Danny and Sam were going to get married. Sam wanted to have her last adventure before her wedding so she went sky diving and ended up in Sacramento.(that's where I live.) Danny was worried sick and he had to go find her! Can Danny and Sam save their w

1. The plans

At Fenton works, Danny and Sam were having plans for what should they put on their wedding. Danny and Sam were 22 yrs. old. Danny was pacing around the room thinking for what should he do on his wedding while Sam was on the couch thinking about the same thing. Danny said, "Sam help me out here! What should I wear, Do I had to be fresh for this wedding, and Am I ready to become a parent"? Sam calmly said, "Danny calm down you'll be fine okay"! "Okay but we had to get our wedding ready or we'll never get married",replied Danny. Sam said, "Danny....Danny.....DANNY! Relax our parents got this thing covered"! Danny said, "Your right Sam, our parents got this thing covered. So wanna go to the bridal shop with me before our wedding tomorrow"? Sam smiled and said, "Sure we can go bcause I really need a dress. Lets hope that my mom doesn't buy me a pink dress with flowers all over it". Danny laughed and said, "It's your wedding you get pick out your own dress"! So they walked out of the house, get in the car, and drove off. When they got to the bidal store, They went inside to go pick out their wedding outfits(however you say it), and trying it on. Sam had picked up her perfect wedding dress and tried it on. She loved it and decided to buy it. Danny has been trying on a lot of tuxedos and none of them fit him. Then he found the perfect tuxedo and went to try it on. That tuxedo fit him so he decided to buy it. Then Danny and Sam meet up with each other by the cash register and showed each other their dress clothes they picked out. Sam picked out a wedding dress that had long sleeves with the purple rings at the end, the dress was down to her feet, and it was white with a wide purple belt wrapped around the waist area. Danny picked out a black tuxedo with a white shirt underneath. Sam came up to the counter and pay for her dress and a tuxedo. So Danny and Sam walked out of the bridal shop arm in arm towards their car. They got in the car and drove back to Fenton works. When they got back from the bridal shop, They called everyone in their families to come to their wedding tomorrow. After that Danny asked, "Are You nervous because I am"? "No",replied Sam, "After we got married, what do you want to do on our honeymoon"? Danny said, "I know how about we go to a paradise in London"! Sam gighed and said, "Or we should go to a paradise in Florida"! "Great idea Sam this will be perfect. Us watching the sunset, laying by the beach, and make-out for a bit",said Danny as he leaned over towards Sam and kissed her. Later that night at 9:00pm, Sam had been thinking about what her life will be like after she got married. Sam thought, "I'm going to have my last adventure bfore my wedding tomorrow"! So she dailed Jazz's cell phone # and said, "Jazz, pick me up at 7:00 tomorrow"! "Why",replied Jazz. "Because I'm going to have my last adventure which is sky diving"! Jazz said, "Okay if you say so. 7:00 that is"? "Yes",said Sam as she hung up the phone and went to sleep.

2. Flight

This morning, Sam woke up at 6:00am, and get out of bed to go get dress. She put on her wedding dress and her black high heels. She walked down stairs, had a quick breakfast, and found Jazz waiting outside for her in a jet from the the roof of Fenton works. Sam climbed into the jet and fly off. The sound of the engine woke up Danny. Danny said,"Sam is that you"? He got out of bed, stretched his body to get the sleep out of him, and went down to the kitchen. Danny had his breakfast, put his dishes in the sink, and went upstairs to go put on his tuxedo. Danny looked at the clock and it's 6:50am. Danny said,"I better hurry up and get dress because the wedding is going to start at 9:00"! In the air, Sam and Jazz were flying over Sacramento. Jazz asked,"Are you sure you can do this"? Sam said,"Sure I can. I can make it to my wedding right on time. Have you been taking drivers test to see if you can earn your license to drive a jet"? "Well yeah, Why you thought I was alousy pilot? If you think I'm a lousy pilot then can a lousy pilot do this",said Jazz as she turned the steering wheel all the way around which it will make the jet spin. "AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH",screamed Sam. Then Jazz stopped spining the jet and Sam said,"Don't do that Jazz. Please". Jazz laughed and said,"I did that to my brother and he said the same thing"! "Well I guess that I'm going to be jumping off this jet then",said Sam as she got up from her seat and opened up the door. Then She jumped off the jet and said,"HERE GOES NOOTHIING"! Jazz saw that Sam forgot her make-up bag and said,"OMG SAM FORGOT HER MAKE-UP"! Sam pulled her parashot out and thought,"Did I forget my make-up"! Jazz flew off to the church where Danny and Sam's wedding was held. After Sam jumped off a plane, she was caught by the branches of a large oak tree. Sam cried,"HELP SOMEBODY HELP ME"! At the church, Danny was already dressed in his tuxedo, and started to worry about Sam. He saw his sister Jazz and asked her,"Jazz have you seen Sam"? Jazz replied,"Uhh Sam went to go get her make-up...after she jumped off a plane..heheheh". Danny was shocked and said,"What!? You took Sam sky diving and she jumped off the plane on my wedding day"! "Danny calm down if there is a problem then you can marry Valerie",replied Jazz. Danny cried,"MOM"! Then Maddie came over and hugged her son, Danny. Back at the tree where Sam got her para shot stuck, she cried,"DANNY I'M COMING FOR YOU! DANNY DON'T MARRY VALERIE! HELP SOMEBODY HELP ME! HELP"! To be continued.....

3. Rush

Sam was still stuck in a tree and crying for help. Then a truck stopped right below her, the driver climbed out of the truck, and asked, "What the heck are you doing up there"? That truck driver was a girl and looked like a farmers girl. Sam answered, "Oh that well I was sky diving on my wedding day and I got stuck in a tree. So can you get me down from here"? The driver said, "Okay I'll go get my sis to come over here and get you down but it'll take us about 2 or 3 hours to get you down"! "What! I'm suppose to be at my wedding in about an hour", cried Sam.

The driver turned and said, "Now don't you move a muscle til I get back with my sis"! Sam unhooked her parachoot, she fell out of the tree and landed in the strawberries that were held on that truck. The driver ran towards the back of the truck and said, "Tohse are strawberries you're squishing". "Well there not strawberries anymore, they are now srawberry jam", said Sam as she wiped the strawberries off her face, "I love your truck in all but I'm afraid that I'm going to borrow it"! Sam climbed into the truck, the driver was banging on window, and screamed, "OPEN THE DOOR AND GET OUT MY TRUCK! COPS..COPS..OVER HERE! THERE IS A CRAZY LADY TRYING TO STEAL MY TRUCK"! The policewoman stopped her car and forced Sam to get out of the truck. Sam did as she was told, the policewoman grabbed her arm, and took her to the police station. Back at the church, Danny was pacing around the room, worrying about Sam. Jazz has been on the phone for about 15min. and there are no phone calls. Danny's 10 yr. old cousin, Max asked, "Jazz when is Sam ever going to come back"? Jazz sighed and her 15 yr. old cousin, Mary said, "When are we ever going to have cake"? Jazz said, "I'm not sure when Sam is ever coming back and we can't have cake til after the wedding"! Then the phone rang and Jazz answered it. Jazz said, "Hello...hold on *put dwn the phone* Everyone its Sam on the phone"! Danny was surprised and said, "Here Jazz give me the phone. I wanna talk to her. *picks up the phone and started to talk* Sam where are you"? "Danny, I'm in Sacramento and I'm stuck in this little jail cell so can help me", said Sam at the other end. Danny said, "Okay I'm on my way! *hungs up the phone* Everyone keep the audience busy because I'm going to bail my bride out of jail! Dad give me your car keys and my wallet"! Jack frowned and cried, "Aww but I wanna-"! He was cut off by Maddie and she said, "Jack, he said Now so give him his wallet and your keys"! Jack handed Danny his keys and the wallet. Danny grabbed them and ran out the door. At the police station, Sam was locked in jail and the policewoman was eating a strawberry. Sam cried, "I swear I was going to a wedding and get married but I just wanted to have my last adventure before my wedding. But can you please LET ME OUT"? "Sorry miss I can't do that because it is against the law. But if you are getting married then the groom will barg right in to save you", said the policewoman. Then Danny barged in at the police station and yelled "Sam"! Sam told the policewoman, "Told ya"! Danny saw Sam in jail so he walked over to her, and looked in Sam's eyes. Danny said, "Hi Sam"! "Hey Danny! You look mad do you", said Sam. Danny said, "That's because I am. How could you sky dive on our wedding day"? Sam sighed and said, "Danny, all I wanted is to have my last adventure before I had responsibility of becoming a parent. All I want to say that I'm sorry for what I just done"! "Sam it's not the end of the world because the adventure has just begun for the both of us. After we get married, were going to have kids, and start a new family. Sam look at me, I believe in you. I think that you'll be a great mom when we have children. So shall we get started on this adventure", said Danny calmly. Sam felt better for what Danny said to her and said, "I guess your right. I would become a great parent when we have kids. In order to do that lets go back to the church"! The policewoman said, "That was beautiful.

I'll let you go but before you, leave I got a gift for you! The policewoman handed Danny a basket full of strawberries and let Sam out of jail. Danny said,"Thanks you so much miss but-!" He was cut off when Sam put a finger on his lips. Sam said,"Thanks for the basket but we gotta get going. Don't worry Danny loves strawberries because there his favorite vegetable"! Danny whispered,"I thought strawberries are fruit"! The policewoman said,"What a nice couple". When They walked out the door, Jack's car was towed away by a tow truck. Danny screamed,"NOOOOO not my dad's car. We'll never make it"! Sam said,"I can't make it by running in those heels"! Then a bus was coming right at them and Danny and Sam both screamed,"STOP THE BUS"! The bus stopped, the driver opened the door, and said,"What the big hold up"! Danny said,"Me and my fiance, Sam Manson were going to our wedding so can you take us to Amity Park"? The bus driver said,"No can do but are you Danny Fenton, son of Jack Fenton"? "Why yes I am and how about I drive",replied Danny as he hopped on the bus, helped sam get on the bus, and took the wheel. Sam asked,"Are we sure we can make it in about 15min"? "Don't worry Sam, you had your adventure now it is time for mine",said Danny as he stepped on the gas and drove off all the way to Amity Park. Back at the church, Jazz was pacing around back and forth. Jazz whispered,"Where are they when are they ever going to get back". Then Mary came running to Jazz and said,"They're here! They are finally here"! Jazz said,"Really they're here now lets get in our positions everybody"! When the bus finally stopped at the church, Danny and Sam came running towards the church. Danny said,"We still gonna make it! We had about 2 more minutes and the wedding will begin"! Sam said,"Let's hurry Danny"! As soon as they entered the church, they apoligized for being late for their wedding. Then the wedding has finally began!

4. Married

As soon as the wedding began, Danny was standing in his right position, and the music started playing. The flower girl which is Sam's 12 yr. old cousin, Sarah spread all of the flower petals on the red carpet and here comes Sam with a wedding veil on her head and flowers in her hands. She walked slowly towards her groom, smiling at everyone. When she went up to her groom, she put a ring on Danny's finger, and Danny put a ring on Sam's finger. The minister said, "We are gathered here today that two 22 yr. olds were going to get married, have children, and start a new Family. Do you Sam take this handsome young man as your lovely wedded husband"? Sam said, "I do". The minister said, "Do you Danny take this beautiful young lady as your wedded wife"? Danny said, "I do". The minister said, "I pronounce you man and wife. You may now.....kiss the bride"! The minister was cut off for a second when Danny put his lips against Sam's. Everyone applaud when Danny and Sam walked down the aisle. When Danny+Sam got home, They started a party, and invited everyone who was there at their wedding today. Jazz started to play love songs and Danny+Sam started dancing. While they were dancing they were thinking back about the good times they had together. They were thinking about their first make-out in the park, having picnics, and other good times. Max went to the kitchen to have some cake and Mary followed him there. Right when Max was about to lick the frosting, Mary asked, "Don't even think about it little brother"! Max said, "What I'm just looking"! Mary grabbed a cracker that had spicy dip on it and handed it to Max. Mary said, "Here Max try this"! Max took a bite and spit it out because it was too hot. Max said, "Blech I don't like that spicy dip"! Mary laughed. Danny and Sam are still Dancing in the living room and stopped when they got tired. They both cut the cake and handed each of them a slice. When everyone drove back to home, Danny+Sam changed into their regular clothes, and went outside. Their families said goodbye and hugged each other before they leave. Danny had his motor cycle out, put his helmet on, and hopped onto his bike. Sam put her helmet on, hopped on the bike behind Danny, and wrapped her arms around his waist tight. They both waved goodbye to their families as they drove off with the cans dragging on the ground and the sign that said Just Married!

The End
