Team seven sat in a restaurant near the mist country. It wasn't like a normal restaurant, it had a bar, a sit down area and an area for a band to play. They had just finished ordering and they started talking, well it was more like Sakura starting talking to Sasuke who was ignoring her. Kakashi put his perverted book down when he saw Naruto kept looking at the baby grand at the back of the room.

"Naruto, why don't you ask if you can play it?" Kakashi asked. The blond looked up at his teacher with wide eyes.

```

```

</div>

Sakura and Sasuke looked at them. "Naruto... Play the piano?" Sakura laughed.
</div>

</div>

"He'd more then likely bash the keys," Sasuke smirked.
</div>

</div>

"Wanna bet?" Kakashi asked smiling.
</div>

</div>

"Huh?" they all looked at him.
</div>

</div>

"I bet, on the bill of this dinner, that Naruto can both play the piano and sing. If I win, you two pay for dinner, if I lose I'll pay," Kakashi smirked. Sakura and Sasuke looked at each other and thought about it for a minute.
</div>

</div>

"You're on!" They both said. Naruto sighed, Kakashi looked at him with complete confidence in his black eye. Naruto was surprised, Iruka and the late Sandaime, were the only ones who knew. Naruto nodded in silent agreement and slid out of the booth. He walked up to the bar.
</div>

</div>

"Excuse me... sir?" Naruto asked. The bartender looked down at the blond. "May I play your piano?"
</div>

</div>

"Oh," the man chuckled. "Of course! It's open to anyone."
</div>

</div>

"Arigatou," Naruto smiled and walked over to the piano. He pulled out the black matching bench and sat down testing a few of the keys then the microphone, both were working perfectly.

Sakura and Sasuke snickered and then Naruto started playing. It was a simple piece but there was so much sadness in it. But after a few seconds, their loudmouth teammate started singing, a song they both knew, and he was in perfect key, the lyrics were full of so much emotion even Kakashi thought he would shed a tear.

</div>

This is my December

</div>

This is my time of the year

</div>

This is my December

</div>

This is all so clear

</div>

This is my December
</div>

This is my snow covered home
</div>

This is my December
</div>

This is me alone
</div>

</div>

And I
</div>

Just wish that
</div>

I didn't feel
</div>

Like there was
</div>

Something I missed
</div>

And I
</div>

Take back all
</div>

The things I said

To make you

Feel like that

And I

And I

Things I said to you
</div>

</div>

And I give it all away
</div>

Just to have somewhere
</div>

To go to
</div>

Give it all away
</div>

To have someone
</div>

To come home to
</div>

</div>

This is my December
</div>

These are my snow-covered trees
</div>

This is me pretending
</div>

This is all I need
</div>

</div>

And I

Just wish that

I didn't feel

Like there was

Something I missed

And I

The lyrics ended, and the piano faded a few moments later. Naruto closed the lid to the piano and slid from the bench. He started walking back to his team. The bartender walked out from

behind the bar and followed him. Naruto looked up in to the faces of his team as he sat down. They were in shock.

</div>

</div>

"That was absolutely wonderful, kid," The bartender smiled. "Your meal is on the house tonight for that wonderful performance."

</div>

</div>

"A..arigatou," Naruto smiled in surprised. The bar tender patted Naruto on the back and walked back to what he was doing.

</div>

</div>

"Naruto, that was beautiful," Kakashi smiled snapping out of his shock. Sakura and Sasuke were still too surprised to say anything.
</div>

</div>

"Why haven't you sung in front of others before?" Sasuke asked finally snapping out of his stupor.
</div>

</div>

"I... I have," Naruto said blushing. "And it was before this. Iruka-sensei, and Hokage-oyajii have heard me, they were the only ones that I thought knew." Naruto sent a glare at Kakashi, who chuckled.
</div>

</div>

"Iruka told me," Kakashi smiled. "Sorry that I didn't tell you I knew, Naruto."
</div>

</div>

"Where did you learn to sing like that?" Sakura asked finally.
</div>

</div>

"Radio," Naruto answered simply.
</div>

</div>

"The radio?" Sasuke asked raising and eyebrow.
</div>

</div>

"Yeah, I didn't have a lot growing up, so I learn to sing along with the radio."
</div>

</div>

"What about the piano?" Kakashi asked.
</div>

</div>

"I can play by ear," Naruto blushed. "What's the big deal?"
</div>

</div>

"It's the fact that you, the dobe of our class, has such a hidden talent, that's all Naruto, it's just a surprise to us," Sakura answered.
</div>

</div>

"It's not something that I like showing off," Naruto answered looking away. "Look can we change the subject?"
</div>

</div>

"Why are you so embarrassed?" Sakura asked. "Normally you'd be bragging about it."
</div>

</div>

"Yes, Normally, but this isn't a talent that... that I want to share with others," Naruto said.
</div>

</div>

"Why not?" Sasuke asked. "If you don't your talents will go to waste."
</div>

</div>

"Because when I sing Sasuke," Naruto began. "I... I can... feel arms around me... I can hear... a gentle voice speak to me, I can feel my... my mother around me."
</div>

</div>

Everyone's eyes widened at his comment.
</div>

</div>

"How do you know it's your mother?" Kakashi asked gently.
</div>

</div>

"I don't, but... I feel safe, but it's also draining for me, it... it hurts to smile after I sing," Naruto answered. Their food chose this time to appear, they ate in silence while thinking on what Naruto had said. The blond ninja, he truly was Konoha's #1 ninja at surprising people.
