1. Break down

Break Down

Everyday I break down

I break down on the inside

Because I'm afraid

Afraid to show my emotions

It gets harder every day

Every day my life kills me

I try to build a wall

A wall that will help me

Help me survive the break down

I don't know how long

How long I can survive

Survive the break down I'll admit it

I need help

Help to survive the break down
