1. for the one i love

This is a letter to the one I love

How can you do this?

You know what I have been through, but you still think im ok?

Yeah im not always right, but neither are you. I want you to be happy with me, just tell me you want the same. You may want attention from other girls, but do you always think before you speak?

I know I haven t always thought before I spoke, an sometimes it got me in shoot.

I love you. And you know who you are. Im not sure you will even read this, probably not. Just remember to get back at me, don t make me suspicious. Hurt me, punch me kick me shout at me, just don t make me confused about your feelings, and don t say its over because of a fight.

At the end of the day I love you, and we will be all right

All my love now and forever
