1. You

You

I miss you

And I don't understand why

Why did you and I

Have to go different ways

I'm crushed on the inside

But I don't show it

I was wrong about him

I made a mistake

And I'm sorry

I didn't understand

I know now

That he wasn't the problem

I was

I would do anything to show you

Show you that I care

I was happy when I was with you

I would kill for you

I would die for you

Because without you

I'm dying emotionally

So either one way or the other

I'll die
