1. So Let The Rain Fall

Left here alone
Trying to hide
Sorrow and sadness is what
I feel inside
And when I think it's bad
Things always get worse
No one will ever know
How much it hurts

So let the rain fall in Spring-time
For all to see
I'm the strongest Shinobi
Yet so lonely
So let the snow fall in winter
I'm used to this pain
I hide my story
With each passing day
