## 2. Father leave, Mother Broken, Lover suffer

Father leave, Mother Broken, Lover suffer

Why does it hurt so badly?  
His voice, her anger, her jealousy  
Let him go I tell her in my head  
But no

She parts my love  
She tires my dignity  
She shatters my hopes and dreams  
And yet can I hate her not?

I love him with all my heart and soul  
I lift him of his feet and make him soar  
But she drags him down  
She hurts his ever hurting heart

She takes everything she can get  
I cry, see my love scatter in piece  
Feuding family of mine and he  
Peirce my heart till it bleed

Father he, left my love  
Father he, froze her heart  
I see, I see bit of good in her  
But why can t she use that good I see

Loving mother, scornful mother,  
Leaving father, cheating husband  
All my loves fate  
Help I try, but can I succeed?

Broken lover, troubled he be  
I try don t i?  
But broken mother,  
Let me not

Undo she does all  
To her shameful hurt  
Broken home, I also came  
My mother, broken heart

My mother, cry a lot  
My father, leave me alone

No friends, tease all  
Broken I am

Dead I was,  
But heed not, he took that away  
But can I do the same?  
Tear colden my lips

No I try but who needs my help is  
Not only him,  
but broken mother he.  
She has not let go, father leave

Father leave, bittered her heart  
Father leave, killed her care  
She does not want lover to leave  
She does not want another father leave

Her heart hasn t cured  
She loves, my love  
She wants him never to leave  
She hides with control

She hides so no one will know  
Know that she feels low  
She couldn t control father leave  
So she wants to control what she can

She hide beneath her anger  
She hide her sorrow left  
Cry , I say  
So she may not fear no longer

Father leave, will never come back
