1. Die

Die

I wanted you to die

I wanted him to die

I wanted this pain to disappear

Death was the only way

The only way to make it stop

I know you won't die

I know he won't die

I'm the only one who will

You can call me crazy

But this is how I see it

If you won't die

Then I must die

If he won't die

Then I must die

I have to die because you won't

I have to die because he won't

I must die

I must disappear forever
