# 1. gir's skool musical

It's hard to believe  
that I couldn't eat

the bacon right beside me  
Thought I was full  
With a pizza to hold  
But the was bacon right beside me

This bacon's like no other

I want you to know

I've never had bacon that tasted like dog poo  
made out of you  
I've never had bacon as good as a shoe  
bacon made out of you

So hungry before

I finally found

The bacon in the top drawer

so good to eat  
or to smell Zim's feet

don't have to eat cheese

for so long I was hungry

So good to be full

The piggy is so cool

This bacon's like no other

I want you to know

I've never had bacon that that tasted like poo  
bacon made out of you  
I've never had bacon as good for me as a shoe  
No bacon made out of you  
So hungry before

I finally found  
the bacon in the top drawer

Doom Doom DoomDoom  
Doom Doom DoomDoom  
Doom Doom

Baaaaaaccccccon!  
doomdoomdidoom

The end! Oh was that!
