disclaimer I dont own Naruto or any of the characters

O o O with Hinata

For Hinata the day has been anything but fun. Why?:

her teammeats and sensi are starting acting werid around lately

when she comes up to her friends they stop talking and tell her that they have to go even Hanabi-chan isnt talking much to her

and even Neji-kun is more distant than usually

She went to a bridge and looked over starring at her reflection and mumbled

"This is the best birthday ever...huh?" Little did she know the fun was just beginning

---

"Haishi-sama we are done with the preperations but there is still no sign of Hinata-sama" a maid said

"Are you sure is she training with her team?"

"Yes we are positive because her sensi said that they let out early to get ready for the party"

"Your dismiss and bring Neji to me right away"

Haishi-sama was deep in thought when he thought he had heard a knock he looked up to see Neji-kun bowing and he did the same.

"The maid said you wonted to see him" Neji said in his impassive voice

"Hai well we havent seen Hinata all day and the maid just told me that her sensi let them out early to get ready for the party.... do you think she might have found out?"

"I dont think if hse has she would have probally come and ask me"

Haishi-sama just nodded he knew that Hinata would perfer being around Neji than him.

"Hai, Neji go and find her and make sure she gets here to get ready for the party"

"Hai, Haishi-sama" Neji then disappeared to begin his search

O o O back to Hinata

Hinata-sama was just walking aimlessly and she heard kuanis hitting a tree then it suddenly stop. Hinata just kept walking till she heard the cold voice of the avenger.

"Hyuuga what do you wont?"

"Nothing I was just walking by" she said as she turned toward him

"Yeah and how do I know your not a fan girl?"

"First if I was I would be screaming your name, Second I would try to hug you, and Third I would be asking you to be my boyfriend" Hinata-sama shurgged at the though of being one of those girls. "So hopefully you've learned the difference between me and your fan girls." She turned and started walking away, but only to have a kunai thrown in front of her.

"Spar with me"

"What?!" She turned to see the Sasuke walking toward her his sharigan activated.

"You heard... me spar with me"

"Why would you wont to spar with me? Why not Lee or Naruto?"

"First I didnt ask them, Second I wont to test my skills aganist a Hyuuga, and Third cause your not a fan girl so I know you wont try anything"

Sasuke-kun stopped two inches from her and he had his trademark smirk on. Even with his sharigan avtivated Hinata-sama still notice the way her looked at her with or without it, his eyes werent as cold when he looked at one of his many fan girls and even with the cold exterier on missions with him he would sometimes tease her. She guess the why he sounded so cold was to check the area to make sure no one knew except for Hinata-sama he like to mess with her

"Why dont you ask Neji, he better at it then me" Hinata-sama mummbled but Sasuke-kun read her lips

"So what if Neji is better at it than you, you still know it dont you" Sasuke-kun had his trademark smirk on when he looked at Hinata's confuse face

"How bout no"

And once again she turned and started walking only to bump into someone and to see that person was Sasuke-kun. She tried to go the other way he blocked that way.

"You might as well give up and just spar with me"

"Why cant you comprehend what I mean when I say 'NO' I mean cant you go annoy someone else?"

"Maybe but im interested in fighting you"

"Why what so special about me?"

"For one yout not a fan girl"

"Uchiha go and find someone else to...." Hinata-sama was inturrpted by Sasuke-kun lowering to her ear

"Hinata, Hinata, Hinata, as a Hyuuga that is no way to talk to someone especially your peers" Sasuke said ina mocking tone as is he was really disappointed in her "Oh what would you do without me Hinata-chan?" he said in a teasing tone.

"I'd probally be a lot better"

"Probally but not definite" then suddenly Sasuke-kun stepped back and his eyes be came cold again.

Hinata-sama wondered why but she didnt have to wait for long cause Neji came.

"Hinata-sama, Haishi-sama has told me to come and get you, you are needed at home"

"Hai, Neji-nii san" she looked at Sasuke-kun who was glaring at Neji and Neji was glaring at Sasuke

"Ready?" Neji asked

"Hai, nii-san"

"Uchiha" Neji said

"Hyuugas" Sasuke said, then resume his training

"Hai, nii-san"

"Uchiha" Neji said

"Hyuugas" Sasuke said, then resume his training

---

While they were jumping in the trees Hinata-sama was wondering why would father wont me too be at home? Since when has he ever cared about me? Hinata-sama kept wondering this till she decided to ask Neji-kun.

"Ano, nii-san"

"Hai, Hinata-sama"

"Did I do something wrong?"

"What do you mean?" Neji-kun activited his byakugan to look at her only to see a confuse and slightly scared face

"Why does otous-san what me at home? Did you think I did something wrong? Did I disobey him or did something improper?"

"No, Hinata-sama you didnt do anything wrong"

"Then why does otous-san say that I'm needed at home he usually doesnt address me. Only at dinner?"

"Dont worry Hinata-sama I'm sure you have nothing to worry about" Neji had a smirk on cause he knows whats waiting for Hinata when she gets home

"But how can you be so sure"

"Hinata-sama when I say 'you have nothing to worry about' I mean after all I'm am the genius of Hyuuga Clan" he said in a reassuring voice

"Hai, Neji-nii san" Hinata-sama said in an low voice

After awhile they got and Hinata-sama got greeted by Hanabi-chan who seemed to be waiting for her return.

"Come on nee-chan" Hanabi said grabbing Hinata-sama

"Mou, Hanabi-chan were are you taking me?" Hinata-sama tugged at the arm that her nee-chan had trying to get her to answer

"To the hot springs, come on already before the water gets cold"

"Why there?"

"Hinata-sama stop asking questions and go you need to be cleaned up for whats happening later" Neji-kun said while making a shooino gesture

"And wha...." Hinata was intruppted

"Stop asking quetions we have no time to waste now come on and dont worry all our clothes are all ready in the hot springs, NOW LET'S GO" Hanabi-chan yelled the last part while making sure she had a good grip on Hinata-sama.

"Fine" Hinata-sama realized that she wasnt going to win and she turned back but only to see that Neji-kun had left. What are they talking about? What is going on?

O o O whit Ino and Sakura

"Come on Ino lets go so we dont be late for the party"

"I know, I know lets just hope that Naruto-baka doesnt mess it up"

"He better not if he knows what good for him" Sakura-chan said while cracking her nuckles

"I hope Sasuke-kun is going to be there!" Ino squealed

"Yeah, but if he is he belongs to me"

"NO Lee-kun belongs to you"

"WHAT?! I DONT THINK SO"

They kept going at it they heard the clock ring and they both started running to the Hyuuga Manor, but once they got there they had to go to the bathroom to fix up their hair and kimoto (a/n: is that spelled right if not can someone tell me what is the correct spelling please?)

"Hanabi-chan I think its time for me to go" Hinata-sama said heading for the door only to have Hanabi-chan grab her hand.

"OH NO not this time MAIDS HURRY UP I DONT KNOW HOW LONG I CAN KEEP HER DOWN!" Hanabi-chan yelled while the maids zoomed in and started doing hair and putting on make-up"

---

O o O with Hanabi and Hinata

"Come on nee-chan let's go" Hanabi-chan was pushing hinata

"But where exactly"

"You'll know unless you start walking"

"But..."

"COME ON, WHERE ALMOST THERE!"

O o O in the party

'COME ON, WHERE ALMOST THERE!'

Everyone in the room heard Hanabi; she was almost as loud as Naruto.

"EVERYONE HIDE" Kiba-kun yelled

While everyone was finding a place to hide. Naruto-kun had be the stupid one with a blank expression.

"Hey what are we doing?" Naruto-kun said while rubbing the back of his head

"Baka whe're suppose to hide and yell surprise when Hinata-chan comes in" Sasuke-kun growled at Naruto-kun

"O so that.... Hey since when do you call Hinata, Hinata-chan? The last time I checked you werent interested in girls. Or maybe" he leaned to Sasuke-kun ear "You like her" Naruto couldnt help but let a little laughter come out.

Sasuke-kun shot him a deadly glare and Naruto-kun stop and look at Sasuke-kun while shivers went down his spine.

"Do I have to immobile you?" Sasuke-kun said while cracking his nuckles

"Sasuke-kun and Naruto-baka hurry up and hide before Hinata-chan and Hanabi-chan get here" Sakura-chan said as she got out of her hiding spot to tell them.

"Hai" they both said in unison as they started to look for hiding spots

Everything was quiet then they heard the door opening and everyone got ready. As Hinata-sama and Hanabi-chan walked in the door they yelled

"SUPRISE!" everyone in the room yelled and they came out of their spots

"T-Thank you!" Hinata-sama rarely shutter so everyone know she was really suprise and happy about the party

"So birthday girl" Ino stated "What does it feel like to finally be fifthteen?"

"I'm just so happy" Hinata-sama said with a big smile on her face

Everyone in was happy that the party was such a success. The girls talked upmust themselves. While Chouji was of crouse eating. Shikamaru was changelling one of the Hyuuga to a game of 'GO'. As the rest of the boys were talking and the sensi's were talking about missions and other

things. Even the Hyuugas were chatting of people whom werent apart of the clan.

---

After talking with the girls for sometime now she got bored and decided sit down on her knees on a mat and looked at everyone. She couldnt stop from wondering how everyone was having a good time but her. Sure this was her only party that her father actually let people from outside the clan join in, but somehow she still couldnt shake the feeling that even though it was her birhtday it seemed that everyone else was having a better time--well except Sasuke-kun but then again he never does anything fun.

Felling bored she looked at her dress which was a combination of kimono and a dress. The top was like a kimono it had a 'V' strap showing her cleavage and the bow at the back and after the bow it was a dress one of the sides was spilt showing off leg. Her hair but into one bun but her bangs were still in place and she had a burette with the hyuuga symbol on it. While her sister wore a typical kimono her was done similar to her sister.

"Hinata-nee chan whats wrong... dont you like your party?" Hanabi-chan looked at her sister a bit worried

"Hai, but I still cant believe that they put the party together"

"So you like it then. Then why are you sitting this party is for you?" Hanabi-chan said in an confuse voice

"I just have something on my mind dont worry yourself about it."

"Positive?"

"Positive now go ahead and enjoy the party too!" Hinata-sama said in an reasurring voice

"Okay but dont forget that the party is for you and these are you friends!"

After her sister left Hinata-sama went back to thinking. Are you sure they're here for me or just the party? Hinata-sama went into deep though concersing whether or not they are her friends. Then she felt someone shaking her but it took her awhile to realize it then the person started calling her name

"Hinata-sama"

"Hinata-sama"

"Huh.... Hai" she looked up to see Neji-kun

"Hinata-sama are you alright?" Neji-kun said in his mono-tone voice

"Hai, I'm just thinking" she gave Neji-kun a half smile

"Okay but just dont over do it got it?"

"Hai, nii-san I promise"

Neji-kun than left and rejoin the party. Hinata-sama was once again alone and starting to think again but before she could get anything in her mind she heard Ino-chan yell

"TIME FOR GIFTS" Ino-chan said happily and grabbed Hinata (a/n: can ya'll give ideas on what everyone got for hinata? Cause Gifts is the next chapter)

---

Srry I would have updated yesterday but my sisters hogged the computer well please give me some ideas and as always review and anonymus reviews are enabled! ;D

## 8. Gifts

## 9. Trying to relax

yea i decided to redo this story cause i didnt like how the other chapter nine came out hope ya'll have a happy new year now without further adu let the story begin also I need for ya'll to VOTE! at the end of the chapter you'll see.

"hello" people talking

'hello' someones thoughts

disclaimer: I dont own Naruto or any of the characters or any of the songs

Hinata was stunned what she saw it was a necklace her mother always weared before she died. She was filled with anger and sadness because after her mother died her father became serious and impassive as he is now and sadness cause after her moms death she was contained into this box and shutter at every word she made. She intensively grabbed her arm as she remember the first pratice she had with her dad after her moms death he gave a fatal bow to her arm. 'Did he give me this as another way to say that I am weak and how Hanabi will always surpass me in everything?'. Hinata-sama looked up at her father with anger and hatred evident in her eyes when she was about to say she heard a noise which reminded her where she was at. So she bowed and walked away with the box in her hands.

'So after all these years she still havent forgotten what I did to her' Haishi thought as he watch his elder daughter walk away.

"Ano, nee-chan are you alright?" Hanabi-chan said catching up to her sister

Hinata stopped walking and angle her face so that her bangs were out of the way and glared at her sister. Hanabi-chan took a step back and Hinata-sama started walking again and tighten the grip on her arm. Neji-kun saw the incident and told Hanabi-chan to just let her be. Hinata-sama sat in the same place and leaned aganist the wall listing to the music and still cluthing the box.

---

Haishi-sama kept an eye on his daugther baecause he has never saw his daugther act like that before. He could clearly see the hate and pain in her eyes and it hurted him beacuse he know that he was the one that did it to her.

"But Neji how will I know if she's alright?"

"Hanabi-chan I have never seen Hinata-sama act like this before but I know that it cant be good..." he was inturpeted

"Thats more than enough to make sure if she needs any help or something"

"Yeah, Hanabi-chan I agree with Neji-kun on this she needs to solve this on her own." TenTen-chan stated

"How do you anything about my nee-chan?" Hanabi-chan hissed

Hanabi-chan left a very stunned TenTen-chan and Neji-kun but Neji-kun knew that she was going to say something like. But he didnt think she would say it like that. He watch as Hanabi-chan made her way to Hinata-sama and sat down and was slightly scared he didnt know what Hinata-sama would do or say.

"Ano, nee-chan"

"What?" Hinata-sama looked at her sister

"Are you alright?"

"What gave you that idea?"

"Its just that I never seen you act like this. I'm..."

"Worryed?... No need to be."

"Yes there is! Why are you acting like this?" Hanabi said in a sad tone

"I dont wont to be here"

"What do you mean?"

"I like the part and everything but I just wont to go somewhere to relax"

"What can I do?"

"If you can make a distraction enough for me to leave."

"Do you really wont it?"

"Hai!"

"Alright I'll come up with a distraction"

"Thank you!"

Hinata-sama hugged Hanabi-chan. Hanabi-chan got up and started thinking 'What can I do?.... I cant think with this music--wait thats it I could sing and dance' Hanabi-chan started singing to song saying the incorrect words and dancing getting the attention of everyone in the room especially otous-san. Hinata-sama looked at her sister then around the room and saw that all eyes were on her and decided that it was time for her to go. She got up and made her way to the door and took one last look around and exited. She thought that no-one saw her but truth is two people saw her Kakashi-san and Sasuke-kun. They notice the movements coming from the other side of the room and saw her leaving. Sasuke had a sad look before he quickly put up his mask but Kakashi saw it.

"You like her dont you?"

"What do you mean?"

"I saw that look Sasuke"

"I dont know what your talking about" he hissed at his former sensi

"Hey, I'm just saying tell her before someone else does and you'll be questioning yourself what if for the rest of your life"

"What would you know anything about this?"

"Like I said I'm just saying" Kakashi-san than directed his attention back to Hanabi-chan who had stop sings but was bowing and saying thank you.

---

I like this chapter better than the other one anyway like I said I need for ya'll to vote and if ya'll dont the story wont update now here are your choices:

- 1) Hanabi-chan leaves and finds her sister sitting on her knees and they start a snowball fight when Sasuke-kun comes out
- 2) Sasuke-kun finds Hinata-sama sitting on a tree branch and they start talking and she falls a sleeps on his shoulder and have Neji-kun come and find this scene
- 3) Tell me your idea and if I like it I'll do that one

## 10. How, did you find me?

im ssssooooo sorry it took me ssssssssssooooooo long to update i had a friends b-day and i had a detention so im going to make this chapter a little and im expecting not so harsh reviews also choice 2 won with 10 reviews for it but if you like choice 1 i'll make a one-shot for it but i need 5 reviews for that now without further adu let the story begin

disclamier: i dont own naruto or any of the characters

Hinata-sama hugged Hanabi-chan. Hanabi-chan got up and started thinking 'What can I do?... I cant think with this music--wait thats it I could sing and dance' Hanabi-chan started singging to song saying the incorrect words and dancing getting the attention of everyone in the room especially otous-san. ---

Everyone in the room still havent notice that Hinata-sama isnt at her party except those two, but by now Sasuke-kun had left and Kakasi-san chucked knowing exactly where Sasuke-kun was doing... looking for Hinata-sama.

"Hey, where's my Sasuke-kun?" Sakura-chan pouted when she looked around and didnt see Sasuke-kun

"He probally left because of a certain no chested, big foreheaded, annoyance!" Ino-chan stood behing Sakura and told her

"What was that you pig?" Sakura-chan glared at Ino-chan

"Let me make it clear for you, Sasuke would never like any girl mainly you without curves on her body! Now Naruto-baka that's a different story." Ino-chan placed her hand on her hip

"Ha, we both know that's a lie. Right, TenTen!"

"Hey, dont put me into this." TenTen put her hands up meaning really dont put me into this

"That's okay cause I know Hinata-chan will agree with me" She smile then she looked at where Hinata-sama should be at but she wasnt there...

"Hey, where's Hinata-chan?" Sakura-chan mumbled but loud enough for Ino-chan to hear and turned around

"Yeah , where is Hinata-chan?" Ino-chan rubbed her head

"Ay, TenTen!"

"What it better not be about your argument?"

"No, have you seen Hinata-chan?"

"Come to think of it no. How about you Neji-kun"

"Nope - what about you Hanabi-sama?"

Hanabi-chan got really quiet as everyone in the room stared at her and waited for her to reply. After what seemed to be hours to Hanabi-chan she still hasnt said anything.

"Hanabi-sama is there something that your not telling us?" Neji-kun turned his stared at Hanabi-chan to a glare trying to intimidate her.

"Hai, Hanabi is there something" Haishi-sama also glared at Hanabi

'Great. Just what I need the two of them glaring at me nee-chan i'll get you back' Hanabi-chan thought, but thinking wasnt going to block all the glares she was getting form people around the room. 'Now everyone is lo- glaring at me... wait where did the Uchiha go?.... Did he got to find nee-chan' Hanabi-chan let a smile play on her lips at that thought, but as she looked around the room the smile quickly disappeared.

"Now daugther will you tell us?" Haishi-sama said in his most intimidating and cold glare he could give to his daugther

"Well....." Hanabi-chan stated (a/n: dont worry Hanabi-chan wont get punished -- well at least not that hard anyway! but you'll see what she does to Neji-kun)

O o O with Sasuke

'Come on where could she be? I'd been searching for hours now and still no trace of her' Sasuke-kun thought miserably. Then he suddenly stopped and decided to see if he could trace or feel her chakra. He closed his eyes and started to sense the areas around him and within minutes he found a fimilar aura which he know without a doubt was Hinata-sama. 'It's about time that I find her....' Sasuke smirked as he started jumping through the trees, but it was

getting hard with all the snow coming down blurring his vision and the snow already on the tree he tried not to slip.

"There you are!" Sasuke notice that she was rather calm and looked like she was about to sleep.... well before he came

Sasuke smirked as he watch the figure of hinata gasped and turn around to see the one and only Uchiha -- Sasuke.

"H-How did you find m-me?!? I thought you would have left."

"I did to find you" he replied bluntly

"Why?"

"Because the birthday girl shouldnt be left alone" he looked to see Hinata-sama blush.

'I really love it when she blush -- wait love?'

O o O with Hinata

Hinata-sama wasnt sure how long her sister could hold out so once she got out she ran like hell and to her suprise she found a place on a bark on a tree and sat on it after removing the snow and putting up a jutsu she learned to keep snow from coming onto the user. 'It has been at least a half-an-hour since I left and still no one has notice' Hinata-sama thought happily.

Hinata-sama isnt the one to usually bale on things or people but she didnt wont to be the center of attention and then the gift her father gave was just another push for her to get some air and relax. The Hyuuga had her eyes closed slightly and letting the sound of the snow take her in and was about to fall asleep till she heard:

"There you are!"

She gasped and turned around to see Sasuke-kun smirking at her

"H-How did you find m-me?!? I thought you would have left." She mentally scolded herself for shuttering

"I did... to find you"

"Why?"

"Because the birthday girl shouldnt be left alone"

The Hyuuga instanily felt her cheeks heat up and looked away from him.

---

that's it sorry again for not updating!

## 11. Why, did you leave?

thanx for those who review and read my story yea i think im going to make the chapters longer not sure yet and now without further adu let the story begin

disclaimer: I dont own Naurto or any of the characters

Hinata-sama wasnt sure how long her sister could hold out so once she got out she ran like hell and to her suprise she found a place on a bark on a tree and sat on it after removing the snow and putting up a jutsu she learned to keep snow from coming onto the user. "I did... to find you"

"Why?"

"Because the birthday girl shouldnt be left alone"

The Hyuuga instanily felt her cheeks heat up and looked away from him.

---

"Are you serious?" Hinata managed to say

"Serious about what?"

"What you said that the birthday girl shouldnt be left alone?"

"Hai.... Why el-....." Sasuke-kun said impatiency but stopped when he looked at Hinata-sama

By this time Sasuke-kun was getting tired of wipping the snow off him and when he looked at Hinata-sama he notice that snow had bearly touch her. Well when he take a closer look Hinata-sama was on a branch leaning on it. Because of the justsu she did, it made the snow slide off like an umberral does with rain. She looked like a child sitting and an -- almost oval shape sphere that encased her and procted her from the harm and coldness of the snow.

Because of the way the sun was positioned her midnight-blue hair stood out.... it looked like a halo surrounded her head like an angel, her dress stood out as well. He could see her face lean to one side looking at him with a slight embarrassed face and a slight blush on her face, but what really got his attention was her eyes! The lilac - lavender color that told him they were big, soft, caring and revealed every emotion that she was feeling. (a/n: well this is my attempt at explaing what the scene look like.... yea i suck at it right?)

"Uchiha-san..... Uchiha-san..... Uchiha-san" Hinata-sama was getting worrieded Sasuke-kun

hasnt answered her. "Sasuke!" she tried one more time

"Huh?" Sasuke-kun wike up from his enchantment

"Arent you getting cold?"

"Ahhh..... Yes, but why is it that you arent getting snow all over you?" Sasuke regained his compousre and stated coolly

"It's a jutsu...."

"A jutsu?" he mummered to himself

"Hai, it protects the user from getting snow onto them!" Hinata-sama watched as Sasuke-kun nodded a reply. "You can join me if you wont." she said quietly but Sasuke-kun heard it

"What did you say?..... I can join you if I wonted too?" he looked at the Hyuuga heir and saw her blush many shades of red

He shrugged and got up to sit next to her and sigh when he saw the red on her face get deeper.

"So..... Hinata-chan" Sasuke stated "Why did you leave?"

"..... Because I couldnt take it."

"Couldnt take what?"

"I loved the party believe that.... but I started to think that my friends werent really there for me and the gift my otous-san gave me was the last thing I needed for me to get out and relax."

"See this is why I'm the social type.... but what was the gift your otous-san gave to you?"

"It was something that my okaa-san had and when she died -- it had a great effect on me and my otous-san started calling me.... weak." the hyuuga heiress said with tears in her eyes... but only to have Sasuke-kun whip them away.

"I can understand what you mean.... when my okaa-san died I felt like my world was going to end... but I got over it and you can too -- and I'm not saying it still doesnt hurt because it still does.... But you shouldnt listen to your otous-san because to me you are a great ninja!"

"Thanks, Uchiha-san"

"Sasuke"

"Huh?"

"Call me Sasuke"

"Hai, Uch -- Sasuke-kun" Hinata-sama said as she leaned on Sasuke-kun sholder but unknown to them another figure was watching them... (a/n: nope it's not neji and it's someone that would do harm to them just wait you'll see when the chapter comes in)

O o O in the party

Hanabi-chan felt revealed that all the glares were off of her. But now she had a bigger problem her father had his eyes on her and she know she'll need a distraction in order to do anything without her father hawk eyes on her. She looked to see Neji-kun and her otous-san she got up but only to sit back down when she felt eyes on her.

"If only there was some-...." Hanabi-chan sentence was inturpted when she and everyone else heard:

CCCCRRRRAAAASSSSHHHH!!!!!!!

It was Naruto-baka he broke a vase and Hanabi-chan looked again to see bowing and read his lips 'I'll find her....'. Then she saw her father rush to where the crash was made. She took this as her cue to go and stop Neji-kun.

O o O in the courtyard

"There he is!" Hanabi-chan said as she spotted Neji-kun "Hold it right there Neji-nii san!"

"Do you need something?"

"Hai, for you not to find Hinata-nee chan."

"Why not?"

"Because she wonted to be alone..... so let her be after all you were the one to say that she needed her space."

"But Haishi-sama has ordered me to find her."

"Find then!"

Hanabi-chan got a mischeif grin on her face as she picked some snow, made a snowball and hit Neji in the face!

"What was tha-...." he stopped saying when he notice a snowball coming fast at him!

"Your gonna have to beat me at a snowball fight if you wont to find nee-chan!"

"Hanabi-sama why are you throwing snowballs at me?" Neji-kun asked while he dodge another snowball.

"Because...."

"Because? Because what?"

"Just because!!"

"Hanabi-sama you better tell me why."

Neji-kun was getting fruasted at not getting a straight answer form her she was about as wrose as Naruto-kun.... wait someone wrose than Naruto! That must really be a pain in the @\$\$.

"Why should I?"

"With all due respect...."

"With all due respect Neji I think it'd be better if you were not to find Nee-chan."

"Why do you say that?"

Neji-kun and listen to what his cousin was saying.

"Because we both know that Hinata is shy so just let her be maybe Sasuke can help her!" Hana-chan wasnt thinking when she said that last part and immeadily put her hand over her mouth to

keep her from saying anything else.

"Who might help her?" Neji stared intently at his cousin he heard something that he hoped was him getting hearing problems

"Nothing.... I said nothing."

"Tell me or I'll get a shovel and put a whole bunch a snow on all of your outfits"

Neji know he hit a soft spoft knowing Hanabi loved her clothes ALOT maybe enough to sell out her sister to a date!!!

"You werent!"

"Oh, I wouldnt okay let me get the shovel and....."

"NO I give in." Hanabi-chan hanged her head in defeat

"Now who might help her?"

"Sasuke-san" she mumbled

"Say it louder."

"Uchiha, Sasuke." she said in a normal tone

"Who?" Neji-kun did not believe what he was being told

"UCHIHA, SASUKE!" Hana-chan was getting annoyed that she had to repeat herself

"Uchiha, Sasuke? Are you serious?"

"Hai, I am."

"He's with Hinata-sama?"

"Perhaps.... Neji you havent notice anything... geeze?"

"No,"

"At the party you didnt notice that the Uchiha had his eyes on my nee-chan for like - the entire time!?!? Come on your so over-protective how'd you miss that?"

"I've got to go bye"

Neji-kun jetted. He started running as fast as he can till he got to the trees and added charka and ran with his byakugan and search everywhere....

O o O with the 'couple'

Sasuke-kun, looked down to meet an midnight-blue hair and soft breathing.

"Angel... My Angle." Sasuke said in her ear to see her giggle softly and nod her head.

Slowly, Sasuke, felt his eyes get heavier and heavier as he leaned put his cheek onto Hinata-sama head and drifted to a soundly sleep with the jutsu still up to protect the both of them. But, the figure was still there analizing those two carefully... not to miss a thing becasue if it might it would mean.... death
