1. Shonen Chan! [Completed One Shot!]

Are you a girl who's always insulted by other people just because you do stuff like a guy? Are you a girl who's called a wo-man or something related to a tomboy? If so, you should speak your mind, like I did a couple of weeks ago. Anyways, my name's Yukiru Nakazawa, a tomboy who's been breathing for 15 years, and I'm here with my friends, Keichi and Masato (They are now, but you'll see their perspectives later on...).

Let me tell you something about myself. I have REALLY small boobs, no...I have FLAT ones like a midget! Noooo I'm not a guy, though I can play the drums and others like one... and play all sorts of sports like a guy, and I can even sound like one, since I'm very talented in drama. Because of that, people would make fun of me all the time. Even I tell them to stop, they'd be sarcastic about it.

I come home with all my homework done already one day and have dinner all alone. I Do live by myself, by the way, and I CAN take care of myself for now without anyone's help. So when I was playing violence games on my computer, I was thinking....

"(Hm...what do I do to make them stop bugging me...?...Writing disses on their binders won't work....that'd be vandalizing...simply... I could pretend I don't know them-----Wait a sec...)"-Yukiru

-Pulls out random magazine and flips pages to the page with all guys in it-

"Maybe I can have an extreme makeover and change my name to something else...hold on a minute...the only bad thing is the teachers...they'll notice I'm absent for as long as I'm in this disguise...and vice versa...I've got to do something else first BEFORE I get an extreme makeover..."-Yukiru

So I thought of doing something that'll make me drop out of school for a certain period of time...be involved in a fight the next day of school. That's what I've done so I can get that extreme makeover, so that everyone would stop making fun of me. Once I got suspended for 20 days, I've cutted dyed my hair from sky blue that's like the sky to the rarest dark green hair like seaweed in the ocean, found my older brother's school uniform when he went to the same school as I do now (thank GOD it fits on me!!), and changed my name to Satou Murakami. And since I'm extremely good at drama, I changed my voice. (OBVIOUSLY!!! I made myself a guy!)

The very next days turned out great, thanks to my disguise! Everyone wanted me on their teams, everyone stopped making fun of me, and every girl was drooling over me!!...no wait, that came out of randomness, even though that DID happen. Everything turned out great, except for one little thing...when one of my classmates requested me to do a manga girl, I kindly accepted the request. When I was done, everyone was shocked because of my art skills....but one said that it looked like my style (...they don't even know I'm really me in disguise) and started talking about me, reminding me of time that I'm called a loser and everything. I frowned a bit, but I changed my expression like a guy and pretend to wonder who Yukiru is, because they think the real me and the fake me are two people...and here are the perspectives from Keichi and

Masato. I gotta take a shower...

Masato: I've always wanted to help Yukiru with her problems and everything, but sadly, I'm friends with those who insults her and I don't know when it's the right time. And Keichi...

Keichi: Well I've always loved her, but I don't know when it's the right time for me to tell her, and I belong in a group of guys who make fun of Yukiru also. So this is what we've decided, even though we weren't friends from the beginning. This took place at the 14th day of Yukiru's "absence."

Keichi: Hey Masato...could you come over here for a minute?

Masato: Hn? What is it?

Keichi: Have you noticed something...odd just now?

Masato: Odd about what?

Keichi: This Satou guy...

Masato: O yea...as soon as they say stuff about Yukiru...

Keichi: ...he starts frowning....

Masato: ...Don't you think they know each other?

Keichi: But look at the art style...the talent, and the expressions on his face...

Masato: That's normal for a guy...

Keichi: No, that's not what I mean....

Masato: Then what?

Keichi: I think Satou IS Yukiru...

Masato: No way...there's no WAY that they're 2 people...unless...

Keichi: She's in disguise...

Masato: O and how do YOU know...?

Keichi: The voice...sounds a bit like Yukiru...

Masato: That's normal for a lot of people to sound alike a bit.

Keichi: And as soon as he heard the others say things about her, he frowned!

Masato: Who knows, maybe they've known each other!

Keichi: Sigh...Another thing; do you remember when Satou said he couldn't do running because he had a stomachache...but there's some blood that could be hardly notice!!

Masato: !! I remember...but I didn't notice...but how...?

Keichi: He was sitting at the bench while we were doing laps. I felt sorry, until...there was blood on that area...

Masato: Could that mean....

Keichi: She did ALL this so that no one can make fun of her anymore...

Masato: So what do we do? We can't just tell anyone...that'd be mean!

Keichi: Ok, we're going to meet at the diner after today, but one of us has to invite "Satou" to this. We'll talk about that by the time we get there.

Masato: But be sure to say things respectfully, I don't want Yukiru's feelings to be hurt...

Keichi: Alright...

Masato: But all of us aren't friends so why---?

Keichi: Well NOW we are, starting now!!

Masato: And lemme guess...don't tell anyone...

Keichi: Yea...

(This is Masato speaking) So both of use met at the diner with Yukiru (as Satou) and discussed the following. By the way, we'll use the name, Satou (from Yukiru) for now:

Satou (Yukiru): So what do you guys want?

Masato: Um...well we...

Keichi: We know something you did.

Satou: What? What could you POSSIBLY know about? How I become sexy around the girls?

Keichi: Uh no...not that...you changed yourself, right...YUKIRU?

Satou: Who's Yukiru?

Masato: No offence, but YOU are. We want you to stop being someone else to get what you

desire...and be yourself, not someone that just got here...

Satou: Sorry, but you're picking on the wrong person, dudes...I'm NOT Yukiru...whoever this girl is... and if it's a trick, don't try. Thanks for having this time, but I'm going home.

Keichi and Masato: --Shocked-- "(She even denied the fact and didn't hesitate that QUICK!!)"

(Masato Speaking) Obviously that didn't work. We were thinking about how to bring out the real Yukiru about blowing her cover for a couple of days until on the 16th day of her "absence"...we WERE whispering by the way...

Keichi: Masato! I got it!!

Masato: Hn? What were you thinking?

Keichi: All last night, I was thinking of this plan that would blow Yukiru's cover!

Masato: But we've tried that before, and it won't work again...

Keichi: No, listen...*whispers*

Masato: Uh Huh...uh hn...ok...

Keichi: Got it?

Masato: I've never thought of that before...so let's do this!

(Yukiru) Well I'm done showering, are you done explaining your part?

Masato: Yea we did...in like 5 minutes too...

Yukiru (Satou): Ok... on the same day of my "absence," everything went completely different...

Classmate 1: Oh look, it's Yukiru #2...

Classmate 2: He's like a showoff, and old news now...

Classmate 3: Obviously, we've seen enough of Yukiru already, but Satou's too much now...

Classmate 4: He's such a sissy...I bet he can't even take on me!!

Classmate 5: Now I wished I wasn't friends with him from the very beginning!!

-Ranting, and insulting Yukiru endlessly-

Yukiru: "(O my god...they'll know I'm really Yukiru that re-entered the school while I'm supposed to be suspended!!...I've got to speak my mind like a man...)"

Yukiru: SHUT THE HELL UP FOR ONCE!!!!!!!!!!

-Everyone's shocked-

Yukiru (Satou): Have you noticed that you've been making a fool of yourselves? I bet you were jealous because of my skills and everything, and I've heard rumors about Yukiru, whoever she is. Whatever she does, whatever she says, she's Yukiru, just as all of you are yourselves! I think she was very sad when you harassed her, and she felt like she's going to kill you for those painful words. I feel the same way, too, just as I heard from hearing things about her. You just want to be perfect, but none of us are, not even me, or this Yukiru person. The world isn't, and STOP making fun of me AND Yukiru, even though I don't know who she is. Think about what you've done and improve yourselves!

-Shocked-

Keichi: Yes!!

Masato: Well THAT worked.

Everyone thought of what I said for the next couple of days. They all apologized to me the 18th day of my "absence" and told me everything what we will do when the real me returns to the school. Then, I almost forgot that I'm going back in the next few days! So I quickly pretend to declared that I, as Satou, will move to Canada to study English and live there for the rest of my life. And the final day of my suspension came. Everyone bought really awesome gifts and ask me, as Satou to come over to my house to drop them off there when I, as Satou, leave the school.

The very next day (the day I'm free from suspension)...before I left for school...I finally got my old usual style back. No glasses, no green hair, and my frilly female sailor suit. As soon as I come in, everyone all of the sudden, glomped on me and starts apologizing and everything. To their prespective sides, they ask me how a new student came and dropped somethings off, and then I started talking to them for a long for once. I finally found the courage to speak up, but people, if you're a tomboy and you're insulted, just speak your mind and everything will be alright! But, don't try my method at home, cuz that'll break your shell instantly.

End!
