## 1. ~This Happy Place

~This Happy Place~

Your eyes weep with pain,  
Please don't cry,  
You heave a deep sigh,  
As I watch you cry,  
Cold look on my face,

I wish I could make this a Happy place,  
I dream of you happy,  
I dream of you near,

I dream of a place we can stop all the Tears,  
And look at your smiling face,  
In this Happy place&

## 2. Look at the sky...

Look at the sky,  
See the birds Fly?  
Look at the sky,  
See the clouds flout by?  
Look at the sky,  
See the sunset rise?  
Look at the sky,  
See the Twinkle in my eye?  
Look at the sky,  
And listen to it cry,  
Listen to it sigh,  
Look at the sky&  
Look at the sky&

### 3. Dreams

A dream is a thought  
That flouts in your mind,

A dream means a lot  
Forever in time,

A dream makes you happy  
A dream makes you sad,

A dream makes you wacky  
A dream makes mad,

A dream will be with you  
Forever to hold,

A dream is meaningful,  
A dream is great,

A dream won't be forgotten,  
A dream is told with great strength,

A dream is caught  
In between the lies,

A dream makes you sigh  
A dream makes you whimper

A dream makes us ask  
A dream makes us wait

A dream is a task  
A dream is great,

A dream will be with you forever,  
Forever&It will wait&

## 4. The Kite~

Running through the grass,  
Wind blowing through my hair,  
Pulling against me, a great mass,  
Wind against what I wear,  
Thoughts pass by,  
As so does my mind,  
As I see it&  
A kite!  
A kite!  
It flows by,  
Right on by,  
A kite!  
A kite!  
A wonderful thing indeed.

## 5. What is a Teenager?

What is a teenager?

What is a teenager?

I asked one day.

I knew what it was.

But what should I say?

He is noise and confusion.

She is silence that is deep.

He is sunshine and laughter

Or a cloud that will weep.

She is swift as an arrow.

He is a waster of time.

She wants to be rich,

But cannot save a dime.

He is rude and nasty.

She is polite as can be.

He wants parental Guidance,

But fights to be free.

She is aggressive and nasty.

He is timid and shy.

She knows all the answers,

But will still ask Why

He is awkward and clumsy.

She is graceful and poised.

He is ever changing,

But, do not be annoyed.

What is a teenager?

I asked one day.

They are the future unfolding,

So don't stand in our way.
