The cold is numbing to me

```
It buries my pain

But if only you could see

```

```
That I have been shamed
```

</div>

I could not tell you I loved you
</div>

And now I`v e lost my chance
</div>

I just wish that I could have
</div>

One more dance
</div>

So I could hold you in my arms
</div>

And tell you so
</div>

If only I could
</div>

I feel so low
</div>

The water is crashing through
</div>

And now I feel so alone
</div>

So much pain
</div>

I just want to go home
</div>

But there's no home for me
</div>

At least not hear
</div>

I lost my chance
</div>

And now I drown in my own tears
</div>

My heart is aching
</div>

It makes me feel sick
</div>

As the water crashes down
</div>

I outstretch my arms
</div>

Oh if only
</div>

I could just see you
</div>

But I lost my chance
</div>

And the waters choking me
</div>

I never told you
</div>

And now you're gone
</div>

Oh I wish things were different
</div>

But they are not
</div>

Oh I wish things were different
</div>

But they cannot
</div>

And now I'm in the water
</div>

And now my crimson pain has filled my lungs
</div>

I cried so much when you left us
</div>

That I started to bleed
</div>

And now I can't stop
</div>

Oh pleas someone save me
</div>

I could not tell you I loved you
</div>

I lost my chance
</div>

And now I cant stop bleeding
</div>

My crimson sadness
</div>

And now I lost my chance
</div>

And I can't get it back
</div>

I just want one last dance
</div>

...My crimson sadness
</div>

I could just see you
</div>

But I lost my chance
</div>

And the waters choking me
</div>

I never told you
</div>

And now you're gone

</div>

Oh I wish things were different
</div>

But they are not
</div>

Oh I wish things were different
</div>

But they cannot

And now I'm in the water

And now my crimson pain has filled my lungs
