1. Her

Her

Who is she

She has stolen you from me

She's living my life

Why her

Why not me

We are supposed to be

Not you and her

I love you

She's just playing you

She's gonna rob you blind

I just want you to be mine

I'll stop at nothing

To get you back

I don't care if it takes forever

I just want to save you

Save you from her

You saved me

Without even knowing it

I want to return the favor

I'm coming to save you

Hold on
