what`s the deal with kakashi being late

2. his reasons

- 1) get up after a night of f***ing a girl from the bar after trying a few moves from make-out paradise
- 2)pretend you had a horrible night
- 3)tell her leave and she`s a whore
- 4)remember you have a mission then think(their kids they can wait)
- 5)wash your mask
- 6)go to the ramen shop and order something
- 7)dance nasty like
- 8)sing horribly
- 9)remember you lost track of time and think of excuse
- 10)get distracted
- 11)remember what you forgot and go feed your dogs
- 12)give the team your excuse then finish missions for the day and go home
- 13)change to party clothes and tape mask to head
- 14)party for a while
- 15)grab a whore to take home
- 16)do some make-out paradise moves on her and start the list again

3. how they react
