1. you are

You are...

The rose with no thorns

The sugar thats sweet

The pleasure in porn

The Heart to my beat

A breath of fresh air

A vision of light

someone who cares

The eyes that give me sight

what makes me smile

what gives me joy

An angel on earth

The only girl for this boy

I cant wait to tell you..

You are the sun in my sky

and The only person that can make me so happy, i cry
