# 1. emotionless

Emotionless

People call me emotionless  
But people don't see that is what I miss  
But I've learn over the years  
You can't fear  
Know longer can you smile or grin  
Because people have told me it's a sin  
But now as I watch a girl in her sleep  
She smiles and she is not weak  
The way we met  
Like fate was the one who set  
She is small and fragile  
And so agile  
But in a way  
She is stronger then people say  
She shows so much love  
Even know people shove  
Her away  
And leave her at bay  
But I took her in  
And she is know sin  
She is very kind  
Especially in my mind  
She acts like I'm her saver  
Like I'm her angel  
But I am not and angel or am I a devil  
But neither am I evil  
But I kill demons humans for my land  
All the blood that is on my hands  
I kill to protect this girl  
But then if she died in this world  
I think I would cry for the first time  
Because she keeps me alive  
I here her moan in her sleep  
She sits up and begins to weep  
I run to her aid  
I no she's in pain  
She tells me it's just a bad dream  
And lays on me with a lean  
I hold her tight  
Whisper every thing will be alright  
She smiles at me and for the fist time I smile back  
Her smile brightens and we both relax

We fall asleep like this  
I feel like I'm in total bliss  
And for once I fall asleep to  
With the girl I love yes it's true  
And some day I will make her mine  
But that will be at a different time
