we can see it sorry Amy." And with that she walked out the door to look for something. She then spotted two cats talking.

Sylvia: "Hey can ya help a girl out I am looking for a guy named Shane and another named Cutter here are pictures of them." The cat then showed the boy cat some pictures.

Speedy: {Different one} "Nope sorry. But if I do I'll tell ya." He said.

Sylvia: "Oh, ok thanks." She said then walked off and saw Soiny. "Hey you, pink hedgehog have you seen these two?" she asked raising a picture of the two cats.

Soiny: "Um..." Soiny then saw some cats that looked like the ones in the pictures running towards smoke. "There they are but I think something is wrong. Got to go see ya cat!" she said and with that she ran off.

Speedy: Meanwhile the cat turned and saw his sister, Kase was gone. "KASE!" he yelled and looked around then saw a robot holding her walking towards the smoke like the pink hedgehog was. "KASE! I'm coming!" he then ran off.

Sylvia: "Great everyone is heading there oh well that's where Shane and Cutter is so might as well go." She said then also ran off.

Eggman: He saw the animals coming but only expected Soiny, or Sonic. "Grr... Robots! Dispose of the others, but bring me the pink hedgehog!" he said then turned to Mecha Sonic 2 who was asleep. "Frickin' hurry on downloading the damn chaos emerald." He said.

The robots headed towards the animals.

Soiny: "Didn't know this was a party. I don't need back up to dispose of these hunks of junk!" she said then took out a giant boomerang. "Heh this ill' be a since!" she said then was a pink flash as she cut through 10 of the robots.

Speedy: "Stupid robot, GIVE ME MY SISTER!" Speedy yelled then jumped in the air then used his tail to knock the robot down and caught his sister fast. "You ok sis?" he asked.

Kase: "Owww... Yeah, I'm ok.... That robot came out of nowhere and just picked me up don't know why though." She said then saw a chaos emerald fall out of her pocket. "Oh! How did this get in there?" she said.

Then a robot bird snatched the Chaos Emerald.

Sylvia: "Cutter! Shane! There you two are! Where have ya been?!" she said as she tripped two robots by splitting then jumped up and ran to them.

Shane: "Hey Sylvia sup?" he said as he knocked down a robot and saw the Soiny. "Who's she?" he asked.

Sylvia: "Donno still but she helped me found ya two." She said smiling.

Suddenly there were 3 shadows above the animals fighting.

Darkness: "Well, well, well... Seems we got some intruders on our hands right girls?" she said looking to the side of a bat and the side of a cat.

Cleo: "This oughtta be fun taking them out." The greedy treasure hunting bat said then spread her wings out.

Jess: "Well these little kiddies should be a sence." She then loaded her gun and her eyes glowed purple.

Darkness: "Let's get rid of the rift raft they are useless." She said as she held her Chaos Emerald tight. "CHAOS CONTROL!" she yelled. Then-

HAHA! I leave ya there!

Darkness: "That all you got?" She said and laughed, "Well you're going to be surprised by this...ROUGE NOW!" She yelled.

Rouge: "Got it kid!" She yelled and then launched a canon with a black ball coming out of it.

Darkness: "Remember how Shadow lived from falling from the ARK to earth? Well look!" She said.

Shadow: He then landed behind Soiny.

Soiny: Her eyes widened. "shoot..." She said then when she turned around she was knocked out and landed in Shadows arms.

Shadow: "Chaos Control!" He yelled and disappeared.

Jess: She was holding Sylvia in the air with her psychic powers and then yawned and heard Shadows yell and knew he got Soiny so he dropped Sylvia. "Hey cat girl send this message to a blue hedgehog that lives in that mansion." She said then threw a piece of paper at her to give to Sonic then floated up and flew to the Ship glowing purple.

Cleo: "Hmm? Oh crap no fair it was just getting fun too. Hate ta leave ya redhead but gotta split the parties over!" She said and glided away.

Terra: "Hey get back her ya chicken!" She yelled.

Then the Egg Carrier lifted in the air and was gone.

Kase: "That was weird Brother don't you agree?" She said.

Speedy: "Mhm..." He said then turned around and started to walk away. "Come on sis, let's go find Ace." He said.

The two cats then were gone.

Sylvia: She growled and picked up the note. "Damn psychic cat." She said then got up and

walked over to Shane helping him up. "You ok Shane?" She said.

Shane: "Oww, yeah hey what's the note ya have say?" He asked.

Sylvia: "Don't know the girl cat said to give this to a blue hedgehog over at that mansion." She said. She then saw Cutter was gone. "Well he is gone again...that was a short family reunion." She said sarcastically. She then decided to deliver the letter and walked down to the mansion and knocked on the door. "Hey anyone home?" She said.

Tailsy: She answered the door. "Yeah?" She said.

Sylvia: "I'm supposed to give this to a Sonic the Hedgehog." She said giving the letter to her.

Tailsy: "Why don't ya come in?" She asked politely.

Sylvia: "Naw, I couldn't." She said.

Tailsy: "You sure?" She said.

Sylvia: "Well I guess I could go in for a sec." She said.

She then entered.

Tailsy: She took the note and then yelled, "Yo Sonic!"

Sonic: A blue flash came down quick. "Ya called? What's up Tailsy?" He said.

Tailsy: "Mail for ya." She said.

He then opened the letter....

Me: "HA! I leave you again! Muwahahaha fear the cliffhangers!"

Dear Blue Rat,

I have captured one of your little new friends, what was her name again? Soiny R.? Heh, well if you want to know how to get her back, you must give me all the Chaos Emeralds you have and your other little friend that looks like Tails.

Sincerely,

The great and powerful Dr. Ivo Robotnik

"Great Robotnik caught Soiny...and he wants Tailsy? Why though..."

Tailsy: "Why does robotnik want me?"

Sylvia: "I don't know this brown cat just gave me-"

Tailsy: "JESS!" She exclaimed with a angry growl as her two orange tails moved back and forth fast angrily.

Sonic and Sylvia: Jess?

Tailsy: "She is a on and off bounty hunter who is teamed up with a hedgehog called Darkness, a cat named Jess, also she is a tricky cat."

Sonic: "Well we'll be able to get her back no prob, but we can't give robotnik the chaos emeralds."

Tails: "Then what are we going to do Sonic?" The two tailed fox asked.

Sonic: "We should find Sal." Sonic said as he sighed and looked at the others."

Tails: "Aunt Sally? Are you even sure she got teleported here when we did?" He said with a confused look.

Sonic: "She had to be...I heard on the news that a giant type of squirrel was caught trying to steal a chaos emerald from a jewelry store and got away...also that same squirrel had a blue jacket on...it has to be her." He said.

Tails: "Ok, let's go find her!" She said holding a finger up triumphfitly.

The whole group then split up into search parties to find Sally Acorn...

Soiny: Soiny meanwhile was waking up in a large jail cell. "Augh...w-what happened?" She said her eyes fluttering opened, "Where am I?" She said.

Dark Rose: "Your in a cell in robutnik's ship." A voice said.

Lucy: "Yep." Said another voice in the shadows.

Soiny: She sighed and growled, "Damn it!" She yelled and punched the wall. She glared as she turned her head and yelled, "LET ME THE frack OUT OF HERE!"

Dark Rose: "Sheesh, kid shut up your giving me a headache." She said rubbing her head.

Soiny: "Who are you two." She asked for she could not see their faces...because they were hidden in the shadows.

Dark Rose: "The name's Dark Rose." She said.

Lucy: "I'm Lucy." She added.

Soiny: "I'm Soiny R., why are you guys in here?" She asked.

Lucy: "I was captured when I got teleported here by some weird light in the sky..." She said.

Dark Rose: "I was mistaken for that damned Amy." She said with a growl.
