## 1. Sonai the transfer student

Hi! I'm Kinai Sonai. I'm from the Hidden Sand village. I'm a chuunin. Ya know what? Here's my bio:

Name: Kinai Sonai

Age: 18

Clan: Kinai

Village: Sand

Rank: Chuunin

Eyes: Gold

Hair: Silver, pure silver

Clothes: Black long sleeved shirt with a fishnet sleeve on the right side, black pants ripped at the bottom to make capris, forehead protector around neck, and black army boots.

Personality: Kind and gentle, she hates people who hurt her friends, and can be serious in battle.

Demon: She doesn't have one! She's a normal (define normal) ninja

Other info: Sonai is a member of the Kinai clan, who are famous for their ninjas. She had a pretty easy childhood, and was the only kid who wasn't afraid of Gaara. She makes friends easily and loves to go on missions.

Now for the story!!!!!!

I walk into the Hidden Leaf village. It's pretty big. I look around for a bit and spot a ramen bar. My stomach growls.

"I could use a bowl."

I walk up and order some ramen. I look at my surroundings. Some genin, and jounin, and a fellow chuunin. Phht, I don't care. One of the genin walks up to me.

"Hiya!" she says.

"Hi....."

"I'm Milli!"

"I'm Sonai. Nice ta meetcha." ~Not.~

"Let me introduce you to my teammates!" she says tugging my arm.

I think ~What the heck? This might be fun.~

"Hey guys! This is Sonai! Sonai, this is Razor and Phoenix Enforcer!"

"Hi." I say.

"Hi!" they say back.

"And this is Kurenai! Our sensei."

"Hello Kurenai." I say.

"Hello Sonai."

"And the chuunin over there is Sasuke-san!" Milli says waaaay too loudly.

"Really? I'd like to meet this Sasuke." I say a little curious.

"Okay!" Milli says and pulls me over to him.

"Sasuke-san! I wantcha to meet someone!"

"Hmm...?"

"This is Sonai! Sonai, this is Sasuke!"

"Hi." I say.

"Hey." he says back.

"He's never very social." Milli whispers to me.

"I can see." I whisper back.

Milli giggles. I pay for my ramen when I finish it and continue my look around the village. Milli follows me. I turn and see her.

"Hmm?"

She ducks behind a pole.

"I can see you back there!" I call out.

"Aw man. I thought that'd work!"

"Well it didnt. If you wanted to walk with me, ya could've asked."

"Can I walk with you?"

"Fine by me!"

We continue walking. Milli sees someone she knows and tugs me towards her.

"I want you to meet someone!!!!"

"Okay!"

She pulls me over to a young girl around her age.

"Nara, I want you to meet Sonai! Sonai, Nara."

"Hi!" I say.

"He-hello."

"Walk with us Nara!" Milli says enthusisticly.

"O-okay!" she says as she joins us.

We continue walking. I finally see what I was looking for.

"Bye guys! I gotta go and see my house!" I say walking off.

"Okay! Bye!" Milli yells.

"B-bye!" Nara says.

## 2. Um..... XD (I cant think of anything else okay!)

I'm walking home from shopping for groceries, when I get attacked! Heheh... Kidding. It's actually Milli with Nara in tow running up to me and almost knocking me over.

"What the.....? Milli! You almost bowled me over!"

"Sorry....." she says looking down.

I ruffle her hair.

"Hey! It's okay! I didnt fall over, so everythings fine!"

Milli beams at me.

"Mi-Milli, we were he-heading to the mall, remember?" Nara says.

"Oh yeah! Sonai! Come with us!"

"I'll meet you there. I gotta take these groceries home first."

"Okay!" they both say as they run off.

I continue on home and put my groceries away. I head out of my apartment and start walking towards the mall. I get there and Milli and Nara are no where to be found.

"\*sigh\* They're probably inside."

I find them at a table in the food court. Nara's sitting down, drinking an Icee, and Milli's acting hyper.

"Sonai!!!!" she practicy screams when she sees me.

"Can you not scream?" I say as I walk over. "So, what'r we gonna do?"

Milli emmediatly says, "HOT TOPIC!!!!!!!"

"Ye-yeah! Hot Topic ro-rocks!"

We head over to Hot Topic. Milli and Nara emmediatly go towards the clothes, while I look around at the gloves. Milli and Nara come back over to me showing me the shirts they like. I show them a glove I want. We agree that we'll each get one thing from Hot Topic. So I get the glove, Milli get's a shirt that says 'Demon Sealed And Proud Of It', and Nara gets a shirt that has a kitsune on it. We head out.

"Hey. I've gotta go get somethin'. I'll meet you guys later." I say to them.

"Okay! Bye!" Milli says.

"B-bye!" Nara says.

I head over to Starbucks. What can I say. They have good cocoa. I get my cocoa (coffee... blegh) and sit down at a table. A young woman comes over.

"Can I sit here?" she asks.

"I dont mind. Have a seat." I reply.

"Thanks." she says as she sits down.

I notice that she's got three kids with her. Really cute kids.

"Your kids are cute." I say.

"Thanks! I'm Sofy. You?"

"Sonai." I say.

I notice that she's also wearing the Uchiha clan symbol.

"Your part of the Uchiha clan?" I inquire.

"Yes I am. Sasuke's my husband!" Sofy says.

"Oh! I've met Sasuke!"

"You have? That's good. Now I dont have to introduce you two!" she says jokingly.

"Hahaha! Yeah!" I finish my cocoa.

"Well, I've gotta go. Bye!" I say getting up.

"Bye!" Sofy says waving.

Author's note: I managed to get u in sofyuchiha9! Yes! Enjoy!

### 3. Singing skills

"Finally! Something interesting!" I say.

I FINALLY found a mission that I wanna do. I hate those boring ones like saving cats or watching kids. This one, I gotta be a bodyguard. Phphhht. Easy.

"Here's the client."

I'm introduced to a young man around 20 with dirty blonde hair and silver eyes.

"I'm Kikyo." he says putting out his hand.

"Sonai." I say, shaking it.

He tells me that he's traveling to Sand to visit someone. I dont inquire on who he's visiting because that's his business, not mine.

"Well then. Let's get going." I say when I meet him at the gate.

He nods. He doesnt talk a lot.

"Nu da doooo, da dooooo da dooooo, nu da dooo da dooo dada doooo, nu da da da do da do, nu do do do do doooo ...." I start singing.

Kikyo looks at me with a look that says 'What are yo doing?'

"Oh!" I say and blush. "It's a lullaby my mom used to sing to me."

He nods and looks forward again. I decide to continue singing.

" Nu da do, na nu da do, nu nu nu nu nu nu da do....." I keep on singing the lullaby for awhile.

Kikyo starts swaying his head to the song about half way through. I smile at this. When I stop, he looks at me again.

"Why'd you stop?" he asks.

"Because I'm done singing for now." I answer.

"Oh."

I smile inwardly. I'll start singing again. In a little bit. When we make camp for the night. We stop to make camp at dusk. While I set up my tent, I start singing the lullaby again. Kikyo begins to sway again. This time he hums along with me. I finish setting up my tent. I help Kikyo with his, then start a small fire, still singing. I stop when it's time to eat some food. I start up again when I'm finished. When Kikyo finishes, he sways and starts to sing with me. The exact thing I was trying to get him to do. I smile and he smiles back. We continue to sing till I decide I need to sleep. Kikyo continues singing. I fall asleep.

"\*yawn\* Ready to hit the road?" I say early the next morning after we tore down camp.

Yup!" he says.

I smile and start walking.

## 4. I Wont Say I'm In Love

"We made it.... Whew..." I say as we enter the Hidden Sand Village.

Kikyo nods and smiles.

"So. Who ya visiting?" I ask.

"My best friend."

I nod.

"I might know your friend. I used ta live here." I say.

He smiles and motions for me to follow him. He leads me to a card store. In fact, the only card store in the Hidden Sand Village.

"Why are we heading towards the card store?"

"Because my friend works here."

"Oh. Oh! I know your friend!" I say.

He smiles.

"I thought you would." he says.

We enter the card shop. Kikyo walks up to the counter and hits the little bell. I wince. I've never liked those things. Especially with my sensitive hearing. A young boy walks out of the back. He sees Kikyo and gasps.

"Kikyo!"

"Mito."

They start to talk.

~Wow. Kikyo didnt talk this much o the way here....~ I think.

"Oh!" Mito suddenly notices me. "Sonai, is that you? It's been awhile!" he says happily.

"Yes it has Mito. Please dont hug me." I say as he hops over the counter.

He does it anyway.

"Please stop." I say.

"Still Miss Grouchy I see." Mito says releasing me from his death hug.

I flash a coon smile at that.

We stay for awhile talking and catching up on stuff we did. I leave the conversation after awhile to look at the cards. I spot something useful.

~Information Chakra Cards! I can use these.~ I think picking the blank card deck up.

"Mito! How much for the Information Chakra Cards?" I ask.

"Oh dont worry about the price! I'll pay for it!" he answers.

~His money...~

Kikyo and Mito finish talking. We say goodbye and head out. It's dusk. Great.

"We've been here for awhile. Let's find an inn." I say.

Kikyo nods. We head for the closest inn in the area. We rent rooms for the night. I head up to mine and flop onto the bed.

~Why did I have to let myself come back here? I left, now I'm back..~ I head out onto the roof.

Author's note: We all know what she's gonna do, now dont we?

I start singing to the moon. Nothing in particular at first, just a random tune. Then the tune changes to a song that reflects my feelings oh to well. I Wont Say I'm In Love. I continue singing, oblivious to everything but the moon and my song. In the back of my mind, a little voice tells me to stop, He'll come if I dont. I ignore the little voice.

## 5. My Love

I sing. I sing my heart out to the moon, the stars, the night sky. Just singing that one song. My heart, aching to see his face, but knowing that it couldnt. Someone drops down behind me. I keep on singing.

~I know those foot steps.~ is a thought, faint in my mind.

I feel a hand on my shoulder. I stop singing and look up. I see his face.

Author's note: Cliffy! I'm doing this on purpose to aggravate you guys. And I dont care how much you flame me.

## 6. Kiss

My love, Sabaku No Gaara. I smile as I look at his face.

"Gaara..." I whisper.

I begin singing again. This time it's Stand. Gaara wraps me in his arms from behind. I continue to sing, helpless in his embrace. I finish the song. We stand there in each other's arms for a long time. I look up at his face, my eyes shining with tears.

"Gaara-kun.... I'm sorry I left you. I was hurt by another. I'm sorry..."

He presses his finger to my lips.

"Shh... It's alright now. Your back, and that's all that matters."

He tips my head up, and kisses me. I sink into his kiss, blissful and wishing for it not to end. When our kiss is finished, we stand on the rooftop, looking into each other's eyes. We kiss again.

## 7. Conversation

I'm traveling back to Konoha with Kikyo, reflecting on my parting conversation with Gaara-kun.

\*Flashback\*

"I'm sorry Gaara-kun, but I have to go back."

"No. You can stay here. With me." he says, moving towards me.

"I'm sorry, but I made a comitment to transport Kikyo to and from Sand, and I have to stick to it."

I kiss him good bye.

"I will be back though. I promise you."

\*End Flashback\*

Kikyo notices my thoughtful expression.

"What's up?"

"Huh? Oh. Nothing."

"Nuh uh. I can tell that somethings up. Penny fer your thoughts."

"My thoughts are none of your business."

"Ooooh.... Ouch. That hurt."

"I'm sorry Kikyo. I just don't want to talk about it."

He nods his head knowingly and lets the subject drop. I decide to start singing 'I Wont Say I'm In Love'. Kikyo sings with me, hearing the truth behind the words, realixing what I didnt want to talk about.

## 8. Sand!!!

I'm back in Konoha, packing some things for my trip back to Sand. I walk out of my home's door, only to be pounced on by Milli and Nara.

"Sonai!!!! The Chuunin exams!!! It's almost the Chuunin Exams!!!!" they both screech at the same time.

"Your right. Well, good luck." I say walking past them.

"B-but arent you go-gonna watch us?" Nara asks.

"I'll come back and watch you guys. I promise!" I say ruffling their hair.

"Where ya goin'?" Milli asks, all hyper, when she sees my travel pack.

"Back to Sand. Didnt know I used to live there, did ya?"

Nara gets a serious look on her face.

"Y-your Sand?"

"Yup!"

"I-I'm Snow. Our vil-villages are natural en-enemies."

"Really? I dont pay attention to that stuff. I hate wars. All pointless and biased." I say , with a carefree tone.

"I WANNA GO WITH YOU!!!" Milli yells, really loud.

"Ooow! Why?" I say, putting a hand up to the ear she yelled in.

"Just 'cause! Nara wants to go too! Right Nara?" Milli says elbowing Nara in the ribs.

"F-fine." Nara says, poking Milli in the arm.

I stop Milli's counter poke.

"Fine. You guys can come. Hurry home and pack, then meet me at the gate."

"Yay! We get to go to Sand!" Milli squeals.

"Yay." Nara says unenthusiasticly.

~Crazy kids.~ I think shaking my head.

## 9. Masoki joins the group

I walk towards the gate. I see Milli waving at me and jumping up and down excitedly.

"Where's Nara-chan?" I ask when I get to her.

"Not here yet. Ooooh... I hope she gets here soon!" Milli says impatiently.

After a couple of minutes, Nara walks up.

"S-sorry I'm late. T-took awhile t-to pack my st-stuff."

"Let's go!" Milli shouts.

Milli grabs Nara and runs ahead of us. I walk behind them, smiling.

~This is gonna be an interesting trip.~

I start humming a random song. Milli catches the tune.

"I know that song! It's 'Strangers Like Me' isn't it?"

I nod and start to sing the lyrics. Milli joins in. Nara continues to walk, holding her head high.

Milli sings louder in her alto voice. I continue in my soprano. We finally wear Nara down and she joins in with her soprano. I look at her in surprise.

~A soprano too? But she's 12!~

We finish the song.

"Great voice Nara-chan!" I say.

"Th-thanks...."

Milli runs ahead again.

"Dont go too far ahead!" I yell out to her.

Too late. She already rounded the bend. I sigh and continue walking. Nara and me finally catch up to her and she's talking to a boy about 15.

"H-hey Milli! Who's th-this?" Nara asks her.

"Oh! This is Masoki Uragato. He's a Sound nin. But he wont hurt us." Milli answers.

"I had a bad experience with a Sound nin once." I say, rubbing my neck.

"M-me too." Nara syas shakily, and hand on her neck too.

"Oh dont worry. I dont work for.... Him. I hate him. He's the reason why I travel." Masoki says, hatered flashing in his eyes.

"Hey! Wanna travel with us? We're headed to Sand!" Milli asks excitedly.

"Um... Okay?"

"Yay!!!!" Milli says leaping into the air.

"Calm down Miss Hyper." I say putting a hand on her shoulder. "Let's continue walking. I dont like this area's atmosphere."

We move on. Milli starts to sing again, and Masoki joins in with a bass voice.

I smile at their innocence. Nara walks along in silence. I notice that she's started to shake a bit.

"Hey Nara-chan. What's wrong?"

"N-nothing's wr-wrong. I-I'm f-fine."

~She's not fine. She's stuttering more than usual.~

"Hey guys! Let's take a break! I think Nara needs a breather." I yell to the other two.

They stop and backtrack to us. I help Nara to the side of the road.

"Y-you d-dont h-have t-to st-stop ju-just f-for m-me."

"Oh yes we do. We're gonna stay right here until you feel better." I say.

Milli starts to shake too.

"Not you too Milli!" I exclaim.

I-it's nothing. I'm f-fine." Milli says shakily.

I look over at Masoki.

~Great. He's shaking too.~

"You guys get some sleep. It's almost nightfall anyway."

## 10. Uh oh

I stand watch while my companions attempt to fall asleep. I try to think of a song to help them fall asleep.

~I know!~

I begin to sing My Wish.

I hope the days come easy  
And the moments pass slow  
And each road leads you  
Where you wanna go  
And if you're faced with a choice  
And you have to choose  
I hope you choose the one  
That mean the most to you  
And if one door opens to another  
Door closed  
I hope you keep on walking 'til you  
Find the window  
If it's cold outside, show the  
World the warmth of your smile  
But more than anything  
More than anything

My wish for you  
Is that this life becomes all that  
You want it to  
Your dreams stay big, your  
Worries stay small  
You never need to carry more  
Than you can hold  
And while your out there gettin'  
Where your gettin' to  
I hope you know somebody loves you  
And wants the same things too  
Yeah, this is my wish

I hope you never look back but  
You never forget  
All the ones who love you  
In the place you left  
I hope you always forgive  
And you never regret  
And you help somebody every  
Chance you get

Oh, you find God's grace in  
Every mistake  
And always give more than you take  
But more than anything  
Yeah more than anything.....

I pause to look over at them.

~Asleep.... That's good.~

I notice that Milli and Masoki have stopped shaking, but Nara hasn't. I feel her forehead.

~Hmm... A slight fever. I hope she can make it to Sand. We've only got to travel for three more days.~

I feel Milli's and Masoki's heads just in case.

~No fevers. That's a relief.~

I continue my watch all through the night.

"Come on! Time to wake up!" I say, gently shaking them all awake.

"One more minute mommy....." Milli mumbles and turns over.

Masoki groans and gets up slowly. He walks over to Milli and pokes her.

"Wake up dork. It's time to get a move on." He says.

"I'm up! You don't need to poke me!" Milli yells.

"Shh! Nara's still asleep! Help me wake her up GENTLY!" I hiss.

WE walk over to Nara. I gently shake her.

"Nara-chan" I sing. "It's time to wake up!"

"Mmmmfmf" was my answer.

I continue to shake her.

"Wake up!"

"G-go away. I d-dont feel like g-getting up." she mumbles.

"Of course you don't. Ever since you fell asleep, you've been running a fever." I say calmly.

She sits bolt upright.

"I h-have?"

"Yup. Now get your butt in gear. We have three more days of traveling to do, and they won't get done by us just sitting here." I say smiling.

We eat a quick breakfast and head off. Once again, Milli jumps ahead. Masoki walks just a little behind her. I stay back with Nara in case if she needs help.

~This is definitely an interesting trip.~

## 11. Almost there.

~1 more day. Just one more day of traveling.~

I look at my companions as they leap around up ahead. Nara's fever broke yesterday, so she's walking up ahead with them. I hear Milli scream. I run up to her.

"You okay? Why'd you scream?" I ask.

"I'm fine and," she points up ahead. "that's why I screamed."

I look to where she's pointing and I feel like screaming too.

"We've made it! We've made it to Sand!!!!!!!" I yell.

Nara crosses her arms and sighs, while Masoki leaps into the air yelling 'Oh yeah!'

I walk up to the gate and nod to the nin guards. Milli shows her papers and walks through. Nara and Masoki do the same. I look around.

"Now we need to find my old house. I never sold it off, so it should still be there."

They nod, and I bound off to the right.

"This way!" I yell to them.

They follow me. I head into the shop square. I halt in front of my old shop, Nin Supplies.

"We're here!"

"Yay!" Milli and Masoki yell.

"Huzzah." Nara says, but with more enthusiasm than normal.

I lead them in and head upstairs. They follow.

"Masoki. This is your room." I direct him to the first room on the right.

"Milli, this one's your room." I point to the second one on the left.

"And Nara, this one's your room." I show her to the third one on the left.

"Hey Sonai! Where's your room?" Milli asks.

I smile.

"The first one on the left." I answer and head into that room.

I flop down on my old bed and sigh.

~I'm finally home. Finally.... home....~

I fall asleep.

## 12. Gaara-kun comes for a visit

\*beep, beep, beep, beep\*

I shut off my watch alarm and open my eyes. I sit in bed for a moment.

~Am I really back in Sand?~

I turn over to look at my nightstand. I see my picture of me and Gaara-kun that I had left behind.

~Yup. I'm here alright.~

I hear noises coming from the kitchen downstairs. I get up, stretch, and head downstairs. I blink from the sudden light coming from the open kitchen window.

"Morning sleepy head!" Milli says, a spoon halfway to her mouth.

I wave my hand and sit at the table next to Masoki. I look around half asleep.

"Whatcha wa-want for breakfast?" Nara asks me.

I blink sleepily.

"Eggs are fine." I say yawning.

"I want eggs too!" Masoki says, a little loudly.

"I th-thought you were g-gonna eat cereal!" Nara says.

"I changed my mind."

Nara sighs and starts cooking some eggs.

"Sc-scrambled or fried?"

"Scrambled." I say.

"Scrambled!" Masoki echoes.

Nara makes the eggs and we eat breakfast. I finish my eggs and head upstairs to get dressed.

I'm coming back downstairs, when the doorbell rings.

"I'll get it!" I yell.

I walk to the door and open it. I'm emmeediatly kissed.

"Gaara-kun!" I say when he pulls away.

"Yup. Welcome back!"

I smile and stand to the side to let him in.

"Hey Sonai! Who's at the door?" Milli asks walking into the front hallway.

"Milli, this is Gaara. Gaara, this is Milli." I say.

Gaara-kun bows.

"Nice to meet you."

"Nice to meet you too!" Milli says smiling.

I bring Gaara into the kitchen.

"Hey guys! This is Gaara. Gaara, the girl with the apron on is Nara, and the boy with the goofy expression is Masoki."

"Nice to meet you both." Gaara says.

"Nice ta meetcha!" Masoki says through a mouthful of eggs.

"N-nice to m-meet you." Nara says.

Milli pops up behind us.

"So Gaara, you live here in Sand?"

"Yeah....."

I push Milli out of the room.

"Milli, why dont you go and explore the village for a bit."

Milli attempts to stop.

"No way. I wanna stay here. What? Do you want me to leave?"

"No, no. I just thought that maybe you would want to explore."

"Well I dont. I wanna stay here!"

"Fine. Just leave Gaara-kun alone. Got it?"

"Got it, love bird."

I blush and fake slug her.

"Shut up!"

She walsk into the kitchen and sits on the counter. I sit in one of the chairs. Gaara sits next to me. I notice Milli casting shy glances at Gaara.

~What's she up to?~

### 13. Milli's move

I'm locked in my room, crying.

"S-Sonai! Come on! Y-you have t-to come out!" Nara says, trying to coax me out.

Oh. You guys probably wanna know what happened. Here we go.

"So Gaara-kun, wanna help me show my companions around the village?"

"Fine by me."

We head out into the village. I point out things that I remember, and Gaara points out the new stuff. I introduce them to a few people. The entire time, I notice Milli glancing over at Gaara and blushing. I get suspicious. We get to the park.

"Okay guys. Go and wander around. It doesnt matter where. You cant get lost here in the park."

I say to them. Me and Gaara head for a bench and sit down. Milli decides to plunk right in between us.

"Milli, why arent you playing and exploring with the others?" I ask.

"Because I want to be with you guys!" she says, smiling.

She glances at Gaara seductivly. I glare at her. Gaara sweatdrops.

~Great. She's moving in on my boyfriend.~

I boot her off of the bench and scoot over to Gaara. Milli plunks her self huffily next to me.

Sorry guys! I have to go to bed. I'll update tommorrow!

## 14. Milli's move part 2

"Didja miss me while I was gone Gaara-kun?" I ask him.

"Yes. I missed you a lot." He says.

We kiss. I hear Milli make gagging noises next to me.

~Faker. She wants to do this just as much as me.~

Gaara-kun and I pull apart. I get up.

"I have to talk to Milli for a second Gaara-kun."

"Okay."

I pull Milli off of the bench and take her out of earshot of Gaara-kun.

"What are you doing?" I ask her.

"Nothin."

"You are sooo doing something. Your moving in on my boyfriend."

"So what? What are you gonna do about it?"

"Oh. I could probably think of something."

"Well, you cant stop me. So there."

I glare at her and walk back to the bench.

"Have a nice chat girls?" Gaara asks.

"Yes we did." Milli answers as she plunks herself down next to him.

I shove her over and sit next to Gaara. Milli glares at me. I stick my tongue out at her.

"Okay...." Gaara-kun says, a little worried about what we talked about.

I smile.

A little later we're all back at my house, Gaara included. Me and him are in the living room, talking. He suddenly gets this look.

"What's up Gaara-kun?" I ask.

He rubs the back of his head.

"I'm not sure how to say this..... But... uummm..... I'm breaking up with you."

My mouth drops.

"B-but why?"

He sighs.

"Because we dont have the same chemistry as before. We've changed. I'm sorry. We can still be friends though, right?"

I nod, fighting back the tears. He nods back and gets up.

"Well. See ya."

He leaves. I just sit there, fighting the tears that beg to come. I get up, walk to my room, and slam the door.

And now we're back here. Me crying in my room, and Nara trying to get me to come out. I hear the front door close and Milli yelling triumphantly.

"Yahoo! Yes! Finally!"

I raise my head. I already know what she's yelling about.

~Gaara asked her out. He's already moved on.~

I stuff my head back into the pillow and cry even more.

"M-Milli! Sh-shut up!" Nara yells.

"Why?"

"C-cause Sonai's cr-crying idiot!"

"Oh."

I continue to cry.

"W-why were y-you yelling any-anyway?"

"Because I got a date!"

"W-with who?"

"Gaara."

I stuff my head even farther into the pillow. I hear Nara whap Milli with a fan and Milli yelling. I grin a bit, but continue to cry.

The next morning....

"Wake up guys! We gotta head back to Leaf for the Chuunin exams!" I yell in everyone's rooms.

I get groans and mumbles, and I take the liberty of flipping Milli's bed over.

"Hey!" Milli yells.

I just laugh and walk out of the room.

"Start packing everyone! We gotta get back to Leaf before the Chuunin exams start!"

I'm already packed. So I wait downstairs for them.

Masoki's the first one down.

"Cant we eat breakfast first?" He asks sleepily.

I point at the small parcels by the door.

"We eat on the way. That's breakfast. I have the rest in my pack."

Masoki mumbles something. Nara comes down next, bright eyed and bushy tailed. Then it's

Milli, still half asleep and glaring at me. I smile.

"Grab one of those parcels and lets get going!" I say.

## 15. A talking dog....

I'm gonna skip the traveling. It takes too long.

~~~~~  
~~~~~

I'm in my old house in the Leaf village. I haven't talked to Milli since we got back.

~I'm bored.~

I get up and head for my front door.

~Maybe I'll find something to do in the village.~

I open my door to come face to face with a nin dog.

"Oh God!"

"I'm Pakkun. Kakashi-sensei would like to see you."

"A talking dog..... Um..... Okay...."

The dog, Pakkun, bites my pants leg and starts dragging me somewhere.

"Umm... I can walk you know." I say, trying to get him to let go.

He lets go and continues walking. I follow. He takes me to the training grounds.

"Wait here." Pakkun says.

"Umm... Okay...."

Pakkun disappears and I'm left alone at the edge of the training grounds. I wait. And wait. And wait. I'm sitting on the ground reading a Shojo Beat when Kakashi appears in front of me.

"Gah!"

"Good magazine?"

"Umm... Yeah...." I stand up. "So what'd you want me for Kakashi-senpai?"

He averts his eyes.

"I was told that you took some genin out of the village without permission."

"Yeah.... I did....."

Suddenly what happened at the Sand village comes back at me and I start to cry. Kakashi looks at me with sympathy.

"It's not that bad. You aren't in trouble."

"It's not that..... Milli.... Milli...." I can't speak anymore.

"Milli what? Did she do something?"

"She..... she.... stole my boyfriend....." I cry some more.

Kakashi's face fills with sympathy. He bends down to me and tips my head up.

"That must really hurt. Having someone you love stolen from you."

I nod. Kakashi wraps his arms around me and hugs me. I smile a bit through my tears. I continue to cry. Kakashi continues to hug me. I cry myself out and look up at him.

"Thank you Kakashi-senpai."

He looks down at me and smiles, or at least it looks like he is.

"No problem. And call me Kakashi-kun."

## 16. Random chapter out of boredom

"Hi Nara!" I say when I see Nara the next day.

"O-oh! H-hi Sonai! Y-your out to-today."

"Yup. And I'm not sad anymore."

"Th-that's good!"

I smile.

"Hey. Where's Milli? I wanna talk to her."

"Umm... Ac-actually. I d-donn know where M-Milli-chan is."

I think for a moment.

"I know where she is. Come on!"

I head for the ramen bar. Milli's always trying to get Naruto to go somewhere else when he goes there. I'm right.

"Milli-chan!" I yell.

"She turns and smiles at me. I smile back. I sit down next to her.

"Whatcha been up to lately?" I ask.

"Waiting and training for the Chuunin exams. What about you? Nara told me that you've been cooped up in your house since we got back."

I sweatdrop.

"Uh yeah.... I have. But I'm fine now! So when do the Chuunin exams start again?"

"T-tommorrow." Nara says.

"Oh wow. We got back just in time didnt we?"

"Yup!" Milli says.

I poke Milli.

"So how's your relationship with Gaara-sama going?"

Milli blushes.

"Fine...."

"Okay! That's all I wanted to know! See ya!" I head off towards the training grounds, whistling. I get there and wait. A little while later....

"Sorry I'm late Sonai-chan."

"That's okay Kakashi-kun!" I say smiling.

"Ready to train?"

"I always am." I say, my eyes glinting.

## 17. Will I what Kakashi-kun?

Chuunin Exams! Woot! Milli and Nara are so excited, they cant stop talking about it.  
"Can you guys talk about something else please?" I ask them on the way to the academy.  
"Hmmm.... Nope." They both say.  
I sweatdrop. We walk into the Academy.  
"This is where I take my leave of you guys. See ya!"  
"Bye Sonai!" Milli says waving.  
"B-bye!" Nara says.  
I walk back to my house.  
~Lets hope they pass.~  
I'm met halfway to my house by Kakashi.  
"Hi Kakashi-kun!" I say smiling.  
"Umm... Hi Sonai.." He says, blushing.  
I blush back.  
"Umm.... Sonai-chan.... will you..."  
"Will I what Kakashi-kun?"  
"Will you.... will you go out with me?"  
I blush and nod.  
"Umm... Pick you up at seven tommorrow?"  
I nod again.  
Umm.... Bye..." he says and walks off.  
I head home. As soon as I shut the door, I scream.  
"Yes! I thought he would never ask me! Yes!"

## 18. ~What a wonderful night.~

It's the next day. And 1 hour till 7. I'm freaking out.

"No. I cant wear this! It'll look stupid!"

I search my closet for the perfect shirt to go with my blue jeans.

"No. No. No. No. No. No." I say throwing shirts out of my closet.

"Ah ha!"

I found the shirt I was looking for. My pretty navy blue long sleeve shirt. I pull it on and run to the bathroom to put on my makeup. I'm almost done when my doorbell rings.

"Coming!" I yell, finally finishing my makeup.

I grab my camo purse and run to the door. I open it.

"Hi Kakashi-kun." I say shyly.

"Hi Sonai-chan." he says shyly back.

"Ready to go?" he asks.

I nod. I walk outside and close my door. Kakashi links his arm with mine and escorts me. He takes me to a restaraunt(sp?) and then to the park. We sit on a bench and I look up at the stars.

"It's such a beautiful night." I murmur.

"Yeah, it is. You know what else is beautiful?"

I look at him with curious eyes.

"What else?"

"You."

I blush and smile. We chat for a little bit and then he escorts me home.

We're standing on my front porch, delaying goodbye. I look at him, blush, and look down. He tips my head up, pulls his mask down, and kisses me. A long, deep kiss. I close my eyes and lean into his kiss. When we pull apart, I blush and smile.

"Well.... Goodnight Kakashi-kun." I say shyly.

"Goodnight Sonai-chan." He says blushing.

He pulls his mask back up. I wave goodbye and head into my house. I head up to my room and fall onto my bed, sighing.

~What a wonderful night.~ I think to myself.

## 19. I'm so sorry! Long update I know!

\*sigh\*

I'm in the food court at the Plaza, thinking about my night with Kakashi. I sigh again.

"Sonai-chan!"

I turn at the sound of my name and see Milli and Nara running up to me, along with two boys about their age.

"Hey Milli-chan. Hey Nara-chan."

"Sonai!" Milli pants. "Guess what!"

"Hmmm..... One of these two boys is your boyfriend." I guess.

Milli pulls a face.

"Ew no. Razor and Phoenix are my friends and just that."

"Then I'm stumped. Tell me."

"We passed.." Milli starts.

"L-lemme tell her!" Nara pleads.

"Fine!"

"W-we passed th-the first two r-rounds of the ch-chuunin exams!"

"I knew you guys would!" I say grinning.

Milli beams with pride. I interrupt the moment and poke her in the arm.

"So when am I gonna be properly introduced to these two boys here?"

"Oh! Heheh... Oops.... Okay. This is Razor Enforcer." she says pointing to the elder one. "And this is Phoenix Enforcer." She says pointing to the younger one.

"Nice ta meetcha." I say.

## 20. OMG

OMG!!!! I just noticed that my story plot has an uber bad flow to it. I'm putting a permanent hold on this one.

Heheh, suspense!!!!!! lolz, okay. Tell ya what guys. I'm gonn start a new story. With a limit og five ppls for OC characters in it. But, I'm not sure if I want the story to be a Naruto Fanfiction. You guys tell me what you want it to be and I'll go with the one with the most votes. Here are some choices:

Naruto

Ouran High School Host Club  
Digimon  
Poke'mon  
InuYasha  
Bleach

Choose wisely! Ja!

## 21. New idea!

Nvm the last chappie. Some one gave me a new idea! Thank you Pandapaw! \*bows\*

I'm gonna make up a story! ^\_^

New rule. Only 3 other ppl can have their character in my new story.

Nothing related to any anime/mangas. It has to be new. Or at least a fantasy character like a vampire or something. Cause the genre for my new story is fantasy!!!! ^.^

My character is:

Name: Drolf Wulf Skyes

Age: 14

D.O.B: October 18th

Hair: Silver, short

Eyes: Blue

Special body features: Wolf ears, small dragon horns

Abilities: Shapeshifter and can control water and ice

Skin color: Tan

Clothes: Blue t, blue jeans, earring in left ear

Personality: seems sleepy when you first meet her, but as you get to know her, she grows more hyper and happy. She'll fight to win when need be. If its a death match, she'll normally win or they both go down, which has only happened once.

Things you shouldnt give her: Candy(it makes her VERY hyper) and other sweets

Things you shouldnt say to her: "Why are you so hyper?", "Why dont you wear shoes?", and "Why do you have wolf ears and small horns?"

Quote: "Hiya!"

Background info: Drolf doesnt know much about her past. She was orphaned and thats all she really knows except for a few faint, fleeting memories of her mother.

Okay. Here's the criteria that you need fur yur chracters. Remember, first come first serve and only one character each!

Name:

D.O.B:

Hair:

Eyes:

Special body features:

Skin color:

Okies dokies ppl! Hurry up! Only three spots and then off with my new story!!!!!!

## **22. Okies ppls! OC spots are now taken!**

The spots have been filled. Sparkiestar, Pandapaw, and Finalfantasy called them. I'm also adding in Milli since she was one of my first friends on FAC. Nara, if you wanna be in it, tell me please and I'll put you in it. Oh! But before I put the OC info up. I forgot something importante'. Species. I need to know yur character's species. So as soon as I get that, I'll put the OC info up in the next cha[pter and then start on the story! ^^ Oh yeah, my character doesnt have a specific species. Unless if shapeshifter could count as one.
