Silver Love: The Series
A Shaman King Fanfiction by KairiDono

Notice: I will be only use the original anime version's names/places, meaning I'm going to use names like, Hao, not Zeke. Unlike other stories, I'm going to use third person narration instead of first person if I'm going to write a real fanfiction. Also, most parts will contain scenes from the MANGA version of Shaman King, as well as the anime version throughout the rest of the series. In chapter one of the story, it will take place 4 years BEFORE the canon Shaman King series begins.

ANOTHER NOTE!: Ok this is the first Chapter X story, meaning it's a side story. In this first side story, only a little bit of reminiscence of the canon Shaman King anime is detailed. These are either longer or shorter than the regular chapters, so there will be some comic relief, and they will either follow the story or ! ^^

Chapter X1

Relaxed from work, Aussa wanted to buy Silva and herself a treat, so she went out to purchase lunch with her own money that she had earned from work. She bought McDonalds from across the street that's for the main course, and bought some ice cream from Baskin Robbins. (They have these franchises in Japan too!) She doesn't know what kind of flavour that Silva liked, but she bought cookies and creme for him just in case. While she got back, she was clenching this Native American charm that she had received from Silva. Aussa had a flashback, and she remembered that Silva said to just keep it. She didn't know why, but he said that she might need it for luck. While she was still wondering, she heard some people yelling...

Silva and Karim: "HAVE STEAK IN THE MORNING!?!?!?!?"

Rushing from the hallway of the apartment building where Silva and Karim were renting, since they live in the top floor, it would take her a minute to run upstairs and through the hallway. Then, she opened the door,

wondering what was all
the trouble.

Aussa: "Sh!!!~~~~ Quiet down!!! You don't want to wake up the neighbours!"

Silva: "Sorry, Aussa-san..."

Aussa: "By the way, what's with the steak thing?"

Silva: "Oh, Goldva was eating steak and all we have is sardines."

Aussa: "Haha...you're funny...here's some stuff I bought a few minutes ago. Where's Kalim?"

Silva: "He went somewhere....perhaps..."

Aussa: "(Does this mean I get to tell him how I feel??) Ah, I see...I couldn't find what you like, so I bought you a salad and cookies and creme ice cream! Being healthy is one key! ^^"

They ate together and enjoyed the lunch. After they ate, Silva suddenly blushed a bit. Was it because he was nauxious or was he about to vomit? Neither. But why he was blushing? Aussa was about to take out the garbage until...

Silva: "May I ask you something?"

Aussa: "What is it, Sensei?"

Silva: "...Why are you doing this for me?"

Aussa: "I only wanted to help you, but am I being too selfless...???"

Silva: "No, I've always wondered for a long time...and aren't you too tired because of all the excessive work?"

Aussa: "No, but what I've seen is that you're not making enough money...not even a cent...I would buy your Native American jewelry myself...even if people would think I'm too exotic..."

Silva: "(Aussa...) Was this why you gave all that money to me?"

Aussa: "...I have my reasons why... they're beautiful and ancient...and at the same time...I've worked all this because I love you."

Silva: "(! She...loves me too?) ...did I hear right?"

Aussa: "You did...but I already know what's already coming...You're going to reject me for many reasons, like already

had a wife, we're nine years apart, I don't know if I'm your type of girl and..."

Silva: "Since when did I not love you for so long either?"

Aussa: "What?"

Silva: (Hugs her) "I've loved you too, for so long, for who you are...at first I didn't know if you're just tricking me into some sort...but you said one time..."

Aussa in Silva's flashback: "No matter what happens, I want to help others; my desires go last."

(End of flashback)

Silva: "I thought you were those girls nowadays...who thinks of themselves first...but you were different. You were always supportive, and think of others first..."

Aussa: "But I loved you because....you saved me and you did everything you could to save my life...also you were so nice...and I wanted to do everything I could to....repay you...so I work and want to learn everything early...sensei..."

Silva: "Don't call me that, just call me Silva..."

He suddenly kissed Aussa because he wanted to show her his feelings for her. As they kissed for their first time, the kiss was turned into a slow and passionate one. Aussa didn't have any of those before in her life, and she was glad her first was from the one she truly love. Silva's warm lips trails to Aussa's neck, and kisses it. Aussa could feel the sensation, and moaned as he sucked lightly at the neck. He pushed her gently on the floor, and cooed in her ear that he loves her and asked her to be with his side forever. Without hesitation, she agreed and Silva saw her dark brown eyes that are like dark chocolate. He smiled for real and removed Aussa's vest that she was wearing. Silva was about to remove her shirt and whispered something she couldn't hear, until Karim came back.

Karim: "Silva...WHAT ARE YOU DOING TO MY GURL!!???"

Silva: "Since when did Aussa-kun became your girl?"

Karim: "You were doing it...ASSSAULT!!!"

Aussa: "Actually we didn't even do anything; he only said a secret that he does not want to tell anyone else. I AM his most trusted friend."

Kalim: "But he was pulling your shirt..."

Aussa: "He was actually showing me where I left a dirty spot at the bottom of my shirt; I wasn't able to see where it was, so he pulled it up and showed me that spot."

Karim: "Ok...anyway Silva, Goldva said we can take a break for the next few days, including this day."

Silva: "Alright. (Aussa's very good in lying...I wonder how she does that...)...Aussa, may I ask you something again?"

Aussa: "Hn?"

Silva: "Would you go with me?"

Aussa: "What about the Grand Tournament?"

Silva: "Kalim gave me a notice that Goldva has given us to take a break. So, how about it?"

Aussa: "Oh...ok. (OMG!!! He asked me out!! I never got to have one of those before!!)"

Happy for the first time, Aussa and Silva went around Chokohama from shop to shop, park to park, everywhere! They stopped by an arcade and went to play some games. After they saw a dancing machine called Para Para Paradise.

Silva: "Is this some kind of dance game?"

Aussa: "Yes, it is! I have book with this kind of dance back at home! I want to try this!"

As she went to the dancing machine, she danced to the songs Night of Fire, Love Again Tonight, and Boom Boom Fire.

Silva was impressed by her dancing skills, and a crowd of people saw her impressive dancing performances. Aussa

never felt this excited and this happy before, and by the time she reached 2 bonus rounds, she chose to play Ale

Japan, and the Eurobeat version of Mickey Mouse March. When the game was over, her score beat everyone else's

score and was placed first. It was only her first time, yet her moves were awesome. They exited and went into the mall,

and Aussa was so happy that she dragged Silva into every store that she see that were interesting. At the sunset, they watched as the sun go down.

Aussa: "Silva-kun?"

Silva: "Hn?"

Aussa: "That was my best time with you...and my first time that I've had a date, especially with the one that I've loved for so long."

Silva: "You know, Aussa-kun...I've never had one of these modern times in my life either...I have watched over the Shaman Fight for so long, that I was never able to have a time like this...I'm so glad that I have had this opportunity with you, it was wonderful...And I'm so glad that I've got to know you, and save you Aussa-kun..."

Aussa blushed, and Silva puts one of his hand on Aussa's cheek, then gave her a passionate kiss. He put his tongue hers, and so did Aussa. They stopped after a moment, and promised each other to stay with one another forever. While they slept (NOT THE SEX SLEEPING TOGETHER...) with each other, Aussa wondered about a lot of things. When they say they will stay by their side, there's a question in her mind, "Who will look after Lip and Rap when the opening ceremony will take place?" Aussa had to think about that sometime before the opening ceremony comes in the next week.

End of Side Story!

Chapter X2

Aussa: "Sensei!!!!!! Wake up!! Nap time's over!! -Bang bang bang bang-"

Silva: "Uga!!....why did you have to make noise with POTS AND PANS???"

Aussa: "If I try to drag you, you'd clench to the carpet!"

Silva: "...yea what's so special about this day...???"

Aussa: "Well, it's not the day of the ceremony, which'll take place next week, but it's like a normal day here at Chokohama, ne?"

Silva: "Uh huh.....I'm gonna smoke a crack..."

Aussa: "Sensei...do you want your next trip to be in the cemetery???"

Silva: "Why the cemetery?"

Aussa: "-Confiscates and throws cigarette from Silva- You know how bad crack is, do you?! You're gonna DIE from this

type of drug; besides, many people have died because of this."

Silva: "Really?"

Aussa: "And I don't want you to die early, ALRIGHT?!"

Silva: "You're very caring, Aussa..."

Aussa: "Gee, why wouldn't I? My sister's back at Patch Village with Lip and Rap, my parents are dead and I don't know why, so I have you. You took care of me, and taught me everything, so I DO care about YOU."

Silva: "Aussa...Anyway, could you come a little closer?"

Aussa: "Why?"

Silva: "Since we're alone, uh..."

Aussa: "What do want me to do? Do the jiggy jiggy with you???"

Silva: "Uh...what's that?"

Aussa: "Er....you know...when the mysterious object down there goes in this part down there? You know what I mean?"

Silva: "Ohhhhh...No I wasn't intending to do THAT! I mean...I want to have this moment with you. -Cuddles Aussa-"

Aussa: "Silva...you're embarassing me...^////^ "

Kalim: "AUSSA!! WILL YOU GO OUT WITH ME?????!!!"

Aussa: "Sorry I like Silva better!"

Kalim: "DAMMIT! Silva....so suave and mature...how did you get her to like you....even I don't have a girlfriend....UGA!!"

Silva: "Relax, it's not the end of the world or anything..."

Kalim: "UUUAAA!!! HOW DO YOU GET AUSSA TO LIKE YOU....UGAAAAAAAAAAAA---"

Aussa: "Wanna play a game of truth or dare?"

Kalim: "Uh...ok..."

Aussa: "Sensei, wanna play too?"

Silva: "I'd love to, but we don't know how to play this game..."

Aussa: "Ok, once per turn, one person chooses another person to choose either truth or dare, then that chosen one chooses. If truth, that person that's asking asks a question and they have to tell the truth. If it's dare, then the chosen person has to do a dare when the person says the dare ok? Now, who's first?"

Silva and Kalim: "ME!"

Aussa: "Hm....truth or dare....Kalim."

Kalim: "HAHA AAAA!! Dare!"

Aussa: "Hm...I dare you to cluck like a chicken."

Kalim: "Haha...easy...-clucks like a chicken and acting like one- Ok I'm done."

Silva: "Pht HAHAHAHA!!"

Aussa: "Wow...hahaha...who's next?"

Kalim: "I'll ask! Silva...truth or dare?"

Silva: "Dare."

Kalim: "I dare you to show me your feelings for Aussa."

Silva: "Ok. -Kisses Aussa-"

Kalim: "Whoa.....he actually did it..."

Silva: "I'll ask next...Aussa."

Aussa: "Dare."

Silva: "I dare you to...hm..."

Aussa: "..."

Silva: "Flash in front of us."

Aussa: "Whateva...-fwoop- There I did it...I feel violated..."

Kalim: "OOO! I like it at lot!"

After long hours of playing, the threesome had fun, and Aussa had made them treasure this moment of their lives, because they never had one of these before. They played, and laughed for the whole day together. They wished they had one of these days in their lives, but perhaps they can someday.

These are either longer or shorter than the regular chapters, so there will be some comic relief, or follow the story! In this one, this was when Aussa was waiting a month before the Shaman Tournament starts and before Aussa's pregnant.

Chapter X3

Aussa noticed how Silva never celebrated his own birthday, and how he never received any gifts from anyone, or at least, has he? She never knew about Silva's past, yet if she were to ask him, he'd never tell. While working, she wondered if she could make something for him. She thought, he wouldn't need anything. Besides, he'd be too busy; so she wants to create something that he will keep all the time, like a charm. Maybe not, but Aussa wants to because it's his birthday, so she got started on a gift for him. She was taking her time working on a charm that she was wearing for a long time, and it was like an antique. The reason why she didn't buy another one was because her charm was too rare to find, and it's because Silva loved the design and he gave it to her a few years ago. So Aussa wanted to create a charm that looks exactly like hers. Two hours later, just when she's almost done, Mia, her sister, called.

Mia: "Aussa!!!"

Aussa: "Whaaaaaaat?"

Mia: "Silva wants to see you for a minute!"

Aussa: "...could you tell him to hold on?"

Mia: "But he told me he really needs you to see him now....are you even listening!?!?"

Aussa: "Ah! There we go!"

Mia: "What's that?"

Aussa: "...*whisper* It's a present for Silva."

Mia: "Looks exactly like that charm you had when I saw you again."

Aussa: "Thanks...I tend to make things exact...and it's because Silva loves this design, but he decided to give that one to me, because he loves me."

Mia: "I can't even get a boyfriend myself...how DO you do that?"

Aussa: "I already told you how remember?"

Mia: "I was joking you know...I mean....I don't have anyone who's my type...but you...."

Aussa: "I didn't even care about boys or anyone at first...but I met Silva, and yea, you get the point. I was supposed to see Silva right?"

Mia: "Obviously..."

Aussa: "Alright....where?"

Mia: "He told me for you to go by the bridge."

Aussa: "Ok...and next thing you know, it'll be like something from a shojo manga."

When Aussa went to see Silva by the bridge, he saw him standing, alone, crying a bit. But why he was crying? Was it because he never got anything for his birthday that he wants to be free from this world? What is it, Aussa wondered. She wanted to know what's wrong, and what Silva responded, it was true.

Silva: "Aussa, I was bound to follow the tradition and oversee the Shaman Fight since the dawn of time. I didn't even think about what to do on my own birthday. I always wanted a moment like this to share...so I wanted to see you."

Aussa: "Oh...well I made something for you....I know it looks like the charm you gave me, but I made this one with my own hands, because there wasn't anymore in the stores."

Silva: "You shouldn't have, Aussa...but I love how you did it...*Hugs* But what I really want to celebrate my birthday is to be with you like this."

Aussa: "Silva....ok you can stop hugging me now, it's turning to something that came from a girl's manga."

Silva: "Oh, sorry. But I wanted this to happen...well, something like this to happen..."

Aussa: "Really? Silva...was there anything else you want?"

Silva kissed Aussa for pretty much a long time, because he loved her for a long time, even though they shared a moment like this once. But since he's been busy with the Shaman Fight, he didn't even get a chance to have these moments at that time. He stopped and took a breath, and felt really happy, because he's with Aussa. It was now nighttime, and they lied down to look at the stars at the sky. They looked at each other for a moment, and smiled.

Aussa: "Silva...do you mind if I lie down on you?"

Silva: "No I don't mind."

End!
