1. The darkness and sorrow

I sit there in the shadows,
Everyone watching my footsteps,
Which path do I choose and which do I not,
My heart and soul,
Are not sure what to do,
Both sides persuading me,
Do I choose him,
Or that dude over there,
No matter what my life is darkened,
My life is mysterious,
Noone knows,
Except for those who died along with her,
Her name was Maria,
She was all that matters to me,
But what am I?
Am I her son,
Am I even related to anyone,
I want to know,
People judged me for the way I look,
Darkness, Misery, Sadness,
All I know is I'm connected with them all who died to create me,
And she was the one who kept me alive,

When she should of been in my shoes

Oh Maria guide me what side to go on,

Please do it for me as I returned the favour of saving your planet,

I can either travel with those who use me,

Or the ones who try to help me, but fail,

Who could I be,

What could I be,

Or should I just be me???
