*This is a poem I made about my character Migoto in The Land Of Houshu,<br />its about her relationship with Hotto (another character lol)*

# 1. One Moment

One Moment

One Moment I was Sad..

So I cried

One Moment I was Mad..

So I ran

One Moment I was Lost..

So I was scared

One Moment I was Found..

By my One and Only

One Moment I was Confused..

About how I felt for you

One Moment I was Hurt..

You helped Me to heal

One Moment I was Happy..

I was with you

One Moment I was Blown Away..

When You Kissed Me

But that Moment was snatched away..

Never meant to be had again

One Moment I was Crushed..

When you were Taken from Me

One Moment I realized..

You Were Gone
