War 1-13-04

War is inevitable, war is bound.  
War is pain, your fears are found.  
Anger rules, it controls you.  
Anger scares, burns, and kills you.

"It's for the protection of the people." Our governments lie.  
"It's for the good of the country that our proud soldiers die"  
Keep telling yourselves that what you're doing is right.  
We fly away on jet planes until we're all out of sight.

It's our lives you order to be thrown away.  
We have no choice. We fight 'till we decay.  
What if we said no? Then who would you order about?  
What if we don't want to fight? All we want is out.

But then no one would fight for the cause  
So we go out. We fight with no pause.  
We are the soldiers of these proud and noble states  
We are the soldiers who give our lives with no debates.
