Short SasuSaku poem...

1. My Everlasting Call

I pushed you away, ignored you completely,
Yet you came back.
I rejected you, swatted you away like an annoying bee,
Yet you came back.
I let my anger take over and insulted you,
Yet you came back.
And when I called you annoying, it was nothing new,
Yet you came back.
But this time, you can't follow me,
You can't come back.
There's something I need to know, before I set you free,
Why did you come back?

Why did I come back?
Well, let me see....
Maybe it was the way you never lost your temper,
Or the way you smirked at me.
Maybe it was your courage, your straightforwardness,
Or how you made me feel.
Maybe it was your coolness in the face of an enemy,
Or how, when you got hurt, you acted like it was no big deal.
But the biggest reason, the one that matters most,
No longer matters, not at all,
Because you're not here to hear it,
Or to answer my everlasting call.

Came out kinda crappy....o well

If u can't figure it out, the first verse is Sasuke and the second is Sakura (yay colors!)
