# 1. The First Encounter

Jade: ima go for a walk, okay, mom?

Ember: whatever, i'm busy...

Jade: \*sighs and leaves and wanders around the ghost zone aimlessly. suddenly she hears as if someone were fighting\* what the...?

Danny: get away!

Skulker: you'll never escape me, ghost boy!

Danny: \*shoots ectobeam at skulker\* don't you ever give up?

Skulker: \* dodges it\* nope \*uses his new battle suit to shoot him\* would you just stay still???

Jade: \* quickly hides behind a floating door passing by\* who is he? \*soon an explosive comes flying her way\* ah!!!!

Danny: \*goes intangible, flies to girl and grabs her out of the way\* hey, skulker, you should really work on your aim! i mean, c'mon, cut this girl some slack! what did she ever do to you?

Jade: \*giggles a little\*

Skukler: why you little...\*gets ready to shoot at danny and jade. suddenly a wave of sound comes and hits him, knocking him out\*

Ember: don't even think about it, dipstick!

Danny: whoa, thanks for saving me!

Ember: i wasn't saving your butt, you loser! i was saving her! \*gestures toward jade\* c'mon, jade, let's go.

Jade: bye, thank you \*she says in whisper\*

Danny: who was that little girl? and why does she look so...familiar...? \*suddenly he hears skulker waking up. then he shrugs and heads back to his world\*

## 2. Confusion

Jade: hey, mom, who was that boy?

Ember: it's no one, jade. now c'mon hurry up!

Jade: well,if you won't tell me, then i'll have to find out myself...

-back at fenton works-

Danny: \*changes back into human half and heads up to his room\* i need to find out who that girl is...why was she just standing there watching me and why didn't she attack like other ghosts do? \*he hears a sudden noise\*

Sam: \*walks in\* hey, danny! um, did i walk in at a bad time?

Tucker: yeah, man, you look troubled...

Danny: huh? oh, no,i'm just thinking about something...

Sam and Tucker: what?

Danny \*explains what had happened\*

Tucker: are you sure you're okay, danny? cause i mean, you think that some ghost girl looks familiar even though you haven't met her before...

Danny: \*shrugs\* idk, maybe i was just a little tired because of the fight that and kinda went a little crazy in the head

Sam: um, okay, danny. well, we gotta go, bye!

Danny: see ya. \*changes back to ghost form\* i'm gonna find out who that girl is once and for all. \*ghost sense goes off\* huh, who's there?

### 3. We Meet Again

Danny: \*goes intangible and searches through the house\* if you come out now, i promise i'll go easy on you! \*he hears a noise\* i know you're here, so you might as well come out.

Jade: \* falls from hiding spot\* whoa!

Danny: \*gasps\* you? what do you want? \*gets ready to fight\* did ember or skulker send you?

Jade: \*stares and then flies to the ghost portal and disappears\*

Danny: wait, no! who are you?

## 4. Aw, Man!

-back at the ghost zone-

Ember: jade, where've ya been?

Jade: just for another walk...

Ember: \*studies her daughter for a moment\* okay, just go and do whatever you normally do...

Jade: \*leaves the room\* shoot, i really need to find out who that boy is. and thank him personally for saving me.

-back at fenton works-

Danny: damn, i missed my chance! oh, well. another time, i guess...\*changes back to human form and looks at clock\* gah! i really need to get some sleep...

-back at the ghost zone-

Jade: well, all i know now is that he has a ghost sense...maybe i should...but mom said to never...well, i really need to now...\*turns into human form\*...okay, just for now... \*starts to walk to the portal\*

-back at fenton works-

Danny: zzzzz...

Jade: \*comes through the portal\* okay, now to find that boy! \*starts to creep around the house\*

Danny: \*wakes up to a noise\* mom, dad, jazz? \*gets up\*

Jade: \*gasps\* oh, no!

Danny: who's there? \*starts to run throughout the house\*

Jade: \*starts to run, trying to find her way out\*

Danny and Jade: \*bump into each other\*

## 5. Now We're Getting Somewhere

Danny: um, who the hell are you and how did you get into my house?

Jade: \*starts to make a run for it but then she feels a very strong grip on her arm\* gah, let me go! \*truns into ghost form in hope that it would somehow help\*

Danny: it's you...you're that girl...\*goes ghost and lifts her up by the hand\* what do you want kid? \*examines her real closely\*

Jade: m-m-my name i-is jade. i just wanted to thank you for saving me.

Danny: \*confused\* um, you're welcome? who exactly are you?

Jade: i was wondering the same thing about you.

\*suddenly there's a noise at the front door\*

Danny: oh, man, my parents and sister are home! listen, kid, i mean jade, you've got to go back to the ghost zone, quickly! \*escorts her and ushers her through the portal\* meet me where we first met tomorrow at around 3:50, alright?

Jade: \*nods head and goes through the portal\*

Jack: Danny, what in the world are you doing down here and why aren't you in bed?

Danny: \*smiles innocently\* hehe..^\_^;

## 6. Another Halfa

-back at the ghost zone-

Jade: whoa, so that boy is a halfa, just like me... \*flies aimlessly, thinking things over to herself. then she bumps into something hard and big\* ow!

Skulker: well, well, aren't you the girl that laughed at me and made me lose my prey? \*picks jade up\* well, i guess you'll have to do for now...but it's a little late now so i'll hunt you tomorrow...HAHAHAHAAAA!!

-the next day at casper high-

Danny: \*tells sam and tucker about what happened the night before\*

Sam: so you're telling us that there's another halfa?

Tucker: but how is that possible?

\*bell rings. the three start to head to class\*

Danny: i don't know, but i'm going to find out more after school...

Tucker: aw, man, sam and i have a group project to start on.

Sam: tell us all about it tomorrow, okay?

Danny: sure...

## 7. Too Close

- after school...-

Danny: \*runs as fast as he can to get home. searches the house to make sure no one's there

\* good, they're not home! \*goes down the stairs into the basement/lab\* I'm going ghost! \*looks at clock. it reads, 3:58\* where is she?

-in skulker's hunting grounds...-

Jade: \*groans and then gets up quickly\* huh, where am i? mommy?

Skulker: good, you're awake! now let's see what you've got. i'll give you a five minute head start.

Jade: \*gasps and then starts to run\* how long have i been asleep? \*looks at watch\* darnit! i need to meet that ghost kid!

Skulker: is that all you can do? \*shoots bombs at her\*

\*KABOOM!!!!!!\*

Jade: aaaaaah!!!! \*goes intangible\* i've got to get out of here! \* starts to fly off of skulker's hunting grounds\*

Skulker: \*flies after jade giving her everything he's got\* stay still, dammit!

Jade: ah, there's the portal! \*flies through it and bumps into danny\*

Danny and Jade: ough! \*they fall on the ground\*

Jade: close it, close it!

Danny: \*sees skulker coming at high speed and then closes the portal\*

\*BAM!\*

\*skulker's body hits the portal and leaves an imprint of his body\*

Danny: that was close

Jade: tell me about it!

## 8. The Beginning of Truth

Danny: \*gets a chair for jade\* here, take a seat.

Jade: \*quiet for a moment\* thanks...

Danny: so tell me what happened.

Jade: \*tells danny about everything\*

Danny: remind me to kick his butt later...oh, by the way, i haven't really introduced myself. hi, i'm danny phantom. \*holds out hand for jade to shake\*

Jade: \*shakes danny's hand\* hi, i'm jade. jade mcclain.

Danny: wait, you're ember's daughter???? o\_O

Jade: \*nods head\* yes

Danny: ...but who's your dad?

Jade: i don't know, he left after my little brother was born...

Danny: she has more than one kid???

Jade: yes. it's me, and my two brothers: jr. and ryan.

Danny: but...

\*the portal is starting to be pulled open from the other side\*

Danny: get back!

## 9. More Kids??

\*portal opens up\*

Jr: gah! there you are, jade! where the hell have you been?

Danny: say what???? \*looks at jade and points at jr.\* uh, jade who is that and why does he look like me???

Jr: shut it, dipstick! i knew i'd find you here jade, because of skulker and his stupid muttering...

\*a little ghost boy pops up\*

Ryan: hiya, jade!^^

Jr: \*looks at his little brother\* by the way, jade, mom wants you home, like, now!

Jade: why don't YOU come home?

Jr: shut it!

Jade: make me!

Jr. and Jade: \* their hair goes all flamey like ember's \*

Danny: will you two just stop fighting! i want to know who you guys are and much more, so start explaining!

Jr: \*grabs jade and ryan's wrists and drags them through the portal\*

Danny: oh, c'mon, give me a break!

## 10. The Family

Danny: \*follows them through the portal\*

Jr: \*still dragging jade and ryan\* i can't believe mom made me get you and bring along ryan!

Jade and Ryan: let go, we don't wanna...

\*jr. walks into ember's domain and danny follows\*

Jr: here they are mom, i'm going back to my apartment...

Ember: no way! you're staying here! ever since you left, these two have been driving me nuts because of all the trouble they get into.

Jade and Ryan: ^\_\_\_\_^;;;

Jr: well, now you know how i felt. it's your problem now... i'm out.

Danny: \* tries to get a better veiw, but then crashes to the ground\*

Ember: what was that? \*rushes to where the noise comes from with jade and ryan following behind\*

Jr: i got him, mom! \*holds danny real tight and brings him over to ember\* it's the dude that jade went to visit earlier...

Ember: what? \*turns toward jade\* this is what you've been doing the past few days????? \*hair goes all flamey\*

Jade: \*nods\*

Danny: hey go easy on her, she was just curious... \*mutters\* so was i....

Ember: do you think i give????? \*calms down a little and sighs\* fine, i'll put an end to both of your curiosities...

## 11. The Truth is Revealed

Ember: so all of us have met him \*gestures toward danny\* right?

Jr, Jade, and Ryan: \*nods\*

Ember: \*looks at danny\* and you've met them, right?

Danny: yeah, but...

Ember: so, ghost kid, did you ever wonder why these three look so much like you?

Danny: \*nods head\*

Ember: well...that's because... \*scratches head\* hehe...funny thing is...

Danny: can you just get on with it already?

Ember: alright, alright...danny, they're yours...

Danny: what? what do you mean they're mine? do you mean?...

Ember: \*nods\*

Danny: \*jaw drops and is in a state of shock\* but how?...

Ember: i'd rather not explain it now.

Jr: so you're telling me that this dumbass ugly frack is my dad????

Danny: hey, i wouldn't be talking that way, considering that you look like me....

Ryan: \*lets out a laugh. then he catches jr looking at him\* sorry...

Jade: \*all quiet...then runs out the door\* i can't believe...mom never told us, told me!

Danny: jade, come back!

Jade: \*keeps on running and then everything goes dark\*

## 12. Just the Beginning

Jade: huh? heeeeeeeelp!!!!!!

Skulker: quiet, you! hm...you have proved yourself a worthy opponent, little girl. but you won't escape me, not this time! i'll have your head and skin in my trophy room!

Jade: aaaaaaaaaah!

Danny: \*hits skulker with ecto beam\*c'mon, dude, she's young!

Skulker: ah, just the one i was looking for! i don't need you anymore. \*looks at jade and tosses her in the air about to shoot her\*

Ember: \*gasps\* no! \*flies to jade and grabs her while going intangible\*

Ryan and Jr: no one threatens our family!

Jr: remember what i taught you, ryan?

Ryan: yup!

Jr and Ryan: \*use the ghostly wail and hits skulker\*

Skulker: gah! there are too many of you! \*starts to leave\* but i will be back. even stronger and better!

Danny: yeah, that's right, you better leave! \*looks at watch\* aw, man, i've really got to get home!

Ember: yeah...

\*danny turns to leave\*

Ember: but just because we're a family now, doesn't mean that i still won't get you back for all those things you've done to me!

Danny: \*shrugs\* whatever...um, nice meeting you three \*glances at his kids. goes back to his world\* glad that's over...

-back at skulker's lair-

Skulker: \*getting gear prepared \* if they think that it's all over, they're wrong! this hunt is just getting started. AHAHAHAAAAAA!!!!!!!!!!

-THE END-
