*its a poem youll just have to read it its hard to explain*

## 1. Close your eyes

Close your eyes  
close ur eyes and pretend  
that everything will be alright  
im waithing here for you  
but you never come  
so i walk closer to the edge  
im never looking down  
i look back one last time  
you seem so faraway now  
so i hold my breath and jump  
did thoughts of me  
run through ut head?  
now that im gone  
do you love me again?  
just close your eyes  
and pretend, ththat im standing  
there with you  
because on my last breath  
i thought of you...  
and all i ever wanted  
was for you to love me,  
for you to hold me  
and tell me that everything is ok  
open ur eyes and see reality  
i jumped for you  
and you let me fall....
