*Its about dreaming.
*

The poem fades from somewhat normal to weird just like how our dreams do only it feels natural. :D :) :P

1. Sweet Dreams

In a land of dreams,
We can find,
Or so it seems,
Each others mind,

In time and space,
We can see,
A secret place,
For you and me,

Real and fake,
Melt together,
Floating cake,
Made of feathers,

Melting leaves,
Sewing boxes,
Muted sneeze,
Fluffy oxes,

Who am I?
Lets be friends,
We like pie,
You use depends!?!

As quick as snap,
My mind is mine,
I am back,
Now I'm fine.
