Lines you ll never hear Shadow say

Well, I think the title explains it all. Hope u like it ^^

1: Hey Sonic, do you love Amy?

2: Rouge, will you please get some appropriate clothes on.

3: Man, this pink color completely clashes with the red on my quills!

4: Amy, you know you re doing the wrong things to try to get to Sonic, you should&

5: Tails, why do you have 2 tails? You look like a freak!

6: Hey Rouge, did I ever tell you how hot you look?

7: Knuckles, I wish I could be as strong as you.

8: Sonic could beat me in a race with his eyes closed.

9: Chris, stop crying, you re such a baby!

10: Amy, did I ever tell you how pretty you look in that dress?

11: Cream? What kind of name is that?

12: Knuckles is sooo smart!

13: Professor Gerald is an idiot for creating me!

14: I HATE MARIA(He really wouldn't say that)

15: Hey Amy, wanna go on a date?

16: Which color looks better on me, Purple, or Green?

17: Sonic, you're my hero!

18: Maybe I should try a different quill style&

19: I wish I could fly like Tails.

20: (To Professor Gerald) You're a real idiot, you know that?

Alright, they suck, but it s all I can think of, and Shadow might actually say some of these things.
