1. Meeting

It was 3 in the morning when a loud roar followed by screams was heard. Naruto woke up. Something about that roar seemed uberly familiar to him.

In the morning when Sasuke Sakura and Naruto were waiting for Kakashi when a girl about their age walked towards them. When she was close she smiled.

Naruto: Who are you?

Strange girl: My name is Raven.

Sakura: Stay away from Sasuke!

Raven: What makes you think I want him?

Everyone was quiet after that remark. Then Kakashi showed up and stared at Raven.

Kakashi: Um... who are you and why are you here...?

Raven: I m Raven and Tsunade told me to come here.

Kakashi: Why?

Raven: To wait for a mule-

Kakashi: That s quite enough Raven!

Raven: Fine. I really don t care.

So she stuck around with them.

Naruto: Can we spar Sensei?

Kakashi: Fine. Go ahead. Naruto against Sasuke and Sakura against Raven.

When Sakura threw a kunai towards Raven, Raven laughed. Sakura didn t see what was so funny. The kunai was about to hit her when she ducked bent backwards and stuck a hand up to grab the kunai.

Kakashi: Who is this girl?

Raven: I m gonna finish this right NOW!

Sakura: Huh? We just started!

Raven: Devil Fire No Jutsu!

Kakashi: What the...? Sakura!

Fire wound itself towards Sakura who was running away from it. But it still followed her. It hit her. Sakura screamed in agony as the fire whirled around her burning her. Raven sighed.

Kakashi: What the...? Stop it Raven! Stop it!

Sasuke and Naruto turned around and looked at Raven. Raven wasn't listening to Kakashi, and the fire whirled faster. Sakura was unconscious now.

Naruto: You're gonna kill her Raven! STOP IT NOW!

Raven turned and looked at Naruto. Then snapped her fingers and the fire was dispelled. Kakashi ran over to Sakura.

Kakashi: No more training today. I have to get Sakura to the hospital. And Raven, as of that Devil Fire Jutsu... I never want to see you use it again unless your life is in danger. Got that Raven?

Raven nodded. Then frowned.

Raven: So I can't use any of my jutsus? Not ever?!

Kakashi: Are they all like that one?

Raven: That was my weakest Jutsu. My strongest could destroy the Kyuubi.

Kakashi: Destroy the Kyuubi?! Then you are forbidden to use those Jutsus.
Raven stomped off. Kakashi sighed. But Raven couldn't really destroy the Kyuubi, could she?

2. ~~~~~Raven's Demon~~~~~

Kakashi looked over Sakura on his way to the hospital. Her wounds were more serious than he had thought. Damn Raven has more power than I thought. She might have more power than I might. What is she? Kakashi thought to himself. Raven watched him go.

Raven: But I didn't... I couldn't... you like everyone else doesn't understand... yet my demon inside me keeps me doing things like that. I like the power it gives me but... I didn't want to hurt her badly... not like that.

Kakashi got to the hospital. Raven followed him inside. Kakashi was surprised to see her. She smiled.

C'mon kid let me outta here. I won't hurt him too badly the demon in her said to Raven. I just don't wanna see you get hurt anymore it told her. Raven smiled. The demon watched out for her. That was good. She let it out. Thanks kid I owe you one the demon said. Slowly Raven changed. Her eyes turned from brown to bright blue. Her fingernails grew long and slender. Her blue hair turned white. She grinned. Kakashi stared at Raven.

Raven (demon): stop staring at me. I don't like it.

Kakashi: ... Raven...um... what are you doing?

Raven walked towards him. Kakashi backed up until he bumped into the wall. Then her long fingernails were scratching him. But harder. They dug into Kakashi like claws. When she was done Kakashi was on the floor unconscious and bleeding a lot. The people at the hospital took him away.

Raven (normal): Sorry Kakashi. But my demon wanted loose. So I let it.

So Raven left. She found Naruto and Sasuke.

Naruto: Where's Kakashi and Sakura?

Raven: At the hospital. Why Naruto?

Naruto: I don't know. You didn't hurt Kakashi did you?

Raven: Me? No. It's not like I have a demon inside me and I let it out and attacked Kakashi with it...

Naruto: You do don't you? You did didn't you?

Raven: For an idiot you're maybe a bit smart.

Naruto: Raven you did! You do! But...why?

Raven: I let it loose because it was begging me too.

Naruto: So? Dont let it out...

Raven: Yeah, well, unlike the Kyuubi my demon is NICE TO ME!

Naruto: how did you know about the Kyuubi...?

Raven: My demon is meant to find it. So Im meant to kill it.

Naruto looked at her. He frowned.

Sasuke: No one took you seriously when you said your strongest Jutsu could destroy the Kyuubi Raven.

Raven (Demon): She can. Im the demon that lets her.

All the changes of before happened again. This time her target was Sasuke. She almost killed him when Naruto stepped in.

Naruto: I want you gone. You almost killed Sasuke, almost killed Kakashi, almost killed Sakura...

Raven (demon): Whatever.

Then Raven left. Naruto stared after her. The next day Kakashi is back. Everyone is happy until Raven showed up.

Kakashi: Raven... Go home. For a while. I dont think you should keep training for a few days...

Raven: WHAT?! I cant go home! My home burned down in the middle of the night last night!

Naruto: well leave.

Kakashi: youre not training for a while.

Raven: FINE! But you ll regret making ME mad!

Raven stormed off. Kakashi shrugged and started training. After training Kakashi went home and Raven followed him in her demon form. When he went in she broke a window and climbed in. She ran up to him then.

Kakashi: R-Raven...?!
