Yu-Gi-Oh The New Highschool Girl Tiffany N. Taylor

Narrator: It was the first say of school and the teacher said that they had a new student named Tiffany Taylor and she sat in the middle next to a girl named Els VanMaaren

Els: Hi

Tiffany: Um...hi

Els: You new here?

Tiffany: Yes I am my name is Tiffany Taylor

Els: Els VanMaaren at your service these are my friends behind me Blair, Marik, Wu, Bakura, Kairi, and Malik oh and in front of me is my boyfriend Yami

All: Hello Tiffany

Tiffany: Hi

Yami: So how old are you?

Tiffany: 15

Wu: So you're a sophomore?

Tiffany: Junior what about you guys

All: Junior *bell rings*

Blair: Finally LUNCH TIME!

Teacher: Not so fast if you want lunch time you have to answer this science puzzle

All: AWWWWW MAN!

Teacher: it's hard too

Kairi: But it's ramen day

Teacher: well you better get answering and get it right now here's the question *clears throat* in the animal cell and plant cell what does the nucleus do?

Els: Control the whole body?

Teacher: that's kinda right Ms. VanMaaren but Nope

Yami: it's the central power source of the cell?

Teacher: close but no that's ATP

Blair: What does it do? Those were the best answers we knew

Tiffany: It's ok you guys you did get some of it right but come on that teacher is that the best question he knows?

Teacher: Well Ms. Taylor why don't you tell us what the nucleus does

Tiffany: Gladly *stands up and draws a animal cell, plant cell and nucleus* The animal cell is a cell that keeps us alive by defeating viruses inside us that makes us sick, gets us energy by Adenine triphosphate or ATP as well as Glucose but the Nucleus has the best job when we were born we got our looks and genes from our parents the nucleus stores our heredity as well as our Deoxyribonucleic acid or DNA as well as our Ribonucleic acid or RNA and passes the DNA and RNA throughout the cell so it can work perfectly.

Teacher: your right *faints*

All: ... *no comment* *cheers* LUNCH TIME YAY! *runs out the room*

Narrator: The gang got their lunches and sat down in their current chairs for their gang only and Tiffany realized that all the ramen and had to get salad and Els saw her looking for a chair and doesn't have any ramen.
