1. Introduction

Logo: "Cooking Class with Sakura Haruno" appears, cameras turn to Sakura and Naruto standing in a small, cheap kitchen

Sakura: Hello, and welcome to the special Christmas edition of Cooking Class!

Naruto: Today, we're gonna teach you an awesome recipe for sugar cookies that'll totally BEAT THE ASSES off all your nieghbors'!

Sakura: *smacks Naruto's face with a frying pan* You retard! You can't say "asses" on a children's show!

Naruto: S-sorry, ma'am.

Sakura: Now, you kids at home can follow along with us if you have all the ingrediants.

Naruto: Yeah! So get ready, listen up, and let's get cooking! BELIEVE IT!

Sakura: *smacks Naruto again* Must you say that ALL the time? Could you BE any more lame?! Go get the eggs, or something!

Naruto: Okay, okay! Jesus...

Sakura: *hissing*children's SHOW.....*smacks AGAIN*

Naruto: Guh.....I said "cheese"! "CHEESE"! I swear it by the cheese!! *runs away screaming*

Sakura: That's more like it.

2. Makin' the Cookies

Sakura: *coughs* Now then, let's begin. First, make sure your ingredients are ready and your cooking utensles are clean and ready for use. Then, place all your dry materials in a bowl together... *picks up a shuriken, throws it at a sack, shaped like Naruto's face*

Sakura: CHYAAA!!! *flour and sugar pour into her bowl of margerine* Remember, always make perfect use of your skills! Now we take the milk and add just enough to--

Naruto's voice: I FOUND THE EGGS!!!!

two eggs fall from the sky and shatter against Sakura's headband

Sakura:N-na.....N-n-na..Naru....

Naruto: Sa-sakura-chan, I didn't mean to... *sniffs* Hey, I thought we were making cookies this episode, not omelettes!

Sakura: *eyes glow yellow, fangs appear* YOU RUINED MY *bleep bleeeeeeeep* HAIR!!!!!!!!!! WHEN I GET MY HANDS ON YOU, I'll --!!

Narrator Dude: We'll be right back after these messages:

Rock Lee and Might Guy jump out of nowhere and strike a "nice guy" pose

Booming voice: Want gums clean?! BRUSH, then use LISTERINE!!

3. Replacement?!

after the commercials, a good, long hair-washing, three-hundred and twelve shuriken to the rear, and a lot of persuasion, the show starts up again

Sasuke: According to Sakura here, I'm replacing you now...

Sakura: *hearts in eyes* Haa....my own cooking show, co-hosted by Sasuke-kun...now everything's perfect....

Naruto: *black and blue* WHAAT?!? REPLACEMENT?! Are you firing me, or what?!!

Sakura:and now it's not.

Sasuke: Look, Geekoid, you still have a part in the show; it's just...not this one.

Naruto: No way I'm listnin' to YOU, Uchiha!

Sasuke: Just get lost, or you're off the goddamn show for good!

Naruto: Ha! Now YOU'RE gettin' the pan treatment! Sakura, he swore! Punish him, too!

Sakura: What? Oh, right. Um... *pretends to hit Sasuke* ...bad hottie! Bad, bad, bad! There, happy? Now get going.

Naruto: Grrrrr....

4. Adult Supervision Required

Sakura: That's your cue, Sasuke dearest!

Sasuke: Alright....only one step left (thank Hokage): time to bake.

Sakura: Kids at home, you may need an adult to supervise, so you don't hurt yourselves.

moves a curtain to reveal Kakashi, reading Make-Out Paradise Right, Sensei?

Kakashi: Huh? Oh...yeah. Carry on.

Sasuke: Good. In they go, Naruto!

Naruto is seen in a maid outfit, carrying the tray of sugar cookies

Naruto: Grumble...stupid Sasuke, with his stupid, cool hair and stupid, sexy maturity... *kicks oven lid shut, oven bursts into flames*

sweatdropoooooh dear.....

meanwhile, Sakura and Sasuke are mixing frosting

Sakura: We're almost done! Just finish up by decorating your final product with--

Kakashi: Um...I'm not interrupting anything, am I?

Sakura: Well, actually, we're--

Sasuke: No, not at all!

Kakashi: Good, because as the responsible, supervising adult, I feel it is my duty to inform you...THE STOVE IS ON FIRE!!!!

Sakura and Sasuke: NARUTO!!!

Naruto: *runs past them, screaming* Shut up and RUN!

5. Teh Grand Finale!

some fire-fighters show up and put out the fire, the ninjas are back inside the foam-covered kitchen, with Naruto tied up in ropes and gagged with a sock in the corner

Sakura: Damn you SO MANY TIMES, Naruto. If I have to beat you ONE MORE TIME today, I swear to God, I--

Kakashi: Ahem...Sakura, we're live now.

Sakura: Oh. Well...let's finish up here, shall we? *painfully fake smile*

Sasuke: Good thing I made these spare cookies with my Fire Jutsu.

Sakura: *gushes* Oh, Sasuke-kun...you're so amazing...

Sasuke: *turns away, a nonexistent wind blowing through his hair* I know.

Sakura: *chibi hearts* Right then, let's get to decorating!

Later...

Sakura: And there you have it: delicious Christmas sugar cookies! Wasn't that fun, Sasuke?

Sasuke: Meh.

Kakashi: Well, we should release Naruto now, right? *cuts the ropes restraining him*

Naruto: Gah! Thanks, you guys. *stomach growls* Heh, I'm starving!

Sakura: Sensei, what was that for? Now he'll notice the--

Naruto: COOKIES!!! *summons a mob of Shadow Clones* Alright, guys, get to work!

divebombs into the cookies

Sasuke: Moron...okay, gimme somma' that! *jumps after Naruto*

Kakashi: *MAGICALLY appears under the pile of cookies* Back off, Sugar Hogs!!

Sakura: *twitch* What in the name of the Fourth Hokage are you guys doing??! *sigh* Oh well.

Merry Christmas, everyone!
