Basically, the One Piece characters were having a normal day aboard the Going Merry, when random characters from other anime/ect (like Inuyasha) appeared on board the ship. Lots of retarded stuff happens. [Soon I might be bothered to turn this into a manga]

1. Who is Inuyasha?

[this is our first chapter we wrote because we were bored! if you don't like it we don't care!]

Dungeon Master: "This is the story about a normal pirate crew, although, some rather strange events are about to happen to them."

Sanji is in the kitchen cooking up some meal. Adding random things, ect. Then he opens the bottom cupboards to get out an ingredient, and sees Inuyasha in there, eating cookies.

Sanji: "Umm...Who are you?"

Inuyasha: "I am Inuyasha. A scary and powerful dog demon! Yum...I love cookies"

Sanji: "Yer...Sure...Anyway get out."

Inuyasha sits at the table and accidentally eats a chilli. Kagome randomly appears there too. Inuyasha starts turning into his demon form. Sanji hits him over the head with a frying pan.

Inuyasha: "Hey, thanks man." Sanji: "Thanks for what? You were drooling all over the food and you wouldn't stop! I don't want the food to get ruined with your dog germs!"

Kagome: "What did you do that for? I wanted to kiss him again!"

Inuyasha: "Huh?"

Sanji: "So...umm...how did you get on this ship?"

Inuyasha and Kagome stare at him, confused.

Kagome: "You know, I have absolutely no idea."

Luffy runs into the kitchen.

Luffy: "Yay! More straw hat pirates!"

Then he puts straw hats on their heads. Inuyasha goes outside and stares at Chopper.

Inuyasha: "Who are you?"

Chopper: "I'm Dr. Tony Tony Chopper."

Inuyasha: "No you aren't! You're another one of Naraku's evil puppets. I must destroy you!"

Inuyasha grabs Tessaiga and wields it around spastically trying to kill poor little Chopper. For some reason, everyone thinks he's some kind of evil demon.

2. Matrix Ping Pong

It was just another boring day on the pirate ship and nothing interesting had happened for days... no evil pirates to battle or anything. Sanji goes looking for Nami, and then he gets really, REALLY pissed off at Zoro, because he saw Nami hugging him. Now, what Sanji usually would do, would be to go and kick Zoro in the face...but he had a better idea. He walked up to Zoro.

Sanji: "I challenge you to a game of Matrix style ping-pong!"

Zoro: "Umm...okay, but there's not enough room on this ship."

Sanji: "There should be plenty of room in the closet."

Everyone: "Closet?"

They walk into the dining room and open the closet, and there is an absolutely massive room. Then there is a stage, and there are lots more random people are in the audience. Sanji and Zoro are wearing weird dark matrix-like outfits. (This episode is based on the Japanese ping-pong matrix guys who went on a game show doing a matrix version of ping-pong). Sanji and Zoro start the match and it looks so funky, all matrix like. Then, you notice that Tuxedo Mask is throwing roses onto the stage. Of course, well it's weird that he would show up in public, but hey, this is random so who cares? Inuyasha sitting on the ceiling getting a good view of the ping-pong match. Kagome was searching everywhere for him, but she just wasn't able to find him. Then she finally realises, that if she lost Inuyasha, all she had to say were the magic words and Inuyasha would just 'magically' appear.

Kagome: "Osuwari!"

Inuyasha falls from the ceiling and bashes his face into the floor, interrupting Sanji and Zoro's fight of ping-pong! Sanji gets even more pissed, and so he decides to chuck a mass titanic tuna on Inuyasha's head. Unfortunately that didn't work. Inuyasha eats the fish and runs away.

Sanji: "No! My tuna fish!"

Meanwhile, behind the audience in the kitchen and snack bar, Artemis sees Kirara and immediately falls in love her. Then you see Luna crying behind him. Then we notice that once again, Sailor moon is running around spastically in the background for no particular reason. Luffy start to get hungry, well he is always hungry, and so he goes over to the snack bar and eats everything at the table. Meanwhile, back at the ping-pong match...

Kalika: "Kill Zoro!"

Volo: "Kill Sanji!"

Then Kalika and Volo try to kill each other. Luna is still crying over Artemis...but then Chopper sees her and immediately falls in love with her. For some reason this is turning into a romance Manga. Ace entered the room to see what was going on, and then he was surrounded by heaps of women, Kagome, Tea, Ishizu, and Jakotsu. Ace is really happy at first, but then he sees Jakotsu.

Ace: "Um...What are you looking at? You gay or something?"

Jakotsu: "Yes, actually...how did you know?"

Then Jakotsu tries to kiss Ace, and he gets utterly freaked out.

Ace: "Aaah! Homosexual!"

And now back to the action. Zoro wins the ping-pong championship. Sanji get pissed (like always) and kicks Zoro in the head. And for some reason you see Lumpy walk past in the background and he gets hit in the head with the ping-pong ball and it smashes his brains out...if he had any. Then, you see Kalika crying and Volo all happy. Then there is another long

awkward silence.

Sanji: "Umm...what should we do now?"

Then Inuyasha breaks the silence, by stealing Zoro's swords.

Zoro: "Hey! Come back here you mutt!"

Inuyasha: "These little crappy metal sword are no match for my Tessaiga!!"

...to be continued?

3. The Dark Side

[A chapter mostly about Sanji and Star Warz]

Sanji, as always, is cooking up another meal for destruction. Then the doorbell rings and he runs over and he received a package from Postman Pat.

Sanji: "Yay! My package arrived."

Luffy: "What is it?"

Sanji: "You shall see..."

Sanji goes back into the kitchen with the box and opens it. It turns out to be a box of butcher knives.

Luffy: "Oh...is that all it is..."

Sanji: "What do you mean? There are the latest new-technology state of the art laser knives from Aldershot. My last set of butchers knives, were a bit on the dark side."

Sanji opens the box and pulls out the biggest and scariest looking knife. The knives look like mini Light Sabers. All the other characters decide to leave the room. Sanji practices using the knife-sabers, and then a small pink thingy came hovering into the room.

Mini Mew: "Mini Mew"

It repetitively said.

Sanji: "Hm...that thing looks like a good target to practise my cutting."

Sanji starts trying to cut Mini Mew into pieces with the knife-sabers, but it was just to fast.

Sanji: "Slow down dammit."

Mini Mew: "Predisite Alert!"

The five Tokyo Mew Mew characters run in.

Zoey: "Where is it Mini mew?!"

They suddenly realise that they were on a boat.

Zoey: "Um...how did we get here?"

They all started to look really freaked out.

Sanji: "My wish has come true!"

He says, drooling, while he was looking at the girls in their weird little costumes. Nami suddenly appears behind him, with a very evil look on her face.

Nami: "What were you saying?"

Sanji: "Ah...nothing!"

Nami slaps him again.

Nami: "Stop fantasising about women all the time and grow up Sanji!"

Sanji: "Your wish is my command, my sweet. You are my one true love!"

There is another one of those awkward silences. Zoey and the mews were really freaked and still didn't know why they were on a pirate ship.

Zoey: "I think we're in the wrong manga"

Mini Mew: "Predisite Alert!"

Sanji: "Shut Up!! I'm not a parasite or whatever the hell it is you're saying... you... floating puffball!"

Chopper walks into the kitchen to see what all the fuss was about. Then he stares at Sanji, then all the random mew mew girls that were in the room.

Chopper: "Uh...sorry for disturbing you..."

Zoey: "Look mews! It's a retarded reindeer Predisite! Kill him!"

Chopper: "Uh...Huh? What? No! Ahh!"

Chopper runs as fast as he can out of the room and the Mews follow her.

Sanji: "You know, if all these other random people keep appearing, I think we're going to need to get another ship..."

Nami: "Yer, your right."

Sanji: "Then again...having more women on this ship makes it even better and better...hehe."

Nami hits him on the head with a stick.

Nami: "Perverted cook...well, hurry up and make dinner!!"

Kalika comes into the room.

Kalika: Stop hitting Sanji you dog!

Nami: Huh?

Sanji: Who are you~♥!?

Kalika: You'll find out later!

Kalika leaves...without a trace.

...to be continued?

4. Rock Concert

Sanji: "Man, I thought having more Nakama would be interesting, but now I've gotten totally bored!"

Nami: "Yer...I know, why don't we have a Rock concert to relieve the boredom?"

Zoro: "That's a good idea. Let me guess, it's gonna be held in the broom closet again?"

Sanji: "Sure is."

Sanji prepares lots and lots of food for the concert. He had to make even more, not because there were more Nakama, but because Luffy kept eating it all, and Ace.

That night they had the concert. All the Nakama arrived, including Ed Elric. Everyone was surprised that he hadn't been eaten by Shippou yet, but he still watched his back.

Sanji: "I think we better send that guy to a Looney Bin. But anyway, welcome to the Straw Hat Pirate Crew's Rock Concert. It's a really long name, I know."

Luffy: "This is a bit more like a karaoke night, but we're not gonna be singing emo music. Well, whose gonna be first?"

Nami: "Hey Sanji, why don't you go up?"

Sanji: "What? Uh...I don't want to go first...oh fine."

Sanji gets up and turns on the Juke Box to "Sanji the Great Blue - You are Dessert".

Zoro: "What kind of a song is that? He probably sounds worse than a Vorgan (Hitchhikers Guide to the Galaxy).

Kalika: "SHUT UP ZORO!"

Sanji starts singing his song. It doesn't seem make much sense.

Sanji: "Take my hand honey. Welcome to my romantic dinner. Be happy honey. Take it easy and relax. Taste the main dish. But, don't forget your dessert. Before the food, everyone is equal. That's my worst manner. I'll give my affection for girls. That's my best service. Baby, I shall give it for your smile. Melody knife and fork. Baby, let's enjoy the faith we met. If someone stand in my way, I'll kick 'em down!"

Kalika: "He's so romantic."

Zoro: "COOK! YOU SUCK!"

Sanji: OH YER!? THEN YOU COME UP HER AND SING YOU DAMN MARIMO!!"

Volo: Zoro? Singing? This'll be good..."

Usopp: "Sing something funky! I've had enough of romance music, anyway, wasn't this meant to be a 'rock' concert?"

Zoro gets up on the stage and changes the song to Spirit of Zoro.

Zoro: "Only the pulses can be heard. I'm looking at the darkness, which even the waves cannot reach. I'm glaring at this redness. I'll sacrifice to the voice that is stabbing my heart under the crescent moon. The things I can't avoid to see. The things that are precious to me. You can't find the polished spirit anywhere. If I turn my back, I'll be a loser. But I still have burning spirit. I'll cross the darkness, and I don't care who is waiting for me. I have the blinded spirit!"

Volo: "Go Zoro!"

Usopp throws a rotten egg at Zoro's head with a slingshot.

Usopp: "Boring! I said rock music dammit!"

Kalika, Volo and Rachael appear. Zoro leaves Vivi for Volo. Vivi starts singing Because of You

Vivi: I will not make, the same mistakes that I've made because of you. Something

something something. Because of you I never stray to fall from the sidewalk. Because of you something something something, because of you. I am afraid.

Luffy: "I'll sing something funky! Zoro, Zoro, hurry up I want a shot!"

Luffy: "Wanted! Wanted! My nakama all over the world. Wanted! Wanted! The best feeling in the world. Who the heck are you? I'm Monkey D. Luffy! I'll become a pirate! I sensed it when I saw you for the first time. You and I will be nakama. I want my first dream to come true. I'm totally confident, but I can't do it alone. I sometimes become mad on the sea that's too huge. That's why something is here. It's too huge and it's so cool.

Vivi: "Jeez, he's a really good singer. So dreamy!"

Luffy: "Wanted! Wanted! My nakama all over the world. Wanted! Wanted! The best adventure in the world. Let me eat meat! I'm Monkey D. Luffy! I'll become a pirate! No matter what people say, I believe that you and me will become nakama. You say 'what's the big deal?' It's the fact that I don't give up. I'm more obstinate than anyone else. There must be a lot of dreams in that horizon that no one has ever known about. That's why I have to go a lot, a lot"

Everyone is dancing.

Luffy: "Wanted! Wanted! My nakama all over the world. Wanted! Wanted! The best feeling in the world. Who the heck are you? I'm Monkey D. Luffy! I'll become a pirate! Wanted! Wanted! My nakama all over the world. Wanted! Wanted! The best adventure in the world. Let me eat meat! I'm Monkey D. Luffy! I'll become a pirate!"

Everyone: "Woot! Go Captain Luffy! Woot!"

Luffy: "Thank you Nakama!"

Inuyasha runs in.

Inuyasha: "Yosh! I finally know how everyone is getting here!"

Zoro: "Oh no. Here comes Inuyasha with the latest alien report..."

Kouga: "How, mutt?"

Everyone stares at Kouga.

Nami: "When did you get here?"

Kouga: "I don't know."

Kouga sees Kagome and falls in love with her again.

Inuyasha: "Hands off!"

Zoro: "Hey, Inuyasha. Weren't you gonna tell us where these 'evil signals' are coming from?"

Inuyasha: "Yosh. Naraku stole the Justice League's Teleportation Beam, and he has been sucking out manga characters from different mangas, and making them turn up here. He must be planning something very evil."

Sanji: "Wow, cool. Anyway, you mind taking off the saucepans? For one, you look like a total shoot head, second, I need those damn saucepans to cook dinner!!"

...to be continued?

5. Neverwinter Nights

{{{deleted}}}

6. Monkey D. Stupid

Vivi and Zoro come up to the rest of the crew.

Zoro: "We have something to tell you all"

Luffy: "What? Zoro, what the hell was you thinking? You got her pregnant?!"

Sanji hits him over the head with a frypan.

Sanji: "No you dip shoot!"

Zoro has an evil look on his face. Vivi has a sweat drop on her head. ((Then they say something)) Ace is in the background.

Ace: "We are not related..."

Luffy: "Yes we are!"

Ace: "Shut the hell up Bubbles!"

Luffy: "Don't call me that!"

Nami: "Aah...brotherly love..."

Later that night...

Usopp: "Ok, gentleman! We've had a rough day! Let's take a little rest and replenish our strength for tomorrow!"

He goes to sleep.

Usopp: "Good night"

Zoro throws a pillow at Usopp's head.

Zoro: "You've been sleeping the whole time!"

Usopp: "Asshole... Don't compare me to the rest of you monsters!"

Usopp throws a pillow at Zoro's head.

Zoro: "That is IT."

Usopp throws a pillow at Chopper.

Usopp: "And besides, today's prize for slacking should go to you, blue-nose!"

Chopper: "But I can't stand the heat!"

Kalika: "Sanj, that's my..."

Sanji is in Kalika's bed.

Sanji: "Yes, I thought you'd be lonely sleeping by yourself tonight-"

Usopp chucks a pillow at Sanji's head.

Usopp: "And what the hell do you think you're doing over there?"

Chopper is laughing behind Usopp.

Sanji: "Oh, someone's got guts. Which one of you threw that at me?"

Usopp, Chopper and Sanji start throwing pillows all over the room.

Nami: "Don't you guys know the meaning of 'sleep'?" -"

A pillow hits Nami, and she gets really pissed. Then Sanji gets up.

Sanji: "You're dead."

Sanji gets up and attacks the other guys. Kalika throws pillows at everyone.

The next morning:

Luffy: "I'm starving-"

Sanji: "Quit being so greedy! It's still raw! Don't eat it!"

"Kali-swan-! It'll be ready soon, pwease wait a little bit more-!"

Usopp: "Smells good!"

Sanji: "DON'T TOUCH IT!"

Luffy: "Why not? They're done! Let's eat 'em!"

Sanji: "DON'T TOUCH IT!"

Luffy starts to get really pissed off at Sanji. So then he impersonates Sanji.

Luffy: "Who the hell ate all the meat?"

Sanji: "I'll kill you, bastard! Don't make fun of me!"

Luffy and Usopp get very bored, so they decide to play with their food. Usopp makes a rice ball that looks like him and Luffy makes a massive rice snowman.

Usopp: "Hiya. I am Captain Onigiri-Usopp! Oh, and who might you be?"

Luffy: "I am Meshidaru!"

Ace: "And I am Sir Not appearing in this film."

Sanji come behind them and hits the on the head with frying pan.

Sanji: "Don't play with your food!! If you're bored, then wash some dishes! Jeez, making me do everything!!"

Ace: "You want me to help?"

Sanji: "No, it's alright. You're the guest on the ship."

Sanji looks over at Usopp and Luffy washing the dishes.

Sanji: "No you idiots!! Your washing the dishes with the dirty rags!!"

...to be continued?

7. High School Day 1

Sanji: "Hopefully today will be a day when nothing weird happens...we don't want any more people to appear randomly on Going Merry anymore because there isn't enough room! Unless that person is a lady..."

Kalika is behind him...spying on everyone because she has nothing better to do...well, actually, she is looking for Zoro, so she can pull another one of her evil pranks on him... Anyways, Kalika hits Sanji over the back of his head with a frying pan.

Sanji: "Hey! I'm the one that does that!"

Kalika pauses for a moment.

Kalika: "Wait...Zoro must be watching TV! Seeya later Sanj!"

Runs out of the room.

Zoro and Usopp are sitting on the couch watching TV.

TV: "The season finale of the biggest loser is tomorrow night! If you're an ugly fat arse then don't miss it!"

Zoro: "Hey Usopp, it's the season finale."

Usopp: "So?"

Zoro: "You should sign up to go on that show...oh wait...they don't accept bi's."

Usopp: "Shut up! I'm not!"

Sanji enters. Note Kalika evilly still spying on Zoro in the background.

Sanji: "What are you guys watching?"

Zoro: "Channel 11."

Sanji: "11? Is there such a channel?"

Zoro: "No der, you shitty cook. Its 24/7 adds."

Sanji looks pissed and leaves.

Sanji: "Idiotic marimo...he's going to be having a very shitty dinner tonight."

TV: "On the next episode of Lost; 7 mysterious strangers appear in the hatch. They claim to be travelling pirates passing through. Will jack fall for this? Or are they really 'the others' coming back to get their revenge? Find out next week..."

Zoro: "Hey, I don't remember us ever going on that show. Oh well."

Kalika walks in and stands in front of the TV.

Zoro: "Hey! Move out of the way, you baka neko!"

Kalika: "Sorry guys. You are going to school."

Everyone is now in the room... somehow

Everyone: "Huh?"

Kalika: "Well, I finally figured out why you people are so stupid. Because you never went to school. Bye bye!"

There's some sort of time warp and then everyone is at Ouran high school...the school for rich sexy guys and girls

Luffy: "Huh? What's happening?"

Kalika: "See what I mean? Stupid.

Yosha! We have decided who will be teaching what class:

Luffy - Music

Because he is too stupid to be the teacher of any other class, and his music skills are the shittiest I've ever seen.

Zoro - PE

You know all that judo and random stuff like that. And you're the only character that's not lazy.

Nami - Sose/History

Knows random mapping and history stuff.

Usopp - Art

He is a magnificent artist!

Sanji - Cooking/Textiles/Health

These should be obvious

Chopper - First Aid

He's the only doctor on the going merry...

Robin - English

She reads enough books every day so she must know a hell of a lot of random crap. And no one likes English anyway.

Kalika - Japanese

Out of everyone in this manga, I know the most Japanese so yer.

Volo - Science

I'm to stupid so I don't know anything about this subject.

Smoker - IT

Didn't know what else he should so.

Snape - Potions

He's been a potion teacher for yonks man!

Dragon - Defence Against the Dark Arts

He is Snape's enemy! They are always randomly trying to kill each other.

Shanks - German

He is an annoying little German freak!

Mihawk - French

He is French so there...

Yosh! Everyone got that?"

...to be continued?

8. High School Day 2

Kalika: "First up today is French!"

Teacher - Mihawk

Class - Luffy, Kalika, Sanji, Nami, Zoro, Usopp, Shanks, Ace, Robin, Volo."

Mihawk: "Elo everyone. I am Juraquille Hawk Eye Mihawk. Now, does anyone ere know how to say elo in French?"

Shanks: "Guten morgen!"

It does one of those close-ups on Mihawk's creepy hawk eyes and then he grabs his black sword and points it at him

Mihawk: "You pitiful weakling!!!!!! ...The German class is next door...Does anyone here know any French!?"

Sanji: "HAI!"

Grabs a flower stands next to Nami

Sanji: "Nami-san! *beep* *beep*"

Nami: "Wow, I didn't know that an idiot like Sanji could know any French."

Sanji: "Are you impressed now my dear?!"

Nami: "Not really."

Kalika: "Nami-kun! How dare you bag Sanji!! PISS OFF @\$#!"

Nami: "Why? Do you love Sanji?"

****Awkward silence****

Kalika has one of those blank expressions as if she was asked what the capital of Estonia was

Kalika: "Umm..."

*Slowly backs out of the room.... its creepy when Everone...including Sanji is staring at you.... *

I look at Sanji and he has this really creepy expression that freaks me out and I run out of the room

Mihawk: "Ok...now...oh yes. How you say hello is-"

Luffy: "Moshi moshi!!"

Everyone stares at Luffy

Everyone: "Huh?"

Mihawk: "For the millionth time...stop interrupting me!!!!!"

Ace is sitting next to Luffy.

Ace: "Don't worry. I'll take care of this. He's my little brother."

Ace puts Luffy's arse on fire

Luffy: "AAH!!"

Runs around like a spastic then runs out of the room.

Ace: "*sniff* Hey, is someone drag racing or something? I smell burning rubber..."

Zoro, who has been sleeping through the whole thing, wakes up.

Zoro: "Hey Ace, that's a pretty good joke dude."

Ace: "Huh? What joke? No, I really mean it. I think something's burning. Wait...HUH!?"

Everyone runs over to the windows and stares outside. Obviously, for Luffy's revenge against his brother for setting his arse on fire, Luffy put gasoline all over ace's car and sets it on fire.

Ace: "shoot! MY CAR!"

Ace runs out and stares at Luffy evilly.

Luffy doesn't notice Ace. He's too busy holding a stick, toasting marshmallows

over the grand bonfire...

They continue having a dog fight and everyone is staring at them.. Watching the fight, eating popcorn and coke?

Mihawk: "Oh well, I tried."

He leaves the room

Yay! Luffy wins!

...to be continued?

9. High School Day 3

Everyone is in the English classroom and they are ready for another action packed day full of enjoyable studying. No, there is no fighting or gore ect while your at school. Though, I try to put some in, like what happened yesterday with Luffy's arse being on fire, man that really never gets old.

Anyway, everyone is waiting for Robin, who seems to be late. She finally arrives.

Seeing that she has millions of arms, she is reading about 100 books (it's hard to count them), and writing heaps of random shoot on the whiteboard.

Luffy is sitting at a table with a 7 story high pile of books. He needs to write down everything, seeing as to he is such and idiot.

Luffy: "So many words, but what do they all mean!?"

Kalika is staring at Zoro, not paying attention to class, just...thinking of evil pranks

Kalika: "Robin!"

Robin: "Hai?"

Kalika: "I have a question. Umm... Why do swordsman have an obsession for sleeping? Like Zoro and Mihawk?"

Robin: "Simple. Zoro and Mihawk are crude uncouth ill-bred people lacking culture and refinement."

Kalika: "Wow. And I though this was an English class, I cant even understand what she's saying..."

Zoro: "Are you bagging me?"

Kalika: "No! Idiot marimo..."

Zoro goes to sleep...again... Robin turns around and looks at Sanji

Robin: "Sanji-"

Love heart eyes

Sanji: "HAAAI?"

Robin: You are not allowed to smoke in school.

Sanji: "NANI!?"

Kalika: "Welcome to the 21st centaury dude."

Nami: "So, you decided to come to class?"

I grab Usopp's bag and grab a slingshot, and hit Nami in the face with a rash egg star.

Nami: "AAH!"

She runs around like a spastic

Sanji runs and hides behind me

Sanji: "I am finally free of that evil witches curse! She put a hex on me so I would fall in love with her, but she is so scarily ugly!"

Kalika: "Huh?"

You actually see me happy for the first time. I turn around and hug Sanji! (That is the first time I hug Sanji. All the previous episodes, you rarely see me, because I am plotting revenge against my archenemy...Zoro!) Sanji looks weird...

Robin: "Well, these idiots are never going to learn anything. Im leaving."

Everyone starts a food fight with random food appearing everywhere.

Sanji: "Kali-san, can you at least try to make this manga make sense? Seeing that we are all stuck in this weird manga."

Kalika: "Ok Sanj, but then it will probably get boring."

Sanji: "...Forget I said anything..."
...to be continued?

10. High School Day 4

Banzai. Today is my Japanese class. I'd better not try to hard, coz I know that no one is even going to be listening.

I walk into the class. Zoro is sleeping, of course. Nami wouldn't dare appear in one of my classes. Robin is there for who knows what reason. Usopp draws the whole time. I'm surprised Luffy showed up. Chopper is just making evil raccoon demon rumble balls. I have no clue why Volo turned up. And Sanji is sitting in the front row...staring at me with this really freaky look. (Like in the episode when they lose their memories, and Sanji is carrying Nami's treasures for her, and she keeps staring at him coz she thinks he's going to run off with her treasure. And Sanji thinks she loves him coz she keeps staring at him. So he turns around and has one of those scary looks.)

Kalika: "Yosh. Today we will be learning basic greetings. Just write these in romaji."

Sanji: "Kali-san~♥!"

Kalika: "Hai?"

Sanji: "Should you please explain what romaji, katakana, hiragana and kanji are?"

Zoro: "Why? Is it because you're so stupid that you don't know?"

Sanji: "Actually I do know what they mean. But I'm asking coz you're so stupid that you can't even spell you own name."

Zoro: "Yer, yer. Keep it down; I'm trying to sleep."

Sanji: "Whatever you say, cactus head."

Zoro: "What's that needle brow?"

Sanji: "What? Well I bet the only time you hit on a women is when you'd accidentally bonk her with your sword."

Zoro: "And have you ever met a woman who you didn't hit on?"

Sanji: "Please, why would I try to hide my loving nature? At least I don't have issues with women of the Marines."

Zoro: "How did you know that? I can't turn my back for a second."

Kalika: "Zoro! You not allowed to have katana in school!!!"

Zoro gives the swords to me.

Kalika: "That's better."

Sanji: Hey, Zoro. Is it all right to not have swords?

Zoro: "Huh?"

Sanji: "Coz, a swordsman without swords...that makes you a swordswoman."

Zoro gets pissed and they have with massive fight. I think of an evil plan to get Zoro to SHUT UP. I go and stare out of the window.

Kalika: "Hey, I think I see Mihawk outside."

Zoro stops fighting.

Zoro: "What!?"

Grabs his swords and runs out of the classroom.

Zoro: "MIHAWK!!!!"

Kalika: "Man, even an idiot like him can't even recognize sarcasm."

Sanji: "Kali-swan~♥! You so smart~♥!"

Kalika: "Thanks Sanj."

Nami decides to turn up...bad idea dog!

Sanji: "Aah! It is the arch witch herself! She is truly the master of the black arts."

Dragon randomly appears.

Dragon: "What? Where? I'll kill them!!!!!"

A wand zaps Dragon.

Snape: "I have found you! Prepare to die!"

Those two have a little magic wand dog fight. Bon Clay gaily dancing in the background...hold on a second. Is he wearing a girl's uniform??

Now, where were we? Oh yes. Nami just entered.

Sanji: "Ahh! Don't put a hex on me, hag!"

Kalika: "It was a bad thing turning up here."

Nami: "I have come for my revenge."

Kalika: "I am going to make you leave. Without causing and violence, coz this is a school."

Nami: "And how are you going to do that?"

Kalika: "With this!"

I hold up a voodoo doll of Kira Yamato. (She loves him).

Kalika: "Muahaha! Leave now, forever! Or else Kira Yamato dies!"

Nami: "AGH!"

She runs out and hopefully never returns.

Kalika: "Well, that was easy."

Beep

Kalika: "Well, that's the end of the class. Seeya later dudes."

...to be continued?

11. High School Day 5

Today's lesson is textiles, and the teacher is none other than Sanji. Seeing that it is our first lesson of this subject, he has custom made us individual school outfits, but they still of course look a bit alike.

I decided to come to this class too, which was a bad idea. I walk in, and all the other class members are wearing the freakiest things I've ever seen, but it was going to get worse. Yup - my school uniform. Seeing that Sanji made it, a man who loves women, he had to make the girl outfits, well, you know. (I will draw what they look like)

A few seconds later I appear with my new outfit.

Sanji: "It looks even better than I had ever imagined~♥!"

Kalika: "Shut up Sanji!!!! This is the worst thing I've ever had to wear!!!"

Pauly comes into the textile room. He is a new student who recently came from Water 7.

Pauly: "I wonder where Kaku and Rob went...well if I hear that stupid pigeon I'll be able to find them..."

Nami and Luffy come out of the changing rooms with their new uniforms. Nami's is even worse than mine! Pauly stare at Nami and me...

Pauly: "AGH! How can you wear such sexy revealing outfits!!!!!!!!!"

He runs out of the room like the devil's chasing him.

Kaku, Rob, and those other Water 7 retards come in...now that Pauly is gone.

Kaku: "Hey, did you see some idiot that has a thing against women wearing revealing outfits?"

Nami, Usopp and Luffy have on of those scared looks like "wtf?"

Kaku: "Um...Oh yer, I'm Kaku, a shipwright from Water 7."

Luffy: "Hi Usopp!"

Usopp: "I'm right here!!!!!"

Nami: "Yer, his nose is rectangular."

Kaku: "That's coz I'm a bloody giraffe!"

Luffy: "...are you old?"

Kaku: "I'm 23."

Luffy: "Really? You sound so old!"

Kaku: "Yer, I get that alot.."

Luffy looks over at Rob.

Luffy: "Hey, these guys are weird. That guy looks like Ace and Mihawk morphed together."

Hattori: "Is that meant to be a compliment or an insult?"

Hattori is the pigeon on Rob's shoulder.

Luffy: "AGH! IT TALKED!"

Kalika: "Oh, I get it now! You're a ventriloquist!"

After those guys eventually left we returned to whatever the hell we were doing... Oh yes, my retarded uniform *evil glare at Sanji*...

I 'slightly' changed it and make it more to my liking. Add black, and other stuff. (The outfit's sort of looks like the average anime high school outfit, eg Kagome).

I look over at Zoro

Kalika: "You're the only person who likes their uniform. I thought, seeing that Sanji and you are enemies, Sanji would have made your outfit to make you look like an idiot."

(His outfit looks like his normal one, but a bit more like a uniform.)

Zoro: "Well, you thought wrong, baka neko."

He turns around and leaves. Then I realized why Sanji hadn't retarded Zoro's uniform. He did. Little did Zoro know, that on the back of his shirt, printed in massive letters, was 'Retard Marimo'. No one better tell him that...
Jeez, I still don't even know why I even like Sanji. AGH!

12. High School Day 6

(This chapter is for WhooGo_Sanji seeing that she is the only and first person who has read and liked my manga. thank you!!)

Volo's Science Class

Zoro gets pissed off at Luffy because he continuously acts like an idiot.

Zoro: "Hey Luffy, there is heaps of meat inside your locker"

Luffy sticks his head inside the locker to find this mystery meat.

Zoro locked his head in the locker.

Later on, in the science class..

Luffy is sitting at his desk, while his head is stretched out of the room, his head still looks for meat the whole lesson.

Sanji is chasing Fudge and Cammy around the room the whole lesson. (They are Kalika's dogs)

Sanji: come back fried chicken!!!

Zoro and Mihawk have this weird staring competition, and after a few minutes they both fall asleep.

Shanks starts acting a bit hyper, like he was on crack or something.

Shanks: "This sucks! This sucks! This sucks! This sucks! This sucks!" (x100)

Kalika: "Yes Gunter, everything sucks.."

Then some people from the German Mental Institution come and take him away.

Kalika: "Thank god that they finally took Kurt away to the looney bin."

Nami still hasn't returned, which is good. If she does ill kill her.. muahahahaa!

Sanji stops chasing the dogs, because he saw his arch enemy Yugi in the room.

Sanji: "Aah!! Your that guy that keep stealing all my hair jell!!"

Sanji starts chasing Yugi all around the room for the rest of the class.

Volo: "Why the hell am I even trying to teach a science class? These guys are to stupid to even learn anything.."

Kalika: "Well, have we learnt anything this past week?"

Volo: "..Well..no."

Kalika: "Exactly. Maybe it was a bad idea bringing them to school. Now I know why there isn't any schools in the pirate era.."

Snape starts making potions and stuff with all the chemicals.

Volo: "Ahh!! Get away lab-rat!"

Volo retardedly swings around a broomstick at Snape.

Volo: "Get back, fiend!!!"

Snape: *hiss*

She chases him out of the room.

Kalika: "What a bunch of total idiots..."

Luffy suddenly flies out of the room. In the distance I could here his voice inside the locker.

Luffy: "I still can't find the meat!!!"

Kalika: "Oh shoot..."

Volo pokes her head into the room for a second.

Volo: "Don't f**king swear! its against the f**king rules to f**king swear!!!"

Kalika: "Huh?? ...baka..."

Ace: "Stop stealing my lines!! Author do something!"

Kalika: "I AM the author, idiot!"

Ace: "NANI!?????"

Kalika: "Hey, Sanji?"

Sanji: "HAI?!?"

Kalika: "I'm hungry. Get me food!"

Sanji: "HAI! Mellorine--! Mellorine--!"

Kalika: "Um..strange..."

Later at the "The Devil Fruit Club"..

This club was created by none other than the famous idiot Monkey D. Luffy. Very surprising, really. (There may be some spoilers in this) Random characters like Chopper, Robin, Luffy, Rob, Kaku, Pauli, Ace, Smoker, ect, were there. Luckily, Luffy made me the vice president of this club, even though I don't have a devil fruit ability, I am at least the only smart one here...

Kalika: "Ok devil fruit freaks, we need to organize this freak show. Organize yourselves into zoan, logia, and paraplegia groups!"

Every stare at me with a blank "wtf" expression.

Kalika: "Man, what a bunch of complete idiots... looks like I'll have to explain everything! Zoan Fruit lets the user turn into three forms, human/animal/human animal, like Chopper and Kaku. Logia lets the user become a complete element, like Ace or Smoker. And paraplegia changes the body, like Luffy's gomu gomu fruit lets his body stretch, or Robin can bloom her arms/ect from anywhere. Get the point? It's obvious to anyone with half a brain cell."

Luffy had somehow managed to get his head out of that locker.. Buggy comes in to the club room.

Luffy: "What's your name again? Baggy.. Boggy.. Buhii..um..oh yer! Buffoon!"

Buggy: "Buffoon?? I'm Buggy and my ability is the Bara fruit! (Chop Fruit)

Luffy: "Wow! A Chop Chop freak!"

This massive arrow appears, pointing towards Luffy saying "gomu gomu freak".

Meanwhile, outside..

Zoro and Inuyasha are having this weird duel, with their little cursed swords. Inuyasha did a Kaze no Kizu, but then Zoro dodged it. Then Zoro did his weird little Onigiri attack. Sanji was watching, and interrupted their fight.

Sanji: "Hey! Only I get to name my attacks after food!"

(Note: "Onigiri" means "beast blades" and "riceball" at the same time..strange really ^^)

...to be continued?

13. High School Day 7

It's lunch time! Which is a first. Wait...you mean there are no weekends!? Oh well...ignore Kalika...To relieve the boredom, we decided to play a sport. Which was a bad idea coz everyone likes different sports, so basically it's a bit of everything. Example...Zoro was doing a mixture of karate and sentouryuu, Chopper was playing tennis, Sanji was soccer, Kalika was thunder hockey, Luffy was baseball, ect.

Kalika: "Okay...We're not quite getting anywhere. I no, lets play Groggy Ring!"

Evry1: "Huh?"

Kalika: "Don't you idiots remember anything? It was the second round against the Foxy pirates, when Sanji was the ballman!"

Zoro: "Oh yer, how could I forget the Prince of Retardia?"

Sanji: "Temee Marimo!"

Sanji and Zoro go off having another one of those little weird fights.

Kalika: "...I should have seen this coming.. Anyway, Volo and I will be on a team, and you two idiots will be on the other."

Sanji: "HAI~♥"

Later on just before the game...

Kalika: "Which one of you is gonna be the ballman?"

Zoro: "Him"

Points at Sanji

Sanji: "Hey, I never said I was gonna be the ballman. Who the hell want""s to wear such a stupid thing?"

Zoro: "Shutup!...Nn..It looks good on you."

Sanji: "BAKA!!"

Kalika: "It still hasn""t been decided...Sanj! That ball looks great on you!"

Volo: "Yer..but Zoro would look way better wearing it."

Evil Glare

Kalika: "Hey..don""t bag Sanj!!"

Kalika and Volo have this random fight. Meanwhile, on the other team..Zoro and Sanji are fighting over the ball.

Sanji: "It""s mine, Baka Marimo!"

Zoro: "No, it""s mine!!"The ball explodes.

Sanji/Zoro: "Um...."

They point at each other.

Sanji/Zoro: "He did it!"

Kalika: "You idiots. What are we gonna do now?"

We walk over to where the audience was..and it seems that there are some new exchange students. Ash, Misty, Brock and James. (Pokemon)Zoro stares and Brock and James, completely horrified.

Zoro: "AGH! IT"S ME!!"

Volo: "Huh?"

Sanji stares at Ash...same thing...

Sanji: "AGH! IT"S MY FORMER SELF!"

They both run away

Evry1: "???"

Kalika: "Uh..oh.... Let me explain. In the english One Piece series, Sanji's younger self is done by no-other than Ash, and Zoro has the same voice as Brock and James from Pokemon, Johnny from One Piece, and Yugi and Yami Yugi from Yu-Gi-Oh. Stupid Idiot..."

Later on in the Art class...

Kalika: "Yay..an art class, and for those who have forgotten, the teacher is Usopp."

Sanji walks up to me holding a cage with a monkey in it."

Sanji: "Look, it's an undead monkey."

He shoots it...and it dies..

Awkward Silence

Sanji: "Um..I mean THIS monkey is undead."

Does the same thing....

Kalika: "Oooh undead...very evil."

For some odd reason Sanji and Zoro get into yet another bitchy fight.

Sanji: "Bite my shiny metal @\$\$."

Kalika: "?....He has a metal @\$\$?...."

Volo: "Well, you out of all of us should be able to judge that best."

Zoro: "Doesn't look so shiny to me."

Sanji: "Shiner than yours, meatbag."

Zoro: "...Mentally retarded as usual..."

Silence for a few minutes...

Zoro: "BRING ME MORE BEER!!"

Sanji: "Marimo...your @\$\$ is grass.."

Now to the randomness happening in the background

You see Sir Crocodile, who's @\$\$ strangely turned into grass.

Back to the foreground

Sanji: "It's MY jar of dirt!!"

Zoro: "Huh?"

Sanji *singing*: "I gotta jar of dirt! I gotta jar of dirt!"

Kalika is just sitting there, with an awkward look, trying to figure out if Sanji actually does have a metal @\$\$..

Kalika: "Now...To the Pimp-Mobile!!"

Volo: "Ding ding ding! Here comes the shoot mobile"

...to be continued??

14. Snow Concert

After a week at school and not learning anything, I decided that we might as well go back to our normal spasticated lives on the Going Merry. Everyone went back to the normal things that they do. Luffy was fishing, Usopp was drawing, Sanji was cooking, and Volo was meditating. I thought that I might as well go back to my spying on Zoro to think of another evil plan to get my revenge. I found him at the other end of Going Merry, and strangely enough, Shanks was there.

Zoro: "No! You suck an idiot!"

Kalika: "Huh? What are you guys doing?"

Zoro: "I'm trying to teach this red head freak the art of Santouryuu!"

Shanks: "It's impossible for me to do Santouryuu!"

Kalika: "He's got a good point..."

Zoro: "Anyone can do Santouryuu. He just hasn't trained enough!"

Kalika: "Actually, it is impossible...coz he only has one arm!"

Zoro: "...I knew that, baka neko!"

Kalika: "I'm not a cat! Im a vampire/lycanthrope so I look like a werewolf!" I grab my hockey stick from behind my back and start trying to kill him...as usual...

Later on, for some weird reason (I seem to be running out of logical explanations for the random phenomena's that keep happening...), it started snowing! Don't ask me why...Anyway, Nami, who seemed to have returned, was running around everywhere.

Nami: "Save the tangerines!"

She stops running coz she notices that all the tangerines on the tree were missing.

Nami: "AGH!?"

Now, to the case of the missing tangerines! Well, it's already been solved. It should be obvious that Luffy ate all of them.

About now, the Going Merry is completely covered in snow, and everyone is freezing their @\$\$ off.

Sanji: "So...c-cold!"

Zoro: "Hey Luffy, how come you're not cold?"

Luffy: "Huh?...Wow! It's snowing!"

Sanji: "Man, is he slow or what?"

Luffy: "AGH! It's so cold!"

Sanji: "You only just realized that?!"

Everyone stops fighting and stares at me. I'm the only one who's current status is not set to 'half frozen'.

Zoro: "How come your not cold?"

Kalika: "Fur. I am half lycanthrope, remembe-"

I couldn't continue talking, coz Sanji and Luffy are hugging me...more like strangling!

Sanji/Luffy: "So warm!"

Kalika: "...What the?"

Zoro: "Um...wtf?"

Heh. I'm glad that Zoro's my enemy, so I can now watch him freeze to death!

Zoro: "...A true warrior keeps warm by the fire burning within him!"

Kalika: "Ok...enough of the 'I'm the world's greatest man's speeches. They seem to be getting very boring."

Luffy: "Man am I bored..."

Kalika: "You're very good at changing the subject!"

Luffy: "Hey, can we have another Rock Concert?"

Kalika: "Hm...ok. But this time, think of your own songs!"

And so, for the next few days...weeks...everyone was trying to make songs! Except me of course, coz I couldn't sing even if my life depended on it.

WOOT! It is the "Straw Hat Pirate's Rock Concert Night 2". The name is still a work in progress...I wonder why Tashigi and 'Puff Puff' Smoker came. If they arrest anyone I'm gonna kill them! Except for Zoro. Take him!

Kalika: "Right...all set... Anyways, who's gonna be going first?"

Luffy: "Oh! Oh! Me! Pick me!"

Kalika: "Ok, ok. Monkey D. Luffy is first!"

Sanji: "Oh no he's not! I get to go first!"

Sanji gets up and kicks Luffy in the head, and knocks him out.

Sanji: "Ok...song...hm...ah, got it! Ahem..."

Kalika: "He better not do that other weird song like last time."

Sanji: "The instant the sun sets...Hmm...Red wine. As we walk on through a foreign city...You made such a lonely face. Oh, vanilla girl. Give me your recommendation. Cooking is marriage."

Usopp: "...Wtf is he singing? We want a good song, like Captian Usopp!"

Kalika: "SHUT UP!"

Sanji: "If my dream were to come true...Ah, so amusing. We'd stop time and go see a rainbow. Don't be afraid. Oh, blackcurrant girl. This instant will make you happy, marriage. We'll scrutinize all the ingredients."

Kalika: "...Black current?"

Sanji: "A boy-meets-girl collaboration. Tonight's drama stars you. Nice and easy, Moulin Rouge. Glaze three days, we'll float through the sky. I'll grind away your tears. Let's spread out into this fortunate night... ooh...When you smile, it caramelises my heart. The taste of the evening is...Hmm, dark chocolate. Sweet and yet bitter, our memories are beginning..."

Zoro: "Oi, shitty cook! You suck just like that lolly pop!"

Kalika: "Marimo, if you were smart, you would have known that Sanji only had a lolly pop in the English series. But, seeing that your head is a giant marimo, you wouldn't do anything."

Sanji: "Don't make that face...Oh, sweet cookie girl. Parting is always blue, marriage. As long as I have my wits, I'll find the words... Hard to say in this situation. Entrust your wish to the rose in the champagne. Bitter and sweet, Moulin Rouge. Sugar coat your voice, a beautiful melody. This one moment, locked in gelatine. Now I'll take you to the ends of time... ooh...Don't say good-bye. Your long hair adds such a nice flavour."

Zoro: "What the hell is with this song...Hey! Cook! Our lives are more important than our love lives right now!"

Sanji: "Please, what is life without love?"

Kalika: "Boring?"

Luffy had finally taken his time to regain consciousness...

Luffy: "Huh? What? Oh yer...ME! IT'S MY TURN!"

Kalika: "Yer, yer. Hurry up!"

Luffy: "This song I wrote is called 'Holy Holiday'. The sky is clear! The wind is lovely! Holy Holiday Holy Holiday."

Zoro: "Who said that!?"

Luffy: "Just now, I've decided. Sanji's call for breakfast. Nami reclines and reads the news. Suppose if I took Usopp's eggs... Huh? Zoro? He's asleep at the table."

Zoro: "Don't bother me!"

Luffy: "Sitting on Merry, watching the sea. The sea gulls look like someone's eyebrows. Not concerned with the calendar or some such. It depends on oneself. Depends on the mood! No matter where you go on this incredibly large ocean! It connects to the Grand Line! The sky is clear! You're the best! Holy Holiday Holy Holiday."

Zoro: "What a needlessly energetic guy..."

Luffy: "That's right! Today is Luffy's day! Sanji's snack is fish pudding. Nami is studying her sea charts. Usopp stepped on a bomb and blew himself up. Huh? Zoro? Why are you still asleep?"

Zoro: "Don't bother me!"

Luffy: "Sitting on Merry, watching the sea. An island? No, looks like a whale's back. Got no need for an alarm clock or anything. It depends on your friends. Depends on the mood! An incredibly large dream; no matter where you're from. Bring it on, I say! The sky is clear! The wind is lovely! Holy Holiday Holy Holiday."

Zoro: "Who said that!?"

Luffy: "Just now, I've decided. The sky is clear! You're the best! Holy Holiday Holy Holiday."

Zoro: "What a needlessly energetic guy..."

Luffy: "That's right! Today is Luffy's day!"

Everyone loved Luffy's song. Even though he seems like a complete idiot, he is a great singer and writes the best songs...but not as good as Sanji's. Django, for no specific reason, came into the hall.

Django: "Huh? A dance carnival without me! But, I can like moon walk and everything!"

Luffy: "Wow! Look! It's Michael Jackson!"

Django: "Where? WHERE!?"

Kalika: "Cool. It's D-Jango."

Django: "Hey! Which one of you called my weird! My name is pronounced 'Jango' for your information."

Kalika: "Did anyone ever tell you that you act like a little girl?"

Django: "Why yes, quite a lot of people...wait...hey!"

Kalika: "Yes! I got that recorded! This will put Michael Jackson out of business."

Luffy: "Wow, what a freak!"

Zoro: "Hey, can we please get back to the concert? It's my turn."

Kalika: "It'll never be your turn..."

Zoro: "Why is that, baka neko."

I grab my hockey stick.

Kalika: "Coz you'll be dead before then!!"

Zoro: "Sentouryuu, Three Thousand Worlds!"

Sanji: "Hey! It's not nice to fight a lady."

Zoro runs up on stage and seals the microphone.

Zoro: "Muahaha! Now I get to sing."

Kalika: "Noo...I'll be scarred for life! Such a terrible voice!"

Zoro: "I call this song... 'Eyes of Zoro'"

Kalika: "That's a stupid name!"

Zoro: "The sand of the palm of the hand had not fallen at all. The clouds flow in the distant clear sky. The tide retreats but every moon we still can see her flow. The watchtower was destroyed again. Men flows altogether with the ones who halt. Thinking of a rebel with the hope of a new tomorrow."

Sanji: "My song's way better!"

Zoro: "The flower under the moon, a drop of tear. The sadness for someone is violently blown off. The men who saw dreams. Without a map, hurry into their paths. This parting ship. Might be

a illusion, but the real ones are here. The first captured wind, slowly grows. The great dry land waits for the rain. A green sprout again crumbles in the sleep. The fire circles the night party. Men are alone and alone they gather. The pleasant reality is just a glimpse of dreams we see. The flower under the moon, is being blown away. The known journey is over, let's bloom with honor."

Kalika: "Even I could sing better!"

Zoro: "The men who saw dreams. Cry frightened, searching for a heart. This body is thrown away for the dreams. Might be an illusion, but the real ones are here. The flower under the moon, a drop of tear. The sadness for someone is violently blown off. The men who saw dreams. Without a map, hurry into their paths. This parting ship. Might be a illusion, but the real ones are here."

Sanji: "THAT SUCKED, BAKA MARIMO!"

Kalika: "Yer, Marimo!"

Zoro: "Well then YOU come sing something!"

Luffy: "Why don't we all sing this song I wrote, called 'Devil Fruit';"

Kalika: "Eh. So long as I don't have to write anything..."

Luffy: "Yosha!!!"

Every1: "Gomu Gomu Bravo! Chop Chop Festival! Slip Slip Spur! Puff Puff Smoker! Gomu Gomu Bomber!

It's the treasure of the seas. It's the mystery of pirates. You can't stop once you eat it.

No, it doesn't end. It's the beginning of a miracle.

A....U! The Devil's Fruit!

Gomu Gomu Bravo! Chop Chop Festival! Slip Slip Spur! Puff Puff Smoker! Gomu Gomu Bomber!

Is it fate or is it destiny? Everyone is too afraid to even touch it. But this person. It's a sacrifice to the Devil. A....U! The Devil's Fruit! How many in this world actually exist? There's no way to know; no way to find out. It's another huge mystery. It's the legendary. A....U! Devil's Fruit. Gomu Gomu Bravo! Chop Chop Festival! Slip Slip Spur! Puff Puff Smoker! Gomu Gomu Bomber!

Be careful just for a second - your whole life if you eat it. There are those who wish it and those that don't. The abilities of the Devil. Oh my, you swallowed it whole?

It's the legendary A....U! Devil's Fruit!

It's the legendary A....U! A....U! A, U, A, U, A-U, A-U, A-U, A-U.

A.....U! Devil's Fruit!"

Kalika: "Ok, I think I'm dead..."

Luffy falls onto the ground.

Usopp: "AGH! Luffy fainted!?"

Luffy: "It's nap time!"

Zoro: "Same here...."

Kalika: "What's with these people and sleeping? Seriously??"

Sanji: "Eh, you get used to it after a while."

And if you really want to know what happened after that, Luffy ate 101 servings of food after his nap, Usopp became world famous coz he painted the Mona Lisa, Mihawk is now known as Johnny Depp, Zoro dropped his swords in the ocean and then was almost eaten by a giant fish coz it mistook him for seaweed, and then got run over by the ship, Sanji was daydreaming about mermaids, Chopper went on a date with Luna, and Puff Puff turned into a male stripper.

...to be continued?

15. Random Piece

Kalika: "I have yet come to another smart conclusion about Donquixote Doflamingo. First, his name, according to the dictionary, comes up as 'the hero of a romance by Cervantes; chivalrous but impractical'. Second, I have figured out why he walks like a mentally disturbed British guy from a Mental Institution...coz his pants are so tight! Well, seriously, have you seen them?? Anyways...back to whatever the hell was happening..."

(This next part is my little 'remake' of the English opening theme for One Piece. Note: The 'u' in 'Luffy' is pronounced like in 'up', and the 'a' in 'Sanji' is pronounced like in 'cat'.)

Random Piece 1:

(Note: Oda is the guy that wrote One Piece)

Oda: "Ahh...This is Tsubaki at the Scene. Luffy, you went out on the ocean all by yourself, right? Tell everybody how you, a dumbass, managed to survive."

Luffy: "Sure. Of course I brought lots of meat and water from the village. But I at them all right away. Ah Ha Ha."

Oda: "I'm so stunned that I can't express in words."

Luffy: "Well I was starving and thirsty that time. And had a really hard time. Ah ha ha ha. But then I ate mushrooms I found on the boat by accident and survived."

Oda: "Hey, didn't those mushrooms grow after getting some good moisture?"

Luffy: "Well, but then, sometimes huge fish would jump out of the ocean, trying to eat me. I knocked them out and---"

Oda: "Ate them, huh? You persistent bastard...you really were living on the edge." Luffy: "But I'm ok! I was confident in myself!"

Oda: "H-hey hey. I can't express your drive in words. Aaand this octobastard Zoro has become your comrade, but I cannot expect so much, either. How did you survive, even though you are idiots?"

Zoro: "I was already on the sea before him. I'm good at it. Voyage is a piece of cake. Our captain is like this. So I just have to keep things under control. Some big fish would jump out of the sea once in a while trying to eat us, so---"

Oda: "I'm tied down with a chain called disappointment and can't move!! You mean, it's possible that you both died of starvation and ended the adventure there?"

Zoro: "Probably...but if we die like that, that means we're men of that much ability."

Oda: "H-hey hey. I can't express your manliness in words. Now come one, Nami the wicked one."

Nami: "Indeed I was surprised at their lack of critical sense and the fact that they never planned anything. That's why I started to take control of our food, cheese, bread, dried meat; I even paid attention to the condition of water in the storage. If I hadn't been there, they would've died by now. That's why...they owe me something..."

Oda: "H-hey, hey. I can't express your evil smile in words."

Luffy: "Oh yeah, Usopp is good at fishing, so we ate a lot of fish."

Zoro: "But they're small...all you got were sardines."

Usopp: "Idiots! I just like seasonal fish better than sea monsters!"

Nami: "We had a kitchen, so sometimes I would cook. For some reason, Usopp has many kinds of spices."

Usopp: "Nami's cooking is pretty good, but she would charge us."

Zoro: "So we never asked her to do that again."

Nami: "I'm an expensive girl."

Oda: "The world's filled with devils, huh...Then the shitty bastard came to the scene, who always says shoot, shoot, shoot!"

Sanji: "To tell you the truth, I just want to cook for Nami-san. My hobby is Nami-san."

Usopp: "Of course the mealtime has become the highlight of the day after Sanji joined us."

Luffy: "Doesn't matter if we caught birds or fish, he would just cook delicious dishes with them."

Nami: "He's a professional so it's very nourishing. I could finally concentrate on navigating the ship."

Zoro: "That's your only ability, so keep it up."

Sanji: "Huh? Bastard..."

Oda: "Then why don't I try to tell everybody the taste of your food...that you eat during the voyage? ...I really can't express it in words."

Every1: "You're a failed reporter, aren't ya!?"

Random Piece 2:

Two Moai statues are bored.

Moai1: "I'm bored."

Moai2: "Same here."

Now we go to a conference room, where the head of the Mafia families are having a meeting. (Note: They have combed back hair styles and sunglasses. They look like Crocodile.)

Don Luffyone (Luffyone Family): "If you don't bring me meat, I'll take your lives---!! There's only one reason I asked all of you to gather here today. Why don't we decide who's the boss in this town?"

Don Zoroscia (Zoroscia Family): "That'll be me."

Don Sanjino (Sanjino Family): "No, that'll be me!!"
