Well, I was bored and I just felt like making a poem about Kagome leaving Inuyasha and this is what I came up with. I think its the best poem I've made because I used to suck at poems, but I would be happy if some one read it and gave me their opinion. No

Our love can not be,

</div>

That is, you and me
</div>

</div>

For all the pain and suffering that I have caused for thee
</div>

</div>

For all the death and destruction that has come to me
</div>

</div>

We need to be free
</div>

</div>

That is, you and me
</div>

</div>

The fact that you can't let go
</div>

</div>

Fills me with sorrow
</div>

</div>

But I stick to my goal
</div>

</div>

There's a very big hole,
</div>

</div>

Inside of me
</div>

</div>

So please let go of me and find someone new for thee,
</div>

</div>

For I am nothing to thee
</div>

</div>

But a bothersome flea
</div>

</div>

</div>

</div>

OMG, I can't believe I wrote that! I'm about to cry! :) I'm seriously having some tears build up right now! Well, anyway I was just bored and I felt like making a poem so I made this, it didn't take very long though. Plz comment! I'm so proud of myself I used to suck at writing poems!
=^_^= No Flames Please.
