Tr: I'm back now I'll get revenge on Lizua and Kek and Lizua's and my family (laughs)

N: Meanwhile in Atem's castle Lizua's family is having dinner with her mom, dad and her husband Kek

A: Anyway now that your married Lizua with Kek I guess that Marik and Blair are friends too?

E: I guess who knows we may get along

K: Ooh I don't know my mom and dad are hard to get along with

L: aww come on Kek you parents look nice when I visited your house

K: Well they were making love to each other

E: (Knock on door) I'll get it Atem come here quick!

A: What is it darling? Oh hello Marik

Tr: (laughs) you won't get me so easily

N: Trec used his millennium sais which with every kill he gets stronger and killed the guards

M: Son uses your dagger

K: you got it dad

N: Kek grabbed his dagger and started battling Trec of course with those 2 guards killed Trec's stronger than Kek the battle wasn't long Kek was on the floor and Trec had his sais near his neck

L: Trec leave Kek alone you can do what ever you want with me just don't hurt my husband! Please (cries)

Tr: Excellent now then get your parents, Kek's parents and come with me

E: well lets listen to them Lizua or you'll lose you husband and we don't want to make you upset

A: well lets go

Tr: Oh no leave the millennium items now then lets go

L: what about you getting revenge on Kek

Tr: easy if I kill you and his family he'll be killing inside which is worst than physical death now than I'll teleport you to my coffin where you'll be chain bye

N: Trec teleported Lizua, her family Kek's family to Trec's coffin where he was mummified and they were chained to the wall

K: He probably went to capture his parents next I better train before he kills more people

N: Kek starts to train hard and badly his muscles stretched and were pulling mean while at Talia's house Talia was still pregnant with Denise and Dukum was happy that he is going to have a daughter Trec came and captured Talia and Dukum and they were chained at Trec's burial ground

K: I'll agree with you my darling

All: KEK! YOU HERE
