1. When I woke up this morning

When I woke up this morning

I thought about my life

Then I wondered....Why

Why did my life turn around

Is it because of him

Where did I go wrong

What did I do

What have I done

I've turned away

And it hurts

It hurts to know that you're alone

No one will help you because....

Your helpless

Nobody cares and nobody knows your pain

Just walk away

And forget about yesterday
