# 1. Normal Day

Okay, this was soooo freakin' random. I decided to write this after reading some fics. Please don't hurt me. (note-please don't flame if ya don't like this don't comment but hopefully you'll like it) here we go...

## Normal Day

Again, my very annoying alarm clock began beeping at exactly 6 A.M. I rolled over and pressed the button to make it stop. "Aww, Christ. Not again." I plopped on the floor, annoyed. "Someday that school is gonna regret having Amanda Thompson as a student." I got dressed and stumbled to the kitchen. While I sat staring like a person in a coma at my soggy cereal my mom was trying to sweet talk my younger brother into eating. I groaned and tossed my cereal in the trash. "Why does school havta exist?" I wondered aloud. "Hey, I like school," Ryan said, chewing cereal. "That makes you a retard." I dragged my stuff into the kitchen and forced a brush through my extremely messy hair. Just to avoid getting yacked at. My older sister Jennifer (who I refer to as Stalker since she tries to find any excuse to squeal on me) stared at me. "No more all-nighters for you," she said. "Well if my favorite anime shows weren't on so late you wouldn't havta yack at me, huh?" I growled. "Well, hey, it's Friday." "It's gonna go as slow as the Stone Age." "Like the computer?" "Yup."

## LATER....

Again, I was sitting in first period, staring at the blackboard like someone in a coma. "Mandy, what's this one?" Megan asked. She was blonde, and actually pretty dumb. Why, I don't know. Why she always asks me for answers, I don't know. "Don't ask me, kid, I just work here," I muttered. Megan and Amber, the new kid, began giggling uncontrollably. "Who doesn't work here?" Amber asked. I shrugged and turned my paper over to avoid being copied off of. I slammed my head on the desk so loud everybody turned around and stared at me. "No peeps I ain't givin' out answers use those tiny insignificant brains God gave you for Christ's sake," I growled. Then, the bell rang. "Praise the Lord," I muttered, picking up my stuff and walking out. I shoved my Science book in my locker and slammed it shut. "Piece of a crap." I walked all the way to the other side of the building for Health-Megan, the idiot that switched to Band just because today they had a free day, had Reading second period now. I collapsed in the desk and groaned. "I hate school." "Who don't Thompson?" Chris Partee asked. "Yo momma," I replied. I turned in the retarded project Ms. Lee forced us to do and doodled in my binder so I wouldn't havta listen to her yack at other people. This.... is the typical day for any seventh grader attending Lewis County Middle School. And it sucks.

## LATER...

"Crap on a cracker served with cheese and mustard. What in the world did I do to deserve all this?" I groaned. Just when we finally got a break-some class with Will Ramey just happened to be on the blacktop too. The kickball flew past me as I munched my Cool Ranch Doritos. "GET THE BALL THOMPSON!!" Will yelled. "MAKE ME YA FREAKIN' HORROR MONKEY!!!" I yelled. Will ran over to where I was eating and listening to my MP3. "Whaddya want now buttcrack?" I asked. "Gimme yo Pepsi." Will tried to grab my drink. My last nerve snapped-I kicked him where the sun don't shine and snatched my drink back. "Teaches ya to mess with me, huh Ramey?" I asked, running over to the stairs to eat.

And the really cool thing is, I didn't get caught.

Even later....

The bus home hit a huge bump, causing everyone riding to jump five feet in the air. Some high school girls in the back cheered. "Retards...." I turned up my MP3 player—all country music. I bet that anyone within two feet of me could hear "Songs About Me" by Trace Adkins blasting. I sighed. Finally, the three day weekend. I sure as heck needed it....

As the bus turned the corner to the road I live on ten minutes after the big bump, I stood up and forced my way to the front before Ryan. "I call the computer," he said. "Not if I get home first. Which of course, with you being as fast as the average four-year-old, I will." Right when the bus stopped at the row of crooked mailboxes and opened the door I jumped out and ran top speed like I usually do. Ryan and the others were at the mailboxes when I was at my aunt's house, about a third of a mile ahead. I was outta breath, and with horror I noticed an eighteen-wheeler in the driveway—my father was home. "Oh Christ the Lord not Mr. Buttcrack," I groaned. I looked at my house. "Jesus Christ the freakin' windows are open!!" I ran to my house and opened the door. My cousin, Kristine, was on the computer. My father was snoring like a bear on the couch behind her. "Hey Kris," I gasped as I walked by to my room. "Hey Mandy," she replied, eyes locked on the computer screen. I slammed my stuff on my bed and took off my ARMY jacket and shoes. Then I walked into the kitchen and poured myself a glass of tea. Of course, when Kristine let me on and Ryan walked in, he had a hissy fit and whacked me with his bottle of tea. He grabbed the poolstick on the floor when he saw that I didn't flinch and swung it at me. I grabbed it with my left hand and got up. I pushed Ryan onto the couch and pushed the pool stick against his throat, extremely ticked. I dug my knee in his gut. "I'm on the computer. Get a grip and deal with it Midget Man," I growled. I got back on, leaving Ryan to catch his breath and shake like a leaf. "Go Amanda," Kris said. I grinned. "Thanks." I checked some things on FAC and to get Ryan to shut up, let him on. He was still rubbing his throat. "I'm gonna tell Mommy," he said. "Yeah, well go ahead momma's boy, see if I care," I replied. I walked calmly into my room and crashed on the bed. All in a day's living.....

## 2. From Normal to Not-so-Normal

Yup,still at it.\*sigh\* please read and comment.here goes....

From Normal to Not-so-Normal

I was eating Doritos at the kitchen table.The seven inch digital clock lamost identical to mine read 7:47.I was wearing what I normally wear on the weekends-baggy jeans,my "Summer06" T-shirt,and no socks or shoes.Just my plain sandals.I finished that bag of Doritos and got some Gripz."Do you ever stop eating?"my oldest sister,Megan,asked."Nah.I ain't known for being civilized or ladylike,"I replied through a huge mouthful.I swallowed the Gripz and swigged some more tea."I'm surprised you're not fat,"Jenny said from the living room,where she was watching the football game."I don't care,"I said through another mouthful.I swallowed."Pig,"Megan said."Retard,"I replied.Gee,we're a buncha loving siblings,I thought.I put the box of Gripz away after I finished the bag and again,walked into my room.Heck,it's where I spend a lotta time.

I sat on my bed,next to the open window doodling endlessly on a piece of paper among a huge wad I'd bought at Wal-Mart at least a few months ago.My brother was watching AFV in the family room-his frantic laughter could easily be heard through the walls.I sighed and put away my pathetic drawings."Why in the world can't I be as talented at drawing anime as Rumiko Takahashi?"I groaned.(Rumiko Takahashi is the genius behind Inuyasha for those who don't know)"AMANDA!!"Jenny yelled."WHAT NOW?!"I replied."GET OUT HERE WE GOT GUESTS!!!"she yelled.I groaned and got up.I walked over to my door,stumbling on my baggy jeans,and walked into the kitchen.I recognized the guy next door with the ugly cars-I vividly remembered "accidentally" hitting a particularly ugly white one with an arrow.I gulped and hid behind Ryan.Unfortunately,he was an inch or two too short.I huddled behind Jenny instead,who had four inches on me."Oh.Crap.If that one car got a scratch or somethin'; it wuddn't me,"I muttered.Jenny laughed."Shut up!"I hissed.I noticed Angel,the misnamed yellow cat my mother had since before I was born,sitting right next to the door.I remembered I had my jacket on-never had the ambition to take it off again after I went outside to help take down the midget pool in our yard.(I was lucky to still be dry-go lucky jackets)The neighbor stared at me."I'm not here.I'm not here,"I muttered.Jenny stepped to the left.I did too.Jenny shoved me away.I glared at her.Just then,the door opened and Kristine stepped in just as Angel ran out."ANGEL!"My mom yelled.I grabbed my baseball bat just for the heck of it and ran out to get her.I groaned when Angel disappeared in the woods behind my house."I'm gonna kill that cat,"I muttered,running after her.

Later....

"AAAH!!CHRIST!!"I yelled-my foot was entangled in a giant pile of briers.I didn't even bring my sandals.I yanked my foot out."When I find that cat I'm gonna shove her in the blender,put it on high,put her in a milkshake and feed her to the neighbors,"I growled.My foot didn't bleed much,but it stung where a stubborn thorn was embedded."Crap."I pulled out the thorn and dropped it,annoyed.Angel meowed and jumped down from a tree.I sighed."You're lucky you're so cute,"I said,picking her up.Angel meowed again.This time she had that agitated sound.She viciously clawed my arm.I yelled and threw Angel."CHRIST!!!"I yelled.Blood ran down my arm-Angel's claws had gone down deep."You retarded cat.I'm the poor soul that feeds you everyday,"I said,extremely

annoyed. Angle swiped at my already bleeding bare foot. I stepped backwards. "You're screwed, ya possessed cat." I put down my baseball bat and grabbed Angel by the back of her neck. She stiffened and curled up. I had to leave my baseball bat if I wanted to carry Ms. Evil. I groaned. "Why in the world do you hate me so much?" I muttered, looking up. Then I remembered Angel when she squirmed. I trudged back to my house. I was almost out of the woods when I heard a creaking noise. I swerved. An old decayed tree was falling right at me. I yelled again and ran. I tripped from a snake hole-and the tree fell on my foot. "AAAHH!! JESUS CHRIST!" I yelled. I yanked my foot from under the tree. My foot was red, but not broken thanks to the snake hole I tripped over. Angel ran back to the house when Jenny cat-called her. "Sure, ya listen to Perfect Jenny," I muttered. I got up and sighed. "My life can really suck sometimes." I started walking home, not even noticing the person spying on me through the bushes....

### 3. This can't be good....

Yeah yeah I know....still goin.....please comment peeps.Enjoy.^ ^

This can't be good...

Again,I was forced to hide behind Jenny to avoid the neighbors."Aww man....when will they get lost?!"I hissed.Jenny laughed."What's so freakin' funny?"I asked."You.""Shut up."My brother was watching a really stupid TV show in his room-since his TV is always way too loud,we could hear every word.I walked out of the kitchen and back into my room.As soon as the door closed I turned on my TV."Crap.Ain't nothin' on till nine."Just when I sat down on my bed,the power went out."What the heck-?!"I yelled.I tried to get to the door,but I smacked my head against the wall close to the light switch."Ow..."I rubbed my head,still neglecting the person spying on me,who was now right next to my window."Like I need more brain damage."I felt my doorknob and opened the door.Before I could even reach the kitchen for the third time tonight,I tripped over Angel,who hissed and ran off."Craaap."I felt Ryan step on me."DO I LOOK LIKE A WELCOME MAT?!"I yelled."I can't see nothin'!"he yelled."Wan' a little cheese with that whine?"I got up and stumbled into Jenny."Ya shoulda stayed in your room,"she said."That's too bad."Luckily, the neighbors got concerned for their fourwheelers and started on their way home.They opened the back door,and as if once wasn't enough,Angel slid out the door and rushed out to the woods."DON'T YOU EVER LEARN?!"I yelled,running after her with a flashlight.Right when I ran out the door I realized that I forgot my sandals yet again.I turned on the flashlight.Again,Angel was running into the woods again."This is really gettin' old."I ran after her,again.And again,I got my foot stuck in a pile of briars."Why in the world do you insist on torturing me you possessed cat?"I asked.When I got up,some person grabbed me from behind."AAH!!!"I yelled,freaked out.I squirmed."What the crap d'ya want,my lunch money?!"I yelled.The person who grabbed me started lugging me farther into the woods."LEMME GO YA FREAKIN' HORROR MONKEY!!!"I yelled.If I had any sense,I woulda shut up when the person who grabbed me unsheathed a small dagger."Whaddya gonna do wit' that,cut my bread?"I asked.Then I saw the full size of the thing."Oh crap.Oh crap.Ooohh craaaaaaaaap...."I muttered.Then either I went crazy or I actually passed out-when I could see clearly again I was face first in the dirt."Ow..."I muttered.I got up again."Least Midget Man didn't step on me this time."A girl a year younger than me or so ran right next to me."Holy crap on a cracker served with cheese and mustard....Milli?Milli Berman?!"I yelled."Uhh yeah."Milli Berman,or wolf-girl-ghost on FAC,just happened to be here too."How random is that?"I asked.Milli shrugged."No clue."I sighed."You live in England,right?"I asked.Milli nodded."Yeah.""Then what the heck're you doin' in America?"Milli shrugged."Actually,Amanda,I don't think this is America."Some idiot shoved me backwards as he ran past."HEY RETARD!!!"I yelled.The guy stopped and turned around with an angry look on his face.I gulped."Ohh craaaap...."

I was standing right in front of Sasuke Uchiha.

## 4. OMG WE'RE IN THE NARUTO WORLD!!

Yeah.....again.^ ^ well,I try.Hopefully this time I'll do better.

### OMG WE'RE IN THE NARUTO WORLD!

I backed away real slowly."Uhh...if it means I'll live to age thirteen...I withdraw that statement..."I muttered."Um,Amanda,you made him really mad,"Milli said.I hadta to a belly flop to dodge a thrown shuriken."Aww c'mon....I apologized!!!"I yelled."Too bad."I looked over at Milli."That's Japanese for 'You're in deep crap',"I said,getting up."And that's our cue to run."I grabbed Milli's wrist and took off."OH CHRIST OH CHRIST OH CHRIST OH CHRIST,"I yelled.I elbowed another guy outta the way,annoyed."GET OUTTA THE WAY BUTTWIPE!!!"I yelled.(Man,I sure do yell a lot huh?)The guy I elbowed just happened to be Naruto."What'd you call me?!"he yelled."This really is one 'a' those days when life gives ya a good kick in the butt,"Milli said."Only this time I havta kick back,"I added.Naruto used his Shadow Clone jutsu."HEY!!That's called double-teaming!!"Milli yelled.Sasuke caught up just then."Uhh...okay....I surrender...."I said,putting my hands above my head."It's too late for you kid."I stifled a snort."I ain't no kid,kid,"I replied.I cringed when Naruto(the original I think)pointed a kunai at me."Awww man....I'm gonna get gutted by Naruto Uzamaki instead of some drunk deer hunter...."I muttered.Milli laughed a little."If ya apologize I'll put my kunai away,"Naruto said."Okay.I'm sorry you have no brain cells,"I said.Naruto got an angry look on his face."That's not what I meant!"he yelled.Sasuke poked me with his own kunai."Maybe Kakashi Sensei can deal with you two,"he said."Uhhh....heh heh,"I muttered.

### LATER....

Milli was right behind me,and we both were facing Kakashi."Uhh...."I muttered."D'you mind explaining to me two preteenage girls appearing in the Village Hidden in the Leaves....one barefoot?"Kakashi asked."Uh....we're from far away....heh....VERY far away,"Milli said."Ya think?"Naruto yelled."Shut up loser,"Sasuke said."Why don'tcha both shut up?"I asked."You have an attitude,"Sasuke growled."Nah dip Sherlock how long did it take ya to reach that ingenious conclusion?"I asked."Save it you three,"Kakashi said.I sighed."Before you ask I didn't do nothin' except for pick a few fights.Milli didn't do nothin' at all,"I said."You're pretty annoying for a girl,"Naruto said."You only say that because I hit you so hard yo momma felt it,"I said.Kakashi sighed."You pick more fights than Naruto...."he groaned."Well what the heck,I'm from Hoe-in-the-wall Tennessee didja expect me to be well-mannered and civilized like my perfect but evil older sister?"I asked."What kinda village is Hoe-in-the-wall?"Naruto asked."It's actually Hohenwald,but us country hicks call it Hoe-in-the-wall,"I replied."Are you a ninja?"Sasuke asked."Heck no!"I yelled.Milli shook her head."Can we leave now?"she asked."Don't blame us if the stupid barefoot one gets you in a fight with the whole village,"Naruto said."Uhhh,retard,I ain't stupid.Not by your standards,at least.In fact,compared to you I'm a child prodigy."Again,the angry face."W-why you...."he growled.I made sure Milli was behind me and took off."SEE YA WOULDN'T WANNA BE YA!!"I yelled.

Okay,so it ain't much better.sorry peeps.please comment.pleeeeee comment!

## 5. Another for the Crew

Yep.^ ^ again!!Hahaaaaaaa!!Please comment.Enjoy!!

### Another for the Crew

I couldn't help but laugh just by seeing Naruto's reaction."Sure showed them."Milli pulled me backward."Um,Amanda?"she asked."What?"I asked.Then I realized what when a girl a year older than me plopped down on me like she'd been skydiving.I fell over on my gut."OWW...."I muttered.I got up when the girl stood up herself."Uhhh....hi Crystal,"I said."Before you ask no I wasn't skydiving-some freak just tried to drag me off to God knows where then I ended up dogpiling on you,"Crystal said.I sighed."You have my sympathy."Crystal looked around nervously."Uhh...where are we?"she asked."The Village Hidden in the Leaves.""Um,from what anime?"she asked."Naruto,"Milli replied."Oh crap,you never watched Naruto,did you?"I asked.Crystal shook her head."Oh Christ....and the worst part is,we don't even know howta get back,"I groaned."Aw man I never thought about that...."Milli muttered."Maybe if we find the mo-fo that thinks he can force me outta Hoe-in-the-wall and you two from where you live and beat him so hard he ends up in next week we'll get outta here,"I said thoughtfully.Crystal cocked an eyebrow."Well that's a nice way to put it,"she said."I know,ain't it awesome?"I asked.Crystal then spotted my feet."Is there some reason why you're barefoot?"she asked."Left my sandals in my house.""Okay then...."Something hard hit me on the back of my head."OWW!!"I yelled.I swerved.Some idiot had hurled a rock at me.I saw a pathetic disguise-a cardboard box painted to look like rocks."Oh no...."I groaned."What?"Crystal asked.Milli sighed."Konohamaru,"we said at the same time."So,you saw through my disguise.You're pretty sharp for a buncha girls."Like in a certain episode of which I forgot the name,Konohamaru made his 'disguise' explode,and his two friend sat on the ground next to him coughing and arguing about "too much gun powder" and such.I stared at Konohamaru like he was a dog drooling on my shoes(well if I was wearing any). "Okay,okay.If I give ya some food,will you please leave?"I asked."He probably wants to challenge us..."Milli groaned."Uhh who's the preschooler in the weird cape thing?"Crystal asked."Konohamaru,the honorable grandson of the third Hokage!"Konohamaru declared.Just when he started his so called attack it seemed that someone pressed a black cloth over our eyes.When we could see again,Konohamaru wasn't in front of us,and the Village Hidden in the Leaves was long gone."Aww man..."Crystal groaned."Where'd we end up this time?"

## 6. Yet Another Fight Picked...

Yeah, finally, eh peeps? \*sweatdrop\* Hope ya like. Oh, and no flames from Mustang fans please. \*shudder\* I hate Mustang....

Yet Another Fight Picked....

I got up and looked around. Wait one minute.....

"Oh, God, we're in a city." I shuddered. "I REALLY hate cities." Crystal laughed. "How couldja hate cities?" she asked. "Ya can't breathe and ya havta carry a bazooka with ya to get a Coke from the coke machine down the street." This time, Milli laughed. Just then some other idiot shoved me until my head banged against the wall of a house. Now, I was reeeeeeeeeeeally ticked. "HEY YA FREAKIN HORROR MONKEY!! DIDN'T YO MOMMA TEACH YA ANY MANNERS?!" I yelled. The person who shoved me stopped running. Apparently, I ticked him off too. "What'd you call me?" he asked. He turned around. I thought I was gonna have a heart attack.

I picked a fight with Ed Elric.

"Awww man....." I groaned. Crystal and Milli exchanged confused looks. "Who's he?" they asked. "Uhhh....." I started. "Answer my question," Ed growled. "Or what, yer gonna drag me off to a mental asylum to swipe a pistol so I can put Mustang outta his misery?" I taunted. "Geez, Amanda, I bet you'll have the CIA after ya in a year or two," Milli said. Ed tackled me like a football player. "I plopped on the ground." "Well that was a cheap shot." I sat up. "Five-year olds hit harder than you," I said. Another tackle. "Geez, are you an alchemist or a football player?" I asked. "You have a really bad attitude." "Nah dip Sherlock." I hadta duck to avoid a punch. "Cities....so violent," I muttered. I stood up and grabbed Ed's arm. It just happened to be his right arm-the Indian burn wouldn't work. "Crap." I hadta do a belly flop to avoid the other fist. I grabbed Ed's ankles and yanked his feet from under him, causing him to fall. I got up, made absolute sure that Crystal and Milli were right behind me, and took off. "Who was that?" Crystal asked. "Don't ask. Just run," I replied. More bad luck-a head-on collision with Mustang. But thankfully, Milli and Crystal helped me stay off the ground. I glared at Mustang. "I hate you, ya bankrupt boozer," I said. Crystal groaned at Mustang's angry look. I grabbed Mustang's glove hand and performed my favorite-the Indian burn (where ya twist the skin on someone's arm. If ya wanna make it hurt really bad, bite 'em along with that). Mustang yelled and wrenched his arm away from me. "You have just p\*ssed me off," he said. I laughed. "Language. There're little kids-" I nodded pointed at a group of small kids playing in someone's backyard-"listening in." Mustang snapped his fingers-a small jet of flame zoomed past my left ear. "Nice. Smores, anyone?" I asked. "Yeah....Milli and Crystal, ya might wanna run....I kinda ticked off the ever-so-retarded Flame Alchemist. He can deep fry ya." Milli and Crystal took off, luckily. "You look about thirteen," Mustang said. "What the heck does that havta do with anything?" I yelled. "You're a young girl." "NAH. DIP." "Why don't you act like one?" "Why don't you act like you have a life?" Mustang sighed and grabbed my wrist. "You're comin' with me, kid."

## 7. How Much Trouble Can One Barefoot Girl Attract?

Yaaaay I finally updated!!^ ^ here ya go peeps!!

How Much Trouble Can One Barefoot Girl Attract?

I really, really wish I didn't have such an attitude. Mustang was just plain retarded. "Listen reject. I ain't no obedient lady. Lemme go or I'm gonna get ticked." Mustang sighed. "Apologize." I decided to use my 'evil apology' quote again. "Fine. Mustang, I'm sorry you're a retard." My God, I love to annoy people I hate, I'm so good at it... Mustang got annoyed and attempted an Indian burn-with pathetic results. "Three year-olds do better Indian burns than that," I said. "You're asking for a load of trouble." "That's too bad." I sighed. "Where exactly are ya draggin' me anyway?" I asked. "I need your help." I coughed. "You need my help? No, what you need is a good psychiatrist." Mustang groaned. "I can't wait until FullMetal hasta deal with you." I yanked my arm away. "Uhhh, when it comes to that guy, yer on yer own. See ya, wouldn't wanna be ya." I ran off. "YOU LITTLE-!!" Mustang yelled, chasing me. "Awww crudmuffins." I hadta do a sharp left turn to avoid a crowd of people, but Mustang got stuck right in the middle of it. "Hah!" I yelled. "When it comes to runnin', us Thompsons can't be beat!!" Then I realized that my feet hurt a lot. "Oww.... what the heck's wrong with me?" I grabbed my ankle and inspected it. "Ewww it all bloody...." I also noticed that I left splotches of blood in the road. "Crap on a cracker." I thought I was outta the line of fire until Al's fist just grazed my head. "JESUS CRUDMUFFINS!!" I yelled. I hadta keep running. And by God, I probably had half the city after me. "Awww man I shoulda been a cowgirl!!" I yelled randomly. Ed caused me to trip and pinned me. "Oh. Christ." I grunted. "Yeah, you're in a big mess kid." I squirmed. "That freakin' hurts horror monkey," I gasped. Ed groaned. "When will you learn?" he asked. "I learn plenty. I just learn better without fifty ton weights on my back." Ed forced me up and pounded me against the wall. "I just wanna say that if yer gonna kill me make sure I die standing please," I gasped. "You use too much sarcasm." "That's a cryin' pity, now ain't it?" Al took control of the strangle hold -slash-pin thing and marched me off. Just when I passed a house I noticed Milli and Crystal hiding from Al.

LATER.....

I groaned, annoyed because of all the questions. "What the heck is this, my IQ test?!" I yelled. "You're really startin' to tick me off!!" Ed yelled. "What else is new?" Suddenly the door flew open as if someone kicked it-Milli and Crystal were in the doorway, Milli armed with a huge rock. I got up. "Uhh thanks." I rubbed the back of my head. "This is gonna be tough." Al was acting weirdly bold-he ran full-out at Milli, who hurled her human-head-sized rock. Al's head came off and rolled on the floor, dented on the side. Crystal, who had never watched a single episode of FMA, screamed. "MILLI YOU FREAKIN' BLEW HIS HEAD OFF!!" she yelled. I sighed. "No, Al's just empty armor Crystal. If you ask nicely I'll explain later." I grabbed a piece of the rock that had broken off. It just happened to have a pointed end. "Oooh, yay." I dragged the sharp side of the rock down the rock wall, producing a terrible screeching noise that made everyone except Al, who was bust fixing his head, hold their ears. I gave Crystal and Milli the symbol to run and took off. "AWWW CHRIST MAN!!" I yelled, my feet hurting again. "Ow..." Milli muttered, rubbing her ears. "Heh heh. Sorry peeps. I hadta do sumthin', right?" I asked. Crystal sighed. "Wasn't that

kinda drastic?"she asked."Nah."Once again,our vision went all black and when we could see again.....

By God,we weren't gonna be happy.

## 8. This Reeeeeeeeeeeally Sucks...

FINALLY!!UPDATE!!DROP TO YO KNEES AND PRAISE THE LORD PEEPS!!!^ ^ enjoy!

This Reeeeeeeeeeeeeeally Sucks...

I blinked a few times because the sun was a little too bright."What the heck?"I freakin' nighttime back in Hoe-in-the-wall..."I poked Milli and Crystal."You two alive?"Milli groaned."Unfortunately."Crystal simply stood up and stretched."Now where'd this reject drag us?"I groaned.Crystal shrugged."Who knows?Man,I wish there was something to eat in this place."A slight change in plot-Milli got hit by someone.And the person that bumped into her got mad."Idiot!!Don't just stand in the middle of the road!!"Another change in plot-both Crystal and Milli knew a little about this anime."OH MY GOD!!S INUYASHA!!"Milli yelled."Do you have any idea how hard you are to draw?"I asked him."Shut up midget."Doesn't that sound familiar."Koga knocked me sideways."This's reeeeeeeally gettin' old..."I got up and gave Koga the bird."Pardon my sign language."Crystal laughed.Milli stared."You can be really evil Amanda,"she said."YAY!!All I need now is some Doritos and today might not go so bad after all!"I cheered."You're an idiot."Thank you."Get lost midget."I already am reject."Inuyasha swiped at me with his sheathed sword.I hadta duck low."SIT INUYASHA!"Kagome yelled.WHACK!Inuyasha plopped hard on the ground lower than me.Koga had run off long ago.I got back in my standing position and sighed."And I thought P.E. with Grandma Moses was bad."Crystal laughed."Who's Grandma Moses?"My evil P.E. teacher.Man,every year at middle school I've had an evil P.E. teacher."Kagome frowned."You shouldn't talk that way about your teachers,"she said."Well excuse me for livin' it's okay to hate 'em as long as they don't find out until you graduate."Milli and Crystal both laughed.Kagome sighed."Comon.You won't last long out here.Especially you,"she said,staring at my bare feet.

LATER...

Next thing you know,Milli,Crystal,and me are all chowin' down in Kaede's hut and I'm tryin to explain to Kagome how we got to the Feudal Era with a mouthful of ramen that Kagome made."Uhhh,ya see,this one suicidal reject wandered into Hoe-in-the-wall and wanted to be a butthole so he dragged me to this place.He did somethin' along those lines to Milli and Crystal."I swallowed."Please tell me you understood that,"I said."Actually,I did.You just have inappropriate language for a girl your age."Hehe,that's weird,my retarded father said the exact same thing.Before he went off in that giant dumpster he calls a truck for another month."I shoved more ramen into my mouth.Milli and Crystal were eating at more decent rate.I swallowed again,but now my bowl was empty."Thanks for the meal."I wiped my mouth.Milli and Crystal finished theirs."Maybe this isn't so bad,"Crystal said.The hut earned a large hole in the roof and wall when a giant ugly and nasty smelling demon burst in."Or maybe it is,"I replied.Inuyasha missed it with Iron Reaver Soul Stealer,and it grabbed me and Crystal.

"Awww,maan.....this reeeeeeeeeeeeeeally sucks...."

## 9. Oh Crap Not Sesshoumaru...

Yay another update!!^ ^ I luuucky...please enjoy and comment!!

Oh Crap Not Sesshoumaru.....

"OOOWWW!!JESUS CHRIST!!"I yelled.The giant demon thing that grabbed me squeezed me so hard I felt like that one fish that the neighbors squeezed until its head popped off."Air...I NEED AIR!"Crystal yelled.The demon was way ahead of Inuyasha."Oh Christ,we're really freakin'screwed."I tried to wriggle free-the demon thing squeezed harder."AAAAH!!JESUS CRUDMUFFINS!!!"I yelled."Remind me to ask you where you get those quotes,"Crystal said.It was hardly squeezing her at all."Lucky duck,"I muttered."OOWWW OWW OWWWW!!!!IT'S ABOUT TO FREAKIN'SCREW UP; BREAK MY BACK!!!"I yelled.Just then,things got worse.Sesshoumaru showed up."Did I say we were screwed before?I withdraw the statement-WE'RE SERIOUSLY SCREWED NOW."Crystal knew Sesshoumaru thankfully."I can't freakin' breathe!!!"I yelled.Sesshoumaru unsheathed his Tokijin."Oh Christ,this is freakin' it!!!"I never get to meet Foamy the Squirrel!!!"I yelled."You're really weird,"Crystal said.The demon squeezing me and carrying a Crystal got split in half.We fell on top of it."Ewwwww this's worse than the school's mystery meat,"I muttered.I got up and wriggled out of the fist that was still clenched around me,but not as tightly.I made it and inhaled deeply."AAAH,AIR!!!"I yelled.I looked at Sesshoumaru."Yo mo-fo.I know what you did with yo momma last night!!!"I yelled.I grabbed Crystal's wrist and took off."I LOVE TO GET IN BAD SITUATIONS!!!"I yelled."Freakin' run Crystal!!Otherwise Sesshoumaru's gonna eat us in a sandwich!!RUUUUUN AWAAAAAY!!!"I yelled."Whaddya think Milli's gonna do?"Crystal asked."Oh crap,never thought 'a' that.Uhhhh...let's just hope she stayed at Kaede's."I saw Sesshoumaru behind us."JESUS CHRIST!!!"I saw a cliff up ahead that was over a lake."Can you swim?"I asked."Yeah,"Crystal said."Good.Let's just hope he can't!"I let go of Crystal's wrist and ran up to the cliff."CLIFFDIVING!!!"I jumped off the edge of the cliff in a bad imitation of them olympic divers."ALL HAIL POSEIDON!!WE ARE NOT WORTHY!!!"I splashed into the water.After I almost hit a huge rock I surfaced."WHOOOOO!!!YEEEEAAAAH BUDDDY!!!"I yelled.Crystal splooshed in next to me."I ain't never gonna do that again,"Crystal said,surfacing."Me neither.Got a terrible fear of heights.But I'm more afraid of gay guys with swords than heights."I swam over to the shore and got out of the water.Sesshoumaru jumped down the cliff and landed in front of us."OH CHRIST!!CRYSTAL,RUNN!!!"I yelled.I looked back at Sesshoumaru."YOU CHEATER!!THAT AIN'T FAIR!!!"I ran in front of Crystal."Is that all we do lately is run?"Crystal asked."Good question.I'm just glad that my feet haven't fallen off yet.Ooh yay,I said somethin' smart."I kept running.I looked back at Sesshoumaru...and smacked into a tree."Oh crap.Dead end."

## 10. That's Never Good...

Here we go yet again...^^ hope ya like!!

That's Never Good.....

I looked around desperately for something to distract Sesshoumaru with. I saw a weird shaped stick. "That'll do nicely." I picked it up and hurled it at Sesshoumaru yelling "FETCH BOY!!" and running the other way dragging Crystal along. "OOOOOHHHH CHRIIIIIIST!!!" "WHAM. Crystal tripped and took me down with her. Sesshoumaru caught up. "Oh Christ. Ohhh Chriiiiiiiist....." I muttered. Just then, Kagura's Dance of Blades flew past. "AAAAH!! IT'S GRANDMA MOSES!!" I yelled.

MEANWHILE, WHEREVER THE HECK MILLI IS...

Milli was trying to be brave-she tagged along with Inuyasha. "You don't think Amanda or Crystal got eaten do you?" she asked. "Nah, they probably just got killed for the sake of that demon's entertainment. Awkward moment-I guess Milli was learning from me-Milli whacked Inuyasha upside the head. "What the h\*ll?!" he yelled. "Don't talk about what mighta happened to 'em retard, keep lookin'!" Milli yelled. Inuyasha stopped, sniffing the air. "What now?" Milli asked. "I just picked up Sesshoumaru's scent." Milli groaned. "Noooo, not that gay guy with eye makeup...." She climbed on Inuyasha's back and he took off.

BACK TO ME AND CRYSTAL....

I got up and yanked Crystal to her feet. Kagura landed in front of us. "Oh crudmuffins." I looked at my bare feet. Crystal pulled a smooth one-"YO LADY, YER SHOE'S UNTIED!!" Kagura had no idea what a shoe was and looked around in the air. Crystal grabbed my arm and dragged me off. "Yo! Crystal, that was sweet!!" I yelled. "Thanks!" Crystal replied. "Now the problem-we have no idea where we're goin', do we?"

AGAIN W/ MILLI AND INUYASHA

Inuyasha shoved Milli off his back, facing Sesshoumaru and Kagura. "I lose the midgets' scent here..." he muttered. He unsheathed Tetsusaiga like in the anime. "Go after yer friends, kid." Milli cheered and took off following Amanda's blood footprints.

AGAIN W/ ME AND CRYSTAL

Crystal stopped suddenly, causing me to bump into her. "Whazzup?" I asked. I got next to her. The Bone Eater's Well. "Oooh!! I wanna go to Kagome's place!!" I cheered. I ran to the well and jumped in. "OOooooohhh....pretty ssstarsss...." I muttered. Then it rejected me-I went flying out. "AAAAAAAaaahhh....!!!" I yelled. I plopped on the ground a little behind Crystal. "Owww..... I see dead people..... And I wish my P.E. teacher was one of 'em...." I got up. "Great. More brain damage." Crystal laughed. Again, we almost got hit by Kagura's Dance of Blades. "Guess who's back..." Crystal started. "Oh no, never quote pop, hip hop, or rap music within a ten foot diameter of me. Country is my rock!! Yeeeeeeaaahhh buddy!!" Kagura landed in front of us again. "Oh Christ. Now whadda we gonna do?"

BACK TO MILLI....

Milli ran right past Koga yelling, "DIDJA GET YER FLU SHOTS, WOLFIE?!" And, of course, caused him to chase her. "What'd you say, midget?!" he yelled. "UNLIKE YOU, I SPEAK FLUENT ENGLISH!!" Milli yelled with a good Italian accent. She had to swerve to dodge a tree. Koga simply knocked it down. "HEEEY!! CRYSTAL!! AMANDA!!" she yelled at the top of her lungs.

Aw,heck,we&rsquo;ll meet up eventually....

I heard Milli yelling our names."MIIIIIIIIIIIIIIIIIIII!!HEEEY!!"Crystal yelled.Milli emerged from a thick cluster of trees with Koga chasing her."INUYASHA CALLED YOU MIDGETS!"she yelled."WHO&rsquo;S HE CALLIN&rsquo; SO TINY SHE NEEDSTA GET A LADDER TO PICK UP A DIME?!"I yelled.Before Milli could even tackle Kagura once again we got jerked from that world....and this time things were gonna get reeeeeeeeeeeally baaaaaaaaaad...

"Oww....."My head....."What kinda mo-fo whacks a girl?"I sat up and groaned."Got Advil?"I asked,rubbing my head."God!!! feel like I&rsquo;m havin&rsquo; a hangover!!"Crystal yelled.I looked up and around."HOLY CRAP!!!WE&rsquo;RE BACK IN HOE-IN-THE-WALL,PEEPS!!!"I yelled.Milli stood up."What?Y&rsquo; mean we&rsquo;re at your place?"I crawled up."Basically...."I saw the best thing right in front of us.&rsquo;YAAAAAY!!WE&rsquo;RE AT HINSON&rsquo;S!!!"I yelled."Hinson&rsquo;s....?"Milli asked."Yeah!!It&rsquo;s a good ol&rsquo; fashioned gas station where you can buy Coke fer a buck!!And besides that I know some of the peeps who work here!!"Crystal gave me a look."She&rsquo;s hyped...."she muttered."Aww,thanks."I walked right up to the door-but it was locked."AWWW CRUDMUFFINS!!IT&rsquo;S FREAKIN&rsquo; CLOSED DUDE!!"I yelled.I heard Milli sigh."You&rsquo;re kinda crazy,"she said."Thanks!"I started walking down the road but hadta stop when some turd from Columbia almost ran me over.I hurled a huge rock at thecar yelling:"HEY.YA FREAKIN&rsquo; HORROR MONKEY!!DIDN&rsquo;T YO MOMMA TEACH YA ANY MANNERS WHILE YOU WERE SCREWIN&rsquo; HER?!DON&rsquo;T LOOK AT ME LIKE I JUST ATE YO BISCUIT!!"I yelled.I flinched when the huge rock hit the windshield and kinda got stuck in it."AND I AIN&rsquo;T PAYIN&rsquo; FOR THAT!!"I yelled,giving the driver the bird."OH,AND PARDON MAH SIGN LANGUAGE!!!"I yelled."Geez Amanda,you&rsquo;re.....violent,"Crystal said."Make a mental note-if the licence plate says&rsquo;Columbia&rsquo; or &rsquo;Nashville&rsquo;,wait till they are far away before crossin&rsquo; the road.They like ta run people over."(BTW no offense to peeps from Columbia or Nashville Tennessee!Just some peeps from there needta learn howta drive!)GAH!!"Milli yelled."Whazzup?"I asked.She dragged me and Crystal behind the store."Who&rsquo;re we hidin&rsquo; from?"Crystal whispered.Milli pointed."HOLY CRAP!!IT&rsquo;S ED AND AL!!IN HOE-IN-THE-WALL!"I hissed.Ed musta heard me cuz he started lookin&rsquo; around."Who&rsquo;s there?"he yelled."Ah Christ!!"I whispered.Milli shoved her hand over my mouth.Crystal put her hand over Milli&rsquo;s,and I just popped a few knuckles for the heck of it.Crystal flinched a little at how loud it was.Ed started walkin&rsquo; right toward us."GAH!!!WE&rsquo;RE SCREWED!!"I hissed."It&rsquo;s time to freakin&rsquo; run peeps!!"Milli shut me up."Not yet!They&rsquo;ll see us if we do!"she whispered."I wonder where those girls are Brother,"Al said.I flinched.Awwwww Christ they&rsquo;re lookin&rsquo; for us!!I don&rsquo; wanna die yet!!!&rsquo;d rather go and run that mile for my P.E. grade again!!I thought."We gotta split!"I hissed."Say what?"Milli asked.Crystal grabbed her arm and dragged her off.I just kinda sat there for a few more seconds before takin&rsquo; off the other way."HEY!!KID!!"Ed yelled."JESUS CRUDMUFFINS I&rsquo;M BUSTED!!"I yelled."Ohhh Christ why didn&rsquo;t I bring my freakin&rsquo; shoes!!"I yelled."I swear if they don&rsquo;t catch me I&rsquo;ll never ever call Ryan Midget Man again!!"I said,looking up as if God could hear me."Ah,what&rsquo;m I doin?!!&rsquo;m screwed anyhow!!And I&rsquo;m talkin&rsquo; to myself again!!"I ran faster."Ohhhhhhh Chriiiiiiiiiiiiiiiiiist!!!"I hissed."This ain&rsquo;t fair!!I shoulda been a cowgirl!!"I yelled randomly.

Meanwhile wherever Milli and Crystal wandered off to....

"Oh man.....what if Amanda gets caught?"Milli asked."Let&rsquo;s just hope she

don't."They were huddled behind a gas pump.And worse thing is,Al was walking around.Well,clanking around.He peered over the edge of the pump without them realizing it."Why're you hiding from me?"he asked."Oohh.Craaaaaaap....."Milli and Crystal were now officially busted.

Meanwhile,where I'm running for my freakin' life....

"WAIT A MINUTE!!!"Ed yelled."WISH I COULD BUT IF I DID MY FEET WOULD PROBABLY FALL OFF AND THAT WOULD MAKE MY SITUATION WORSE!!"I yelled."I'M NOT GONNA KILL YOU OR ANYTHING KID!!"Ed yelled."YOU WILL WHEN YOU REMEMBER WHO I AM!!Wait.....why'd he forget in the first place?"I asked myself.Ed clapped his hand together and made rope from the leaves on the ground.Then he kinda lassoed me.There I was lying on the ground with stinging barefeet and a new cut on my knee,praying to God to let me live."This sucks horse crap...."I muttered.Ed caught up pretty much out of breath."How the h\*ll can you run like that with no shoes on?"he gasped."I was a desperate redneck then.Now I'm a redneck in deep crap.Before you kill me could you please untie me cuz this rope thing's kinda itchy."Ed gave me a look."Uhh,no.You'll just run off again."Crap.Foiled again."Ed picked me up by the back of my T-shirt."HEY WHADDYA DOIN'; PUT ME DOWN!!"I yelled.

Meanwhile with Milli and Crystal....

Milli and Crystal were having a calm conversation with Al."See,we don't live here.Our friend Amanda does.She calls this place Hoe-in-the-wall.We have no idea what it's real name is though,"Crystal said."That brown haired barefoot girl?"Al asked.Milli nodded."Uh-huh.She's kinda crazy,"she replied."I kinda noticed...."Al muttered."Speaking of Amanda,is that her being carried by the back of her T-shirt?"Crystal asked."Looks like Brother caught her,"Al said."And she's throwing a fit...."

Back to me being lugged around by the tall-cough short cough- alchemist.....

"WOULD YOU PUT ME DOWN ALREADY?!"I yelled."No.""AWWW C'MON!!YOU CAN'T HONESTLY CARRY 75.6 POUNDS ALL THE WAY BACK TO HINSON'S!"I yelled."Is that all you weigh?Feels like a lot less."I hung my head."Why me?God,you suck!First you give me an annoying younger sibling and a stalker for an older sister!Then you make me short!NOW I'M BEIN' KIDNAPPED MY MY FAVORITE ANIME CHARACTER!!WHEN WILL IT END?!"I yelled."Anime character?What the h\*ll is that?"Ed asked."Oh Christ.Did I just say that out loud?"Ed sighed and hoisted me over his shoulder(can you say bodybuilder?good lord....).

So,after a lot of awkward outbursts and arguing,Ed carried me back to Al,Milli,and Crystal as if he'd been doing it his whole life."You need to put this girl on medication,"he said."Bleah!!Screw medication!I need some chocolate!Ow...and some painkillers."Milli and Crystal laughed.Okay,so you thought everything got nice and peaceful?Just outta the blue,who should show up but the Inuyasha crew!!

"JESUS CRUDMUFFINS!!!!"

## 12. All Mixed Up

Oaky okay sorry. Word Perfect SUCKS!! good lord!! okay, next chappie is here hope ya like sorry I took so long to update....

### All Mixed Up

"OH CHRIST OH CHRIST OH CHRIST OH CHRIST OH CHRIST OH CHRIST OH CHRIST!!!" I yelled, running around the place like a chicken without its head. Inuyasha grabbed the back of my T-shirt and yanked me back. "Oww!! Hey!! Who crapped in your coffee?!" I yelled. "Shut up midget. Where the h\*ll are we?" "None yo business fool." "I've never been here." "That's cuz it's America, not Japan." "We're in America?" "Yup." "What's America?" (Ed of course) "Across the ocean from Europe." (Milli-brainiac, she is) "What's Europe?" "Uhm....." Milli gave me a look. "They don't know what Europe is?" she asked. "Nope. They're from a different world, remember?" "You never told us that Amanda!" "They should still know what Europe is." "AWKWARD CONVERSATION!!" I yelled. Kagome gave Ed a look. "You look like you're from the early 20th century...." "He was born 1899." "How'd you know that?" "I did my mental math." "Huh?" "Nevermind." "Is this the Other Side of the Gate?" "Congratulations, you're a winner." I sighed and rubbed my head. "Now whadda I do?" I groaned. I heard the familiar sound of Sango beating Miroku to a pulp. "Smooth as ice," I said, poking Miroku with my toe. Inuyasha went flying-musta called Ed short. (A/N: Which he kinda ain't. I looked up his height. I'm three inches shorter than him at the minimal. And everyone's always callin' me a giant (which I know I ain't)) Crystal and Shippo were laughing. "Next thing ya know we'll end up in the Pokemon world and meet the Naruto group there...." Milli muttered. "Maybe we'll meet Gaara!!" I cocked an eyebrow. "You like Gaara?" I asked. "Uh-huh." "Okem dokey then.... GAH!! I can't believe it!! I just quoted Miki!! Dude!!" "Who's Miki?" Crystal asked. "A good friend of mine on FAC like you two are. Only she's nineteen." "This conversation is waaaaay off topic." I got that weird paranoid feeling. "Oh shi...." I stopped talking and covered Shippo's ears. "GAH!! Innocent ears!!" I yelled. (A/N: I actually do that when I'm about to swear and spot a little kid.) Sooooooooooooo..... wouldn'tja know it, we got yanked from Hoe-in-the-wall.

"GAAAH!!!!" I yelled. "Amanda, why can't you ever yell normal?" Crystal asked. "D\*mn my father!! Oooh!! I said a wurdy-durd!!" I cheered. Crystal cocked an eyebrow. We landed in the middle of an average dirt road. "Dude, where are we?" I asked aloud. "No clue." I looked around. "Unless I am mistaken we are not far from.....hmm.... Mauville City." "We're in Pokemon?" "Sadly, yes. I think I missed this episode." I stood up and yanked Milli up. She spotted Drew, of all people. "SWEET!!! CHECK IT OUT!!! IT'S DREW!!" she yelled. Milli rushed off. "Okies...." I muttered. Crystal laughed. "All we need now is Naruto throwing shuriken all over God's creation and I can officially say that Milli jinxed it." As if on cue, Naruto and Sasuke ran past racing to reach the Pokemon Center first. Naruto was indeed throwing shuriken everywhere and terrifying some folks. A certain Electrode exploded, sending smoke billowing everywhere. I inhaled a big mouthful, too. Then a stampede of panicky pokemon ran past, soon followed by trainers. Me and Crystal got run clean over. ".....oww....." I muttered. Milli yanked me up. "Arigato otomodachi." "Huh?" "Whoops. Spoke Japanese again...." I glared at Drew. It comes natural to me-

in every anime I watch I hate at least one character. Drew just happened to be on that list. Him and Hohenheim and Mustang and Scar and Tucker and Pride and Archer and Naraku and Kanna and Hakudoshi and Kagura and Sesshoumaru.....(loooooong list peeps)"Why're you barefoot?"he asked obnoxiously."Can't tell you that.""Why?""Cuz you're a stranger...."Milli laughed."Do you hate Drew?"she asked,shocked."Mensa Mensa.""Whah?""CRAP!!!I spoke Italian again!!"May had apparently spotted Drew and came over to us."Shi.....take mushrooms..."I muttered."Gottagoseeyalaterfaggot!!"I ran off."Uh-AMANDA!!!WAIT UP!!"Crystal followed me.I tripped and skidded...right in front of Ash,Max,and Brock.".....crap on a cracker....."I muttered.

### 13. Deep-Fried and Cover in Chocolate

Oooooohhhh update yay!! ^ ^ hope ya like. authoress is prone to random outbursts.

#### Deep-Fried and Covered in Chocolate

"Owowowowowowowowowowowowowowowow....." I muttered. Max poked me with his shoe. "Uhh why're you barefoot?" "Done forget mah shoes. Good lord, everyone I ran into has asked me that I think. Oww...." Ash gave me a look. "Are you a trainer?" "Ehhh...yeah, yeah...uhmm...." "I'm just....letting my pokemon rest....?" I said uncertainly. I stood up and took a huge breath. "MILLI!!! CRYSTAL!!! GIT OVAH HERE WE GOT THREE FAMOUS PEEPS STANDIN' RIGHT IN FRONT OF ME, BY GOD!!" I yelled at the top of my lungs. The poor guys in front of me had weird looks on their faces. "What? You got a reason to stare....?" I asked. "Whaddya mean three famous peeps?" "Yer....uh....well-known at my place, believe me." I heard several yells, including Milli's. "GAARA-KUN KYAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!!!" Huge glomp on Gaara. "Get off...." he said in that deadly voice. "KAWAII!!! HE'S GONNA KILL ME!!!...OH CRAP!! AMANDA RUN!!" Milli took off. Gaara had that evil face. "Hoooooooooooooooooooly craaaaaaaaaap....." I got out my rubber band and paper missile. "HEY!! YOU!!" Gaara glared at me. "YEAH GENIUS, I'M TALKIN' TO YOU!! DON'T YOU GLARE AT ME LIKE DAT BOY!!! GOT A RUBBER BAND AND PAPER MISSILE AND I AIN'T AFRAID TO USE IT, BY GOD!!" I yelled. Gaara gave me a look. I pulled back the paper missile with my teeth reeeeeeeeeeeeeeal far and let it go. It hit Gaara between the eyes. "DIRECT HIT!!" "AAAAH!! YOU HIT MY GAARA-KUN!!" "HE WAS GONNA USE DAT SAND COFFIN THINGY TO DESTROY US ALL!!" "....that weird girl sure does a lotta yellin'...." Gaara used that sand thingy to disappear. Milli squealed. "KYAAAAAAAAAAAAAAAAAAAAA!!!" GLOMPED GAARA-KUN!! "Huh? GLOMPED?" "I don't know either little man." "Little man?" "A-yup." Crystal popped up outta God knows where. "Uhhh.... Milli? Did you just glomp a creepy eyebrow-less guy?" "DON'T INSULT MY GAARA-KUN!!" "Gaara-kun?" I cocked and eyebrow. "Crystal's right about the eyebrow thing though.... weird, Gaara has no eyebrows and Lee has a little too much eyebrow..." Crystal glared at May, who was arguing with Drew. "HEY!! GIRLY-GIRL WITH DA BANDANNA!!" May turned and glared back at Crystal. I could practically see that anime fire they draw in Crystal and May's eyes. "WE'RE GONNA BATTLE AN' MA GONNA WIN!!" Crystal yelled. "Oooh!!" I turned to Ash. "Yo dude, where do they sell popcorn around here?" "Popcorn?" "Heck yeah. Three minute show, mah friend." "What?" "Crystal's gonna make dog food outta May, hands down." "How can you be so sure?" "I'm psychic." "Really?" "No. Let's just do the math. Crystal has a full team of whoop-hieny level 100's dude. May's highest level pokemon is most likely a level 30 Combosken. She ain't got no chance." I yelled out to Crystal and May. "MAKE IT QUICK PEEPS!! THREE-ON-THREE PLEASE!!" "MA GETTIN' ME SOME FOOD BY GOD!!" I ran off to the food mart. "Foodfoodfoodfoodfood!!"

So, Crystal and May are glarin', Crystal behind a freakin' awesome Blaziken also known as Fireball. May behind her Combosken. "Oooh. The three minute battle has begun." I was partially hidden behind a huge bucket of popcorn. Crystal used a bored voice to annoy May. "Okay little kiddy. Hope you're ready. Fireball, use Slash." Fireball slashed at Combosken. "DODGE AND USE SKY UPPERCUT!!" Fireball, use your Sky Uppercut. "Combosken never had a chance. Fell in five. Seconds that

is."Gahh...Combusken....""OH YEAH!!SHOULD&rsquo;NA MESSED WIT ME AN&rsquo;  
FIREBALL,GIRL!!""YAY CRYSTAL YOU ROCK!!"I was waving a southern flag and throwing

out a cute Raichu."KAWAII!!"Milli and me  
cheered."Richa,Thunderbolt!!""Squirtle,dodge!!""Man,May&rsquo;s doin&rsquo; quite a bit  
&rsquo;a&rsquo; dodgin&rsquo;,ne?""Use Ice Beam!""Richa,use Thunder!!"Squirtle&rsquo;s  
down."Whoa,that barefoot girl was right.....May&rsquo;s not doin&rsquo; too

have a little brother?""Sadly yes."&rsquo;Heya,May,you givin&rsquo; up?""No way!!Munchlax,go!!""Oh

## 14. Two Easy Battle and Mr.Vortex Strikes Again

Finally update I feel so happy.....I got me a shweet new wolf T-shirt from mah awesome bus driver YAY!!

### Two Easy Battles and Mr.Vortex Strikes Again

May slow walked off,Max grabbed Munchlax and gave it one &lsquo;a&rsquo; them pink pokeblocks,and to my utter horror,Milli dragged Drew over to our group."Mister Drew had kindly agreed to battle me three-on-three!!"I sighed."Another three minute battle.Beat him so hard his momma feels it okay Milli?" "Actually,I&rsquo;m gonna beat her."Drew did that hair flip thing."Yeah sure whatever.Oooh,I gotsta go get my pokemon!!"I took off for the PC."Is she always like that?" "I think so....."

So Milli and Drew started to battle right when I got back-Milli&rsquo;s Torchic A.K.A Flame versus Drew&rsquo;s Masquerain."GO MILLI!!DREW,YOU AIN&rsquo;T GOT NO CHANCE,BOY!!"I coughed."A little too much yellin&rsquo;,ne?" "Flame,use Flamethrower!!" "Masquerain,dodge and use Bubblebeam!!"I blinked."Good lord,they&rsquo;re sure goin&rsquo; at it...."Masquerain got hit by a different tongue of flames."HUH?!"I sighed."Nice goin&rsquo; Mr.Pretty boy,you fell for Milli&rsquo;s feint and done got hit by the real thing.You are now offciially an idiot,feel proud."Max gave me a look."How would you know?"I sat up."Listen little man,I been messin&rsquo; &rsquo;round with Pokemon since I was nine years old.I know what I&rsquo;m doin&rsquo; by now."I shifted my attention to Milli&rsquo;s battle when Drew sent out his Flygon."Flame,return.GO Blu!!"Milli sent out a Mudkip.Level 50."KAWAII!!!"I cheered.I&rsquo;ma Mudkip lover.Have been for three years peeps."Flygon,use Dragonbreath!!"I threw a popcorn kernel at Drew."COPIER!!!SUBOMI KNOWS DRAGONBREATH!!" "What&rsquo;s a Subomi?" "Subomi&rsquo;s my Flygon.Currently on level 95." "95?!" "Yup.Same with my Misdreavus." "BLU,USE HYDRO PUMP!!"I sighed."Thought so...."Directhit and Flygon&rsquo;s down."GO ROSELIA!!" "Roselia....thought so again.Drew&rsquo;s kinda predictable."Milli called back her Mudkip and sent out Flame again."FIRE SPIN!!" "MAGICAL LEAF!!"Max gave me another look."Why&rsquo;d she use Fire Spin?" "Another feint.It&rsquo;ll cancel out Magical Leaf and Drew won&rsquo;t have enough time to recover before Milli can toast him with Flamethrower.Drew&rsquo;s screwed.Oooh,I rhymed again."As I suspected,Drew went down and Milli ran around doin&rsquo; a dance."I BEAT DREW!!! BEAT DREW!!! BEAT DREW!!!" "Didn&rsquo;t take much."I stood up and held up three fingers."Three,two,one...." "Why don&rsquo;t we battle?" "Are you honestly that desperate to lose?"I sighed."Sure,what the heck?Milli and Crystal have so I guess I&rsquo;m up." "I hope you&rsquo;re ready for your loss."I gave Ash a look."Whatever floats yer boat kid...."I heard Crystal yellin&rsquo; from the sidelines."AW GET A GRIP ASH!!!IF I CAN BEAT MAY,AMANDA&rsquo;S GONNA DESTROY YOU!!"I looked at Crystal."Thanks for the support."Ash sent out his Corphish."No offense or nothin&rsquo; dude,but don&rsquo;t you think it&rsquo;s about time to evolve that thing?" "Just send out your pokemon." "Fine,be a turd.I see how it is."I sent out my Ninetales,who I call Flare."That&rsquo;s not smart." "That little crawdad ain&rsquo;t worth Denryu&rsquo;s time,so I sent out Flare." "WHAT&rsquo;D YOU SAY?!" "DID I STUTTER?!" "JUST START THE BATTLE WOULDJA?!"I sighed.Lemme guess.....first move will be Crabhammer,right?"Corphish,use Crabhammer!!"I&rsquo;ma psychic."Flare,use Return."One hit K.O.,Corphish didn&rsquo;t have no chance."She knocked Corphish out in one hit!!" "Well nah dip Sherlock."I turned back to Ash."You gonna quit or face the wrath of my hand-raised level 100 team?" "I&rsquo;m not gonna quit!!Go Swellow!!" "Oh how

original."I popped a few knuckles."Flare,use Flamethrower.""Dodge it with Aerial Ace,Swallow!""Of course.....now use Return again Flare."Swallow=down.Flare-not a scratch.Next up is probably gonna be Mr.Pikachu,am I right?"Go Pikachu!!"Thought so."Flare,use Flamethrower again."While Ash messed around tryin&rsquo; to avoid it,I had Flare use Dig.Might as well knock him out with a super effective hit,ne?"Flare,might wanna come up now."Flare crashed right outta the ground.One hit K.O. on Pikachu."That&rsquo;s all blokes."I called back Flare and walked off.Just when I got to Milli and Crystal....another vortex opened and sucked us all up."GAAAAAAAAAAAAAAAAAAH!!"

## 15. Meet my Good Friend Leeta-san!!

Ooh yay I updated again.hope you peeps out there in the real world like this.A/N:Yes,I do like Ed a little.But to an extent!!!! ain't obsessed with him or anything.I just like him..... \*blush\*

Meet my Good Friend Leeta-san!!

For one thing I couldn't see anything but black.For another thing,there was someone or something that was really heavy on my back.And I felt stinging pain from my right arm."What in the name of the God I hardly believe in?"I muttered."Milli?Crystal?A little help here please?"No one answered."That can't be good."I tried to get up but the heavy person/thing on my back weighed me back down."Oww....my back...."I caught a glimpse of blonde hair and jerked upward."HOLY H\*LL!!"I yelled.Yep,it was Edward Elric.And he was unconscious."That ain't good at all...."I sighed."But while I have the chance....."I glomped poor Ed.Lucky for me he was unconscious,eh?"Uhhh,Amanda?Whadda you doin'?"I jerked away from Ed."Nothing,nothing at all!!""Sure."Then we all heard it loud and clear....

"AAAAAAAAAAAAAAAAAAAAAAAAALLLLLLLLLLLLLLLLLLLLLLLLLLL-SAAAAAAAAAAAAAN!!!!"And when poor Al walked up to us,he was in a major glomp from my awesome friend,Leeta-san."Leeta-san?"Leeta looked at me."Hi Mandy-san."Al glanced at me."You two know each other?"H\*LLS YEAH!!MANDY-SAN ROCKS!!"I nodded."We go to the same school.And you rock too Leeta-san."Al spotted Ed,who was,of course,still unconscious on the ground."Brother!!""Chill Al,he's just unconscious."I poked Ed with my toe."He ain't gonna wake up for a while by the looks of it."I looked around."Sooooo....where are we again?"Then I spotted my great uncle's huge house."We're in the woods."I stretched and tried to a miserable failure to pick Ed up."I guess he feels so heavy to me because I ain't in good shape and that automail is a little heavy...."Crystal helped and we managed to get Ed off the ground and on my back(since I was the only one willing.H\*ll,more than willing,I enjoyed every minute of it.)."Are you sure you can carry him,cuz I can if ya want...""Nah,you're basically in my backyard,which means you're a guest.In the Redneck Code of Honor,guests don't work,even if they want to."I started walking back to my house."AND BY GOD,I LIVE BY THE REDNECK CODE OF HONOR!!"Leeta looked over Al's shoulder(she was on his back)."So that's Mandy-san's place....""Uh-huh!!"As soon as we got outta the woods,we got ambushed by cats.Al was enjoying himself."Are all these cats yours?"he asked."Nope,some of the neighbor's cats come over for the food."Milli picked up the cat we call Motor(when we found him on our porch that was on his license collar thing)."This cat's kinda heavy....""Yep,he eats a lot.Most of the cats you see here are all male since my mom hasta keep 'em outside.The three females belong to our neighbors.Got it?"Yeah.You sure love cats,huh Amanda?"Not half as much as my mom does.Wait,why is it almost daylight when I left at midnight?"I spotted my dad's eighteen wheeler."Nooooooooooooooooooooooooooooo my dad's hooooooooooooooooooooome...."I rushed inside my house to find it completely empty.Of people that is."MIDGET MAN?!"I yelled.No answer."Ain't no one here....."I dropped Ed on the couch."Still unconscious...."My arm hurt more."Owie....."I glanced at the hurting spot and noticed that it was bleeding."How'd this happen anyways?"No clue."My dad busted open the door."Oh sh\*t!!"I shoved Al in my room and dragged Ed in with him.Luckily Milli,Leeta,and Crystal rushed in themselves.I sighed.Here he comes.....Dad walked into the living room and spotted me."Uhh.....hi Dad."His face was turning red.Not good,he was mad and ready to yell.

"WHERE THE H\*LL HAVE YOU BEEN THESE LAST FOUR DAYS?!?!"

## 16. The Problem with Patience....

okey dokey finally an update eh?yup yup.it's gettin' close to the end I think.we'll see I suppose.

The Problem with Patience.....

I stared at my dad for a few minutes absorbing what he said."Four.....days.....?"I.AM.SO.FRIGGIN'.SCREWED.....Dad gave me an expectant look."Explain yourself.NOW.""Thompson,think 'a' sumthin'!!"I got lost in the woods."

Yeah,like he was honestly gonna believe that giant pile of horse crap.....

"Th-that's all?You were just lost?"

...okay,maybe he would.....

"Yeah.....is that why you came home so early?To go lookin' for me?"Don't look at him....."Yeah,but how'd you survive in there anyways?"Oops.....sh\*t...."Don't remind me.....I hadta eat grass....bleh."My dad laughed."What's so funny?"I practically yelled."Oh,you poor thing."Oh God,he was gonna try to p\*ss me off again."Eatin' grass like a little billy goat."A nerve snapped."I AIN'T LITTLE AND I AIN'T NO GOAT!!"More laughing from Dad."Alright.....I'll let your mom know you got back."I sighed and stumbled into my room.As soon as the door was closed I flipped my dad the bird."So that was your dad huh?"I looked over at Al."Sadly yes....."Milli gave me a look."What'd you mean by him comin' home early?"He's a truck driver,and he's normally gone for three weeks at a time.Thankfully.I just plain CAN'T STAND him.""I feel sorry for you.""Thanks Leeta-san."Ed was face-down on my bed,apparently still out cold.Awww Christ.....why do I havta like him so much??D\*mn it all to the nine h\*lls....."Whoa,you have weapons?"Crystal was lookin' at my sword(yes I really do have one but it's fake.The blade is real but it's all dull and it came off once)."Yeah,but the sword's just for show."I took my bow down from the nail in the wall."THIS is something I actually practice with."Al was actually interested."So you're into archery,huh?""Kinda.""How good are you?"I sighed and rubbed my head."Not very.I can shoot the arrows far enough,but I gotta lotta work to do on my aim."Leeta-san got up off the floor."Man,your dad was so mad he didn't even notice the blood.....""That's him alright.Complete idiot."Al poked my right arm."Uhh miss?""M' name's Amanda,but if ya want you can call me Temari.""Okay,Temari."Al gave my small TV a critical look."What's this?"Uh-oh....."It's a TV.You know,television?"Thank you Milli....."What does it do?"I took over for Milli."Well what it does is...it broadcasts things.....ugh this's hard to explain.I shoulda paid more attention in Science class....."I pushed the power button."This's what it does,Al."The TV came on.....right when Ready Steady Go(FMA theme)started.Al spotted a lot of the people he knew."Does this light box thing.....spy on people?"I almost laughed at how he described it.'Light box thing'.....heh."No,it don't spy on anyone.See,on this side of the Gate.....you and your brother are really famous.""All because of this TV thing?""Yep.There're TV's all over the world,and this show aired in a lotta different countries,including ours."I sighed again."This is REALLY hard to explain.....""No,I understand it enough Miss Temari.Now what about this other box?Is this a TV too?"Al pointed at my Stone Age computer.Great,another difficult explanation.How many 'a' them do I gotta do today?"That's called a computer.Basically what it does is store information and crap like that."Leeta-san took over."And it has a lotta other features and stuff.It works kinda like how the TV does.""Okay I guess."I tapped Al on the arm."Do me a favor and explain this to your brother when he wakes up.Once is enough for me....""Sure Miss Temari.""Temari's fine,thanks."

LATER.....

I hadta go outta my room for a big happy family reunion,which was mostly bone-crushing hugs.I swear one of my ribs cracked when Kris came.That's shocking.Kristine moved over when her mom finally got to her and she swore she'd never come back.Now she's engaged.

So after that was done Kris headed back to Nashville and my family settled down some.Megan and Jenny headed out to Pizza Hut for dinner,and Mom and Dad took Ryan with 'em to Hinson's(since he wouldn't shut up).Finally,empty house.

"YO PEEPS!!YOU CAN COME OUT NOW MY FAMILY'S GONE FOR A LITTLE WHILE!!"

All at once,AI,Leeta-san,Milli,and Crystal shoved their way outta my room."Yeah,sorry 'bout the mess in there.I'm just too lazy to clean up I'm afraid."AI looked a little depressed."What's up AI-san?"Leeta-san gave him her puppy eyes look."Uhh nothing!!"I poked AI with a pool stick."Was it when you heard my mom's reaction?Y' know,to me comin' home?"AI looked away."Kinda....."Crystal don't watch FMA so she was a little lost."Huh?Why?"This comment earned an elbow in the ribs from Milli."OW!!Milli,what was that for?"I dropped the pool stick."Ya see Crystal....."I looked at AI."Mind if I explain?""Go ahead Temari." "Thank you."I turned back to Crystal."When Ed and AI were real little,their mom passed away.What was so crappy 'bout the whole thing was that they really loved her and all and their idiot father left long before that."Crystal turned red for a second."....oh.Sorry." "No,it's okay."A few seconds later,we could all hear a hissing cat and an annoyed yell.Next thing ya know,Edward Elric,the bishonen of my heart,walked calm as can be outta my room.He spotted me right away."I remember you,you little punk."Awww man.....he thinks I'm a punk?....."Uhhh.....hi Ed."Ed gave me a critical look."How d'you know my name?I never told you."Uh-oh....."Oops....." "And where the h\*ll am I?" "Brother,you shouldn't talk like that around girls their age."I looked at my still-bare feet.I like Ed way too much.....Ed stared at me."What's with you?" "Uhh nothing!!"Aww Christ if he finds out I like him,all h\*ll will break loose!!I barely heard Ed mutter to AI,"What's this kid's name?"and AI quietly respond,"She told me to call her Temari."I cleared my throat."It's very easy to hear you two y' know."I picked up the pool stick and tossed it back on the pool table."You coulda asked me my name if ya wanted t' know."To my utter horror,the door swung open to reveal my sister Megan,who was also an FMA fan."Don't blow a fuse I just forgot the cou....what the f\*ck?!"Her eyes landed squarely on Ed and AI."OH CHRIST YOU DID NOT JUST SEE THEM!!"

## 17. This's Gonna be Hard to Explain...

oooh I updated again.no clue why.guess I just....felt like it.again,I think it's gettin' close to the end.I wouldn't know.....I have the memory of a goldfish.(which ain't good)anywhos,hope y'all like it.

This's Gonne Be Hard to Explain.....

I was about ready to throw a fit.And Megan.....she already was.

"WHAT THE H\*LL DID YOU DO?!DO YOU REALIZE THAT EDWARD AND ALPHONSE ELRIC ARE STANDING IN OUR FAMILY ROOM?!RIGHT NEXT TO A PUSHOVER LIKE YOU?!"I got annoyed."HEY,DEMON!!! AM NOT NO PUSHOVER!!And I ain't blind,I know they're here."WHAT THE F\*CK IS GOIN' ON?!"I sighed,nervous and shaky."M-M-M-Megan.....I swear.....there's a perfectly logical explanation for this....."Ed yanked on the back of my huge T-shirt."Who is that?"I gulped.Edward Elric just touched me.Well,my T-shirt at least.Oh my friggin' God....."She's my demonic sister named Megan.Pure evil,she is."And you're a pushover."I AIN'T NO PUSHOVER!!!"Ed sighed and walked back into my room.I growled and clenched my hand into a fist."GOOD GOIN' DEMON!!NOW THE POOR GUY HATES US ALL CUZ YOU THOUGHT HE WAS SOME KINDA ZOO SPECIMEN OR SUMTHIN'!!DON'TCHA THINK YOU WENT A LITTLE TOO FAR YOU IDIOT?!?"YOU'RE THE IDIOT,YELLING AS LOUD AS YOU ARE!!!"GET THE GODD\*MN COUPON AND GO!!AND IF YOU SQUEAL ON ME FOR LETTING ED AND AL STAY HERE I SWEAR THAT YOU WILL DIE A SLOW GRUESOME DEATH!!"Megan glared at me,grabbed the pizza coupon,and slammed the door."B\*tch....."Milli,Crystal,and Leeta-san just kinda stared at me."You.....get mad easily....."I nodded."Yup yup I know.That's why no one at school dares to screw with me."I grabbed some Pepsi from the fridge and poured a few glasses,saving one for Ed."Help yourselves."I walked right into my room.Ed was sitting on my bed staring at the wall and bored out of his mind.Aww dammit even like that he looks friggin' cute.....I gotta do somethin' about likin' him this much,I seriously do."Uhhh....hey Ed."Ed glanced at me and sighed."What do you want now?"Thompson,you blush and you die."Uhhh I-I-I just got you somethin' to drink.....unless you don't want anything at the moment....."Well at least I managed to talk directly TO him and not faint.....Ed sighed.He looked kinda like he did in Episode One.Which is why I wish I didn't like him so much."Your sister was right-you ARE a pushover."....Megan,I am going to KILL you.....he actually thinks I'm a pushover.....Ed noticed that my hands were shaking."What's got you so nervous?"I-I-I-I'm n-not nervous....""Liar."Ed pulled the glass of Pepsi from my grip."Thanks I guess."Ed gave me a look."Did you poison this?""No,why would I do that?""Just wondering."Leave the room before you pass out Thompson!!! can't believe he's looking directly AT me!!! gulped."I-I'll just be.....leaving now...."I rushed out of the room and slowly closed the door.As soon as I was in the kitchen I took a huge breath.God I was so nervous,standing right in front of him.....and he was looking at me AND talking to me.Even if he was a little mean....."Uhh Temari?You alright?"I looked up at Al."Eh...yeah!Yeah,I'm good.Why'd you ask?""You looked all shaky for a few minutes.Was Ed really mean or anything?""Nah."I stood up and sighed."I was just a little nervous.He's a guest and all.I don't want him to hate me or anyone in my family.So that means that I gotta hide you all again....""Actually,I think you should ask your family for help."I gave Al a look."HUH?!"I coughed.".....that's not really an option.The second Dad found out about me bringing 'strangers' in the house,he'll throw all you outside.""I

don't think your mother would let him. And anyway, hiding and taking care of five people is a bit too much to expect from a nine-year-old girl! "Uh, dude, I'm twelve." ..oh. Sorry. "No apology necessary." Ed walked out of my room and slid the empty glass onto the counter. And he walked right past me. Oh my God. I was absorbed in my thoughts. Entirely. Then Ed seemed to remember something. He walked right up to me. Oh....my.....friggin'.....God.....My body went from hot to cold several different times. And to avoid confrontation my eyes instantly drifted to the floor. D\*mmmit I handled seeing and talking to him so good before!! What the h\*ll is wrong with me?! He's a fictional character and I ain't never gonna see him again so..... Ed glared at me. I gulped again. "I remember you now. I saw you before in Central with two of those other girls." OH CHRIST!! "Uh-oh...." "And I have a feeling that meeting up with you.....and passing through the Gate to get here.....are connected somehow." I felt my throat get all tight. "A....connection....? How, I've only been to Amestris once....." Right before Ed could say anything.....

"HEY!! FULLMETAL PIPSQUEAK!!"

Envy. Oh God. That tight feeling in my throat instantly went away. I rushed into my room and grabbed my bow and arrows. Hopefully I'll be able to put these to good use. I nocked an arrow and aimed at Envy. "Listen up palm tree fag!!" Envy gave me a confused look. "DON'T YOU LOOK AT ME LIKE YO MOMMA DON'T FEED YOU!! CUZ BY GOD I KNOW SHE DOES!!" I was not happy. Envy is my most hated FMA character. Because of Episode Fifty. And Twenty-Five. "You even move to hurt anyone here I will shoot you and when you go back to the other inbred freaks with an arrow stickin' outta yer head don't you whine at me!!" There's something important I'm missing here..... "Yeah right little lady. You couldn't kill me with a kid's toy like that." Oh, that was IT. He used those two words that p\*ss me off to no end: little, and lady. "WELL NAH SH\*T SHERLOCK I WUDDN'T BORN YESTERDAY!!! KNOW ALREADY!! HOMUNCULI HAVE REGENRATING POWERS, BIG WHOOP!! BUT I KNOW ONE WAY TO BEAT YOU, FAG!!" All I gotta do now is remember what I read on Wikipedia..... I pulled the arrow back far. I was really mad. I held the arrow so tight my fingers started to bleed. Thompson, you gotta use yer brain for a nice change. WHAT. WAS. THE. OTHER. WEAKNESS. I know it had something to do with some marking.... D\*MN MY BAD MEMORY!! As I was trying hard to remember Envy lunged to attack.

Oh sh\*t.....for Edo-san, Al-san, Leeta-san, Milli, and Crystal..... I gotta remember what it was..... NOW!!

## 18. Otaku VS Palm Tree and Help with the Stone

yeah I felt like updating because of the nice comments.thanks Leeta-san,Milli,and Crystal!!YOU ALL ROCK!!

Otaku VS Palm Tree

I panicked and fired one of my arrows.I'm not exactly a marksman,so it just grazed the side of Envy's head.And he kned me in the gut.Hard.Owie.....What was that weakness.....d\*mmit my memory sucks.....I landed hard on the floor,where Envy kicked me.Again,the gut,which was already hurting me like h\*ll.I coughed up some blood.Christ.....Ed and Al make it look so easy.....I remember that when I read about the weakness besides the remains/possession thing that it mentioned Greed in the manga.Ah,yeah,in the manga the other Homunculi had Greed nailed on a flab of stone shaped like a cross....by those red circles,right??OH YEAH!!THE RED CIRCLES!!NOW I GOT IT!! It was that one article I read on Wikipedia.'All Homunculi are also marked with several red circles on various parts of their bodies that are connected by a red line.The actual purpose of these markings is never specified,but it is believed that they are the control points of the red stones that are inside their bodies.This theory is supported by several instances in both the anime and manga,for when Greed(manga) and Lust(anime)are pierced at these points,their powers are disabled.....'Praise the Lord.I actually remembered it."Gotcha now,palm tree."I shot another arrow while Envy was close to the wall.It hit one of the red circles on his body.Three to go.Four arrows left.Bad aim.Chances-not good."I'm just glad I did my research....."Another arrow-it actually hit another red circle."What-the-h\*ll?!"I shot another one,but it just a bit too far to the right and just stuck Envy's hand on the wall(ow).I shot another one-that one hit.Shot my last one,but it missed.So I hadta improvise with a pair of scissors(not pleasant)."Ya see Mr.Palm Tree Fag,those red circle things are the control points of those red stones.If someone stabs ya there,your powers are disabled.Betcha didn't know that.""WHOOT WHOOT!!GO MANDY-SAN!!""Thanks Leeta-san."Ed gave me another look."What's up now?"Oh no,I didn't make him mad did I?"How did you know that?"I scratched my head."I read it from somewhere.Glad I finally remembered it haha...ow,my gut still hurts."I kicked Envy in the face."Don't screw with me palm tree."I smacked my forehead."Oh God I rhymed again!!"Ed sighed."Could you show me what you read?"Sure,I wrote it down and typed it up.BRB."I ran into my room and started working my way through the enormous stacks of paper.I finally found the paper,and ran back out.

Milli was being as annoying to Envy was possible by poking him again.And again.And again.And again.I shifted my weight onto the kitchen table."Sorry if my handwriting's too hard to read.I fya can't read it I typed it up on my computer.Al already told you what a computer is,right?"Well yeah he did,but I can read this.Barely.Why is your handwriting so sloppy?"I write real fast.Major reason right there."Ed had that cute anime thoughtful look.If I coulda glomped him right then,I woulda."....Temari.Couldja look up the Philosopher's Stone for me?"HOLY H\*LL!!DID HE JUST ASK ME A FAVOR?!KYAAAAAAAAAAAAAAAAA!!"Uhh sure.And I think I'll print it this time."And in three seconds flat I'm on my computer,getting connected to the Internet."A little enthusiastic isn't she?"Leeta-san laughed."That and she's real smart.Everyone calls her that at least.And she keeps saying she's not.Heh heh...."I was on the Internet now and loaded up Wikipedia.Apparently the others had no idea I could clearly hear what they were saying."Well she seems.....fairly intelligent to be able to disable a Homunculi's powers."Now if

Ed had said that,I woulda felt that my life was complete.I really do like him too much.The web page loaded and I typed in the search engine FullMetal Alchemist.Then after that loaded I looked up the FMA version of the Philosopher's Stone.Buuuut,for some reason not known to man,it just plain would not let me print it.I sighed and stumbled outta my room."I found the page but the Stone Age piece 'a' crap computer won't let me print it.Sorry 'bout that.You'll havta read it in my room."Apparently,Ed and Al couldn't care less.They rushed right in there.This is friggin' shhhhweeeet!!!I might be able to help them with the Philosopher's Stone!!YEAH BUDDY!!!I only went in there once,to show Ed and Al how to scroll down the page.And after that they both came rushing out looking like happy little kids.I just about fainted when Ed hugged me."THANKS SO MUCH TEMARI!!!"Uhh....sure thing.....don't mention it....."I could hear Leetasan laughing.She knows I like Ed of course.In fact,she's the only person I told.Except for Pepsi,our Mustang-Sesshoumaru-Howl(from Howl's Moving Castle) obsessed friend."This could really help us find the Stone!!"They kept thanking me."Uhhh....Ed?"Ed swerved and looked at me."Hm?"Well,if it's not too much trouble.....could I.....look at your automail?"Sure I guess....."

I can't believe how freakin' lucky I am.I just helped my anime crush and his brother.He actually THANKED me.And HUGGED me.Oh my friggin' God.....D\*mmit I like Ed too much.Hehehehe....and my gut still hurts from the palm tree.Owie.....

-----  
hope ya liked it!!this's gettin' close to the end,I can FEEL it.And yes,I did read something like that about Homunculi(the ones from FMA) on Wikipedia.Which is friggin' cool!!  
please comment peeps!!

## 19. Fag in Black

finally updated.hahaha.but things are going to get crazy this chappie.not sayin' why,you'll find out.

### The Fag in Black

God,I never knew automail was so shiny.And Winry built that thing from scratch.No wonder she gets so mad if he breaks it.....

"So,Temari.....do you know much about alchemy on this side of the Gate?"I scratched my head."Nope .....except that the Chinese created gunpowder using alchemy.....and that one guy discovered the element phosphorus.....it was practiced in Europe,Asia,Egypt,Greece.....crap,maybe I need more studyin'."I sighed."Why do people call me smart when I ain't anyways?!What I know about alchemy could fit on the head of a pin!!!I'M A COMPLETE OBLIVIOUS IDIOT!!!"Great.I'm ranting.In front of Ed.Nice goin',Thompson."I have a good question."I looked up at Ed."How did you get on our side of the Gate?"Leeta-san spoke up."I remember some faggot in black.'S 'bout it though."I thought about it some."I don't really remember seeing anyone,but I know some queer was following me.And that vortex....."I banged my head against the wall."MY-MEMORY-SUCKS-I-DESERVE-TO-BE-THROWN-OFF-THE-EMPIRE-STATE-BUILDING!!!"Calm down,I wouldn't remember much about it either.You said it was a vortex,right?Are you sure you didn't see the Gate?""I'm sure.I only saw it once,and that was on TV so it don't count.""Well why don't we find the retard and beat the livin' crap outta him?"Crystal asked."Good idea.I'm bringin' my baseball bat."Milli stood up."What about the palm tree?"she asked,jabbing her thumb in Envy's direction."Good point...."I got out a frying pan and smashed it against Envy's head(oh what a pleasant mental image).The clanging noise kinda echoed through the neighborhood.It was that loud.Whoops.Well,at least Envy was unconscious."Wish we had some 'a' that heavy duty chain....."Ed solved that problem.I yanked Envy off the wall and retrieved my arrows."EEEEEEEEEEEEWWW!!!GET THE GERMS OFF!!GET THEM OOOOOOOOOOOFFFFF!!!"I yelled,waving my arms like an idiot.I was probly gonna get infected now.Great.I went outside,dragging Envy by the chains,and got my metal baseball bat outta the tree(don't ask)."I love my bat.""Ooooooooookkkkaaaaay..."Ed transmuted his arm into a blade."Whoa,freeze.How can you use alchemy on our side of the Gate anyways?""It don't matter as long as I can,right?""I guess so."Envy's heavy.Very.It was funny watching him plop down the porch steps though.The second we walked into the woods the fag in black showed up."A little too easy,ne?"I dropped Envy's chains and wielded my bat like a sword."HEY!!GAY FAG!!"I whacked him with my bat."I hear voices,and they don't like you."(again,don't ask)The fag used alchemy to send rock spikes at Leeta-san.Luckily Al protected her."HEY YA FREAKIN' HORROR MONKEY!!"More whacking with my bat."DON'T SCREW WITH THE CREW,YA HEAR?!"Temari's beginning to scare me...."The fag pulled down his hood."HOLY H\*LL!!"I whacked the guy with the baseball bat.Guess who it was?Hohenheim

of Light."OLDFAGYOUNEDTODIEYOU DITCHINGB\*STARDEVERYONEHATESYOU EVENYOUR SONSWELLIDON'TBLAME'EMCUZIHATEYOU TOO!!"I stepped aside."Your turn Ed.Have fun.""Oh I will."WHAM!!"Wait....wait a minute!"Screw you fag!!"I popped a few knuckles."Uhh Amanda?Who is that?"Milli and Crystal didn't know,huh?"That's Hohenheim of Light.Ed and Al's faggot of a father.""Oh.Okay.""I brought you here to protect you!!""BULLCRAP!!"I took a

deep breath."Any last words?It's obvious Ed's gonna annihilate you."I rubbed my sore right arm-the cut still hurt a little bit."Why'd you bring 'em all here genius?"To protect Edward and Alphonse."Ya shoulda took 'em to Risembool you retard.They ain't safer here than in a collapsing building."Yes they are.That and you knew about the Philosopher's Stone."WHO DON'T?! I HATE YOU!! YOU NEVER MAKE ANY FRIGGIN' SENSE!!"Then ask me more questions."Fine,I think I will.How'd you send us all to those different worlds?"Guess.".....human transmigration?"Yep.Using this....."Hohenheim took a huge,geniune Philosopher's Stone out of his coat."Holy sh\*t."To make matters worse,Envy had regained consciousness and brought that cold chain against my throat.In a few minutes time he could easily suffocate me.

Oh....Christ.....so much for being lucky.....I'll be lucky to live after this.....

## 20. So it Ends...or Does it?

thanks for the comments everyone!! ^ ^ YOU ALL ROCK!!  
Ooooh, I hope I live. \*shudder\*

So it Ends.....Or Does it?

Envy's gay. And heavy duty chain hurts when it's being pressed against your throat. Envy loosened up. "Don't move and you'll live longer, scrawny little midget." I paid absolutely no attention to what the palm tree fag said. I had my eyes on the Philosopher's Stone. "Y-y-you sunuva b\*tch. How long did you have in the world. that anyways?" Envy pulled on the chain. Owie. Not the best feeling in the world. At all. I couldn't breathe.... "LET MANDY-SAN GO YOU CROSS-DRESSING PALM TREE!!" "WHACK!!" Leeta-san smashed Envy's head against a nearby tree. Blood went all over God's creation. Eeeeeewww... I ducked under the chain and staggered back to Crystal and Milli, coughing and rubbing my throat (which had bleeding chain imprints on it). "Never.....again...." More coughing. "That faggot better not touch me ever again...." Envy got back up and lunged at Leeta-san. I grabbed Hohenheim by the cloak thing and yanked out a convenient little bag fulla Envy's remains. "FREEZE!!" Envy couldn't move. Leeta-san sighed in relief. Ed made the array and transmuted by bat into a big Zabuz style sword. I tossed the remains at Envy, who was already throwing up the red stones. A few seconds later Envy's gone for good. I took a huge breath. "Whew, glad I managed to use that miraculous invention called the brain and steal from Old fag...." I whacked Hohenheim with the bloody sword and swiped the Philosopher's Stone. "Lookie what I found!!" I shoved the Stone at Ed. "Might wanna keep this, boy. Them Homunculi, A.K.A., inbred freaks, is gonna be after it. Use it ASAP, okies?" "Uhh....okay...." I poked Hohenheim with my foot. "Yo. Old Fag." Hohenheim looked up at me. "Ya gotsta take Leeta-san, Milli, Crystal, Edo-san and Al-san home, okies? Now would be a greeeeeeaaaat time ya know." "YAY!!" I sighed and randomly climbed a tree. It just so happens that there was a big ol' bird's nest there. And the bird was there. Oops. "OWOWOWOWOWOWOW!! SOMEONE CATCH ME PLLLLLLLLAAAAASSSEEEEE!!" I resorted to jumping out. And landing on top of Al. Whoops. "Sorry mate, couldn't resist." I popped a few fingers. "Old fag. Take the peeps back to their place or I'll blow the bejesus outta you with rabid nuclear squirrels. Savvi?" More Jack Sparrow quoting. Okies.....

So within a few minutes, Leeta-san, Milli, and Crystal are back at their places. Old fag actually took me seriously. Heh heh..... Buuuuuut, he stalled a long time on Ed and Al. "Just once while he conscious. Just one time...." "GLOMP. Me and Ed fell on the ground." "What the h\*ll?!" "I'ma gonna miss you boys, so get yer bodies back and don't do drugs, savvi?" "What does 'savvi' mean?" "Not a clue, but some weird old guy says it so I'm just quotin' him for time being. Well, miru anata nochi no." "Translation, please?" "That means 'See you later', even though I won't hahaha...." I helped Ed up and dusted myself off. The Gate appeared and took Ed and Al (oh and Hohenheim. Christ, wouldn't want him to stay at my place!!) then closed and vanished. I sighed and picked up my bat. "Ooooh, wait. PIZZA!!" I took off full-speed for my place just as Megan and Jenny pulled into the driveway. "Heya!! Whadja get?" "Pizza, Pepsi, and more coupons. What else would we get?" "I don't like you either Demon. Want some help wit that?"

LATER.....

I was in my room, playing my Nintendo DS while attempting to draw Edward and Alphonse. My hair was still wet from my shower and, of course, I'd already eaten about five pieces of pizza.

love pizza. Funny how I eat so much unhealthy crap but I'm still so skinny, eh? Well, that's it for now. No more almost gettin' killed by palm trees, glomping Edo-san, fighting ninja, battling amateurs, and the like. It was fun while it lasted I guess, but at least no more anime peeps at my place. Cool and awesome as they are, I like them better from the safe side of the TV screen. Heh heh.....

I heard frantic knocking on my window-probly Ryan again. I pulled on the string to open the blinds and pulled my window up. "Hello there nice girl," I stared in complete horror at who I saw. "could you please give us directions to the Village Hidden in the Leaves?"
