another poem pointed to my parents stupidity

1. demise and pain

From punishment to death that I've managed to cheat
But you still walk on me while wearing cleats
Every step you take on me
Inflicts more pain than what you see

I hide in my room
Your dreadful eyes
Trying to escape
My miserable demise

When i come to destroy you
I will leave you without a clue
I'll spill your blood and watch it pour
Watch it dripping on the floor
