A song I wrote when I was depressed

1. Darkness

Don't turn away

I pray you've heard

The words I've spoken

Dare to believe

For one last time

And then I'll let the

Darkness cover me

Deny everything

Slowly walk away

To breathe again

On my own

Carry me away

I need your strength

To get me through this

Dare to believe

For one last time

And then I'll let the

Darkness cover me

Deny everything

Slowly walk away

To breathe again

On my own
