1. Untitled

Off through the new day's mist I run

Out from the new day's mist I have come

I hunt

Therefore I am

Harvest the land

Taking of the fallen lamb

Off through the new day's mist I run

Out from the new day's mist I have come

We shift

Pulsing with the earth

Company we keep

Roaming the land while you sleep

Shape shift

Nose to the wind

Shape shift

Feeling I've been

Move swift

All senses clean

Earth's gift

Back to the meaning of

Life

Bright is the moon high in starlight

Chill in the air cold as steel tonight

We shift

Call of the wild

Fear in your eyes

It's later than you realized

Shape shift

Nose to the wind

Shape shift

Feeling I've been

Move swift

All senses clean

Earth's gift

Back to the meaning of

Life

I feel I change

Back to a better day

The hair stands on the back of my neck

In wildness is the preservation of the world

So seek the wolf in thyself

Shape shift

Nose to the wind

Shape shift

Feeling I've been

Move swift

All senses clean

Earth's gift

Back to the meaning

Of wolf and man
