Seeking Serenity

Disclaimer: I Don't own Fullmetal Alchemist...

A little poem I came up with for a picture.

Roy/Ed Ed POV

Two sinners seeking serenity in the arms of each other
Fragments of their souls slowly coming back together

When did I cross the line of Hate and Love
I'm flying now on the wings of a dove

Kiss me gentle kiss me sweet
Let your love lift me off my feet

Seeking Serenity Serenity found
Let this feeling keep me off the ground

Once I was drowning in the sorrows of my past
But he saved me his hand grabbed me fast

Gentle savoir keep me safe
Keep me warm in your embrace

Seeking Serenity Serenity found
On the wings of this angel I will not drown
