This is my life at hogwarts.It will be a fairly good story,And will have some of my

1. The Transer,the Train,and the Sorting

I sighed and knocked on the door,Hoping for someone to let me in.Then, When a female voice asked"Yes?" I replied "May I please sit in this compartment?All The other people Won""t let me sit with them." The reply was a male voice that said "I guess so..." I opened the door to find three people.A girl with bushy light-brown hair, A handsome red head boy,And who else but Harry Potter.I Walked in and sat down Next to the Red head boy."By the way," I said "I""m Dusk Sarzan,And I""m transfering from America." "I""m Ron Weasley." Said the red head boy.
