# 1. Why

Why

Why do you and I need to fight

I don't know how this started

How did you get to me so easily

I trusted you

I let you in

You betrayed me

Why did everything go wrong

How did we go wrong

I want you to tell me why

Why am I here

In this position in life

Why are we in this position in life

What happened

I'm just gonna keep asking

Asking the same question

That question is why
