What happens when you leave the chao garden? Wars happen!

1. The First Chapter ^o^

Deathly walked across the lobby. He and his clan of dark chao from the dark garden were attacking the neutral garden. A young apprentice of the group spoke. "Deathly? Why again are we attacking?" "Darkuo, we need money for eggs for the clan. We are running low on money because our clan is low on fighters and spent it on food. We need more money to get more fighters." Deathly replied. The group of 5 ran into the garden and attacked. Mshadow, second in command of the dark group, immediately jumped onto Nathl, the other second in command. Nathl retaliated quickly, spinning around and kicking Mshadow in the face. Mshadow dove on top of Nathl, punching him in the face. Darkuo, the black and green apprentice, snuck behind the battle and took 894 rings before a Neutral Clan apprentice noticed him and called for his mentor. Darkuo looked wide eyed at the mentor. He had once fought along with this chao who was about to kill him... to almost drive the Hero Clan out of their territory. It failed and Darkuo was badly injured. "Long time no see, Falcor!" Darkuo said. Falcor's old name was Faluo when he was an apprentice, but the chao's name changed when he became a warrior. Falcor dove toward Darkuo, who put his arms up to block himself from more severe pain than needed. Suddenly, Falcor ran into something... it was... an invisible wall? Darkuo looked at his hands. This had never happened before. He took this time to his advantage and took the rest of the rings. There were nearly 20,589 rings. Darkuo ran out. M. Sonic, his mentor and a shiny blue speed type, saw the giant bags of rings, signaled for Deathly to pull back. Deathly did so and the dark chao ran out of the garden.

Darkuo was resting in the apprentices corner, telling how the invisible wall magically appeared to Sanduo. (as you may have noticed, all apprentices end in the letters 'uo'.) "So it randomly appeared when you defended yourself?" Sanduo said. "Yeah!" Darkuo replied. Suddenly, Deathly called the clan over to Cage Tree, the tree with a cage that they held prisoners in. Darkuo ran up with the chao that had formed a group in front of the dark chaos chao. "As you may know, Darkuo has stolen over 20,000 rings from the Neutral Clan." Deathly said. Shouts of approval came from the group. "We are sending a small group of two chao to go to the Black Market. Luckily we got by the gangs in the lobby this time. Two of us will be less likely spotted by the gangs. Darkuo and M. Sonic."

2. Two Deaths

Darkuo and M. Sonic left immediately. They walked up to the Chao Kindergarden portal thingy. "Hey! What're you doing here?" A group of chao with yellow and orange wool beanies on walked over. "And what in the name of Billybobjoefredalexkevinmarkmatt are you doing with that money?" One of the chao stepped forward and shoved M. Sonic, who held the rings. There were five chao here, there was almost no way the two could defeat them all alone. Two of the gang chao blocked the chao kindergarden. Darkuo looked at them. He walked over to the two that were blocking the exit and shoved them into the kindergarden. The other three walked over and shoved him. Darkuo was definitely smaller and weaker. Darkuo turned around and accidentally whacked them in the face with his spiked ball and spun around, trying to kick them, not noticing his ball had knocked them back. He and M. Sonic hurried into the kindergarden.

They arrived at the Black Market and bought a few eggs, a dark seed, and a chao fruit. They ran back to the garden, ignoring the angry gang. What happened to the other two chao? Well let's just say Omochao annoyed them into going into the kindergaden.

The two returned and hatched the eggs. The clan split the chao fruit and planted the seed. Suddenly, Omochao walked in. "Hey let's have peace dudes!" he said. Deathly walked over and destroyed him. "Finally... I've wanted to do that for this life and the two before this one!" Deathly said. He threw Omochao out of the garden and the clan had a huge party over Omochao being destroyed. Suddenly, a crowd of hero and neutral chao rushed in and attacked. Nathl jumped onto Darkuo, who kicked him off and punched him in the stomach. When Nathl bent over, Darkuo kicked his face. Lionwing, a warrior of Hero Clan, jumped on top of Darkuo to defend the next leader of the clan. Darkuo started to block the dive when Lionwing crashed into an invisible wall! Darkuo poked him with a stick. He didn't move; he was knocked out. Frokuo, apprentice of Lionwing, attacked Darkuo with a punch to the face and arm. Darkuo threw him away. Falcor kicked his leg, but when Darkuo spun around, he was tripped by Falcor and kicked while on the ground. There was no way Shadow Clan could take such damage from the others without losing some warriors. Deathly lay on the ground, motionless. Darkuo kicked Falcor and ran to Deathly. He called over Shaid, the chao who helped the others with their pains. He felt Deathly's chest. There was no beating. He felt his mouth and nose. "...he's... he's gone....." shaid said. First, Darkuo looked at the dead body of Deathly. There was no blood. He was punched down. Darkuo was about to break into tears. Then, he became furious. He looked over at the chao he saw nearest to him. Proy. Proy, the hero, had killed Deathly. He dove onto Proy and slammed him to the ground. He kicked him several times before Darkuo was pulled off by Zertly, leader of the Hero Clan. "You are stupid, apprentice. He killed your leader and you think you can kill him." Zertly threw him into the Cage Tree. Finally, the two clans ran back.

"I am the next leader. Deathly will be buried on the lone island with the other Shadow Clan leaders. The next second in command will be M. Sonic," Mshadow said. "After that battle, I noticed Darkuo. He took down three of the warriors that attacked. His new name will be Darkmist and he is now a warrior. He will have an apprentice soon." Mshadow walked away from Cage Tree. This new leader would soon give Darkmist his apprentice. "I've been

watching you. And I know who you truly are." Somebody whispered into Darkmist's ear. Darkmist turned around to see who it was, but didn't see anyone. He had an enemy inside his own clan.

3. Um... The Chapter After Chapter 2

Darkmist woke up at a shout of a chao that sounded in pure grief. Darkmist walked out. The chao was Zandark, a shiny white chao. He was leaned over a body... Darkmist inspected the body. It was his own mentor. M. Sonic lay motionless on the ground; with little blood next to him. His left wing was almost nothing. Darkmist looked around. This wasn't a normal death. This was a cold blooded murder. Besides that, the scent where the blow that killed M. Sonic was someone from this clan. Who is next? Who would do something as much as this!? Darkmist thought.

Mshadow assigned the new second in command to be Zandark later. Suddenly, a mob of hero chao burst into the garden. Whitestar, the strongest chao in all clans, tackled Darkmist. Darkmist punched and kicked, but Whitestar didn't let go. Darkmist only remembered getting punched three times in the head, then everything went blank. He found himself on a hill with grass and a lake below. The grass seemed to sparkle. Suddenly, he saw Deathly. Am I dead? He thought.

We'll be right back after the break.

'Come to Bob's Super Department store! We have JUNK!!!!!! LIKE ALL THAT OTHER GARBAGE IN WALMART AND TARGET!!!!!! So come buy our garbage, straight from your dumpster!!! Like banana peels from your garbage can! You may even find that old tissue that your great great great great great great great great great great grandfather! So come to Bob's Department Store, to find that old tissue today.' Now back to our feature presentation.

"Darkmist, you are not yet dead. You are the chosen, and have been granted 4 more lives from us." Deathly said calmly. "Us?" Darkmist said, confused. "Us, the past chao of Shadow Clan. May Ulysert, the first leader of Shadow Clan, be with you!" Deathly said. Suddenly, there was a white flash and Darkmist found himself being carried to a burial spot. "Huh, what are you guys doing?" Darkmist said. Zandark and Spotted Claw dropped him. Spotted Claw was a black chao with leopard hands, legs, and a leopard tail. They were obviously confused. "What? You look like you saw a chao that awoke from the dead!!!" Darkmist said. "W-we're looking at one right now!" Zandark said. Darkmist could sense he was very frightened. Darkmist laughed. "Oh, me? Well I'm not dead now! So I'll see you back at the den!!!!". Mshadow saw Darkmist up and walking, and asked him, "Wha? I thought you were dead!" "I was, but now I'm not." Darkmist said. He had to tell the whole clan, who were still confused.
