1. Geronimo's Mario Side

Geronimo is a Mario\Sonic character and in both worlds he is a 3D stick figure. He always has a feather on the left side of his head and in the Mario world he has blue cap on with a capital G on it. His arch enemy is the evil Dr. Ricky McFlooglePants. He came from a vast emptiness filled with coins, rings, mushrooms and those little animal thingys and he finally (after a year or two) he climbed out of the emptiness into Mario's world and got his own genuine hat. To be continued... Keep reading to find out Geronimo's Sonic side.
