title says all

Yo, Soren let s go get McDonalds!

&you want what!? It s the year 646 A.D., can t you use your brain for once!?

Eh, not really, do tell me anyway what I missed.

It doesn t exist! & Yet &. Soren stated.

So? We ll just get a time machine!

Ike, did it ever occur to you that we don t have a time machine and& Soren pondered for a moment & what the fuckin hell is a time machine!?

& Beats me , Ike simply said BUT, we have the power of our imaginations!

Mine was dead a long time ago & Soren thought for a moment, by the by & has it ever occurred to you that in order for you to use your&

Time machine

Piece of crud, whatever, Soren said incorrectly you have to invent one and we don't use machines; no one invented one & yet. And no one has the knowledge of&

Yeah, blah, blah, blah&

Are you paying attention!?

Does it look like it? Yeah it does!

Can your skull get any thicker?

No, but I do believe that McDonalds should exist everywhere! Ike skipped to somewhere in the Crimea castle as he left Soren in his own thoughts.

Sometimes, I really wonder how you defeated King Ashnard with that idiotic personality&
