1. My greatest love/My greatest fear

You are my greatest love
the greatest love I've ever known
The one showed me happiness
The one to who my love is owed
And when all seems bleak and lost
When it seems like nothing is right
I see your face through the darkness
And suddenly my world is bright
But my greatest fear is being hurt
So I am not quick to trust
And so I acted terribly
And I tried to hurt you first
But I didn't think before I struck
Didn't realize what I was doing
I was hurting the one I loved the most
And now i'm lost in mourning
I've tried to fix what i have done
but now you look at me with disgust
My greatest fear drove away my greatest love
And now I have lost all your trust
Now I've lost All your love
Now I've lost most of me

Now I've lost my greatest love

Now my heart will never be free
