*This story will tell you why none of my friends (or me) are in Yu yu hakusho. And no, I do not really have the power to bend reality, and I don't have a serial killer personality, but Greg and George are real. They live in my head.*

# 1. It...Worked?

Characters!

Me or Tasha (the reason everyone ended up in the series)

Peyton (my psucho friend)

Torie (my bestest bestest buddy buddy)

Livvie (my drama queen friend)

Sammy (Mine and Ivy's voice of reason...most of the time.)

Ivy (My um...Johny Depp buddy)

Devon (My anime pal)

The cast of Yu Yu Hausho

~~~~~ It...worked?

Everyone is crowded around in Tasha's basement, standing on a giant teleporter.

Tasha: it will work this time!

Devon: WHere are we suppose to go again?

Tasha: TO YU YU HAKUSHO!

Ivy: last time it was Pirates...

Livvie: Before that it was Troy...

Torie: Before that it was Harry Potter...

Devon: Before that it was Naruto...

Peyton: And before that it was Bleach.

Tasha: Okay, true, it hasn't worked so far, but I think I finally figured out how to make it work.

Ivy: Give up?

Tasha: Nope now everyone hang on.

Tasha hits the big red shiny button. Suddenly everyone feels the teleporter slowly take off.

There are blinding lights everywhere. Finally, the teleporter crashed into some sort of woods.

Ivy: Ow...that hurt.

Tasha: Ya know Ivy, for being a veggitarian, youy aren't very light.

Ivy: Just for that, I'm not getting off.

Peyton: Where are now?

Sammy: I think...

Torie: We might...

Livvie: Be in...

Tasha: (jumps up, sending Ivy flying) YU YU HAKUSHO!

Ivy: (crawling out of the bush Tasha through her into) Great, now how do we leave?

Tasha: Yeah, see I didn't actually think that I would get this far, and since the teleporter crashed we're kind of stuck here. (nervouse smile)

Ivy: (picks up a really big) Run.

Devon: We should try to find someone who could help us.

Tasha: I KNOW! HIEI! HIEI CAN HELP US! HE CAN DO ANYTHING!

Peyton: Are you saying that because it's true, or because you want to kidnap him?

Tasha: A little of both, more towards the kidnapping part.

Sammy: I say we look for a city. There's bond to be someone who can help us there.

Tasha: But I-

Sammy: Who isn't Hiei, or any other anime character Tasha is obsessed with.

Tasha: I like to think of it a Obsessive Compulsive Disorder. It sounds nicer.  
So, the group begins to walk out of the woods. Who are they going to meet in the city? Does Tasha really have OCD that bad?

## 2. Hiei hunt sugar rush

Eventually they all make it to the city. (no thanks to Tasha.)

Ivy: Wow...

Sammy: Let's go!

Tasha: YAY! HIEI HERE WE COME!

Peyton: Tasha, you really need to calm down.

Tasha: (bouncing) why? I really really really don't want to, I mean you don't know Hiei might like hyper girls, and guess what that would mean? hu hu hu guess guess guess!

Devon: Tasha, did you have any sugar?

Tasha: (still bouncing) maybe maybe why?

Torie: What kind?

Tasha: (still bouncing, really loud.) PIXIE STIXS!

All but Tasha: Oh no...

Livvie: Last time this happened, we lost the astroid belt.

Tasha: (sniffing the air) I can smell Hiei. He's close! (inhales deeply) Or, I'm smelling myself. CHARGE!

Peyton: Tasha, stop acting mental.

Tasha: I'M COMING HIEI!

Ivy: We better get to him before she does.

They all split up, trying to either find Tasha or Hiei.

Ivy and Peyton round a corner and bump into Kuroma.

Peyton: Hi, have you seen a brunet psychopath come by here screaming 'Hiei I'm going to find you'?

Kuroma: (kind of freaked out) um.. no, why?

Ivy: Rats. Let's just hope we find Hiei before he does.

So, now with Kuroma's help, they track Tasha on top of a really high building.

Devon: How did she get up there?

Torie: Atleats she isn't bend-

All os a sudden, a giant piano comes falling out of the sky.

Torie: I spoke to soon.

Peyton: TASHA, I KNOW YOU CAN HEAR ME! GET DOWN HERE RIGHT NOW!

Tasha: (from atop the building) NEVER! I WANT MY HIEI!

Ivy: (Turns to Kuroma) If she's bending reality, then we need to find Hiei fast.

Kuroma: right. Follow me.

Sammy: I'll stay here so she won't start going crazier.

They all run to the edge of the forest the girls were in earlier. Kuroma calls in it for Hiei. He appears.

Hiei: What do want?

Peyton: Our friend is going beserk and if you don't come with us, she's going to turn into a seiral killer.

Hiei: And I care why?

Kuroma just come on.

Back at the build, Tasha is dropping random object she is pulling out of no where.

Sammy: TASHA! HIEI'S HERE!

Hiei: I honestly don't see how me bing her will-

Tasha: (jumps fro the building) HIEI! (Tackle him) MINE MINE MINE MINE MINE MINE MINE MINE  
MINE MINE MINE MINE! (Tasha passes out.)  
Ivy: at least he sugar rush ended.

### 3. We're what?

Everyone carries Tasha back to Genkia's temple. Sadly, everyone leaves Sammy to explain, mostly because Tasha is sleeping off the sugar.

Genkia: So, in your world, we are a TV show?

Sammy: Yeah, pretty much.

Yuske: And the psycho girl is probably our number one fan?

Peyton: Good chance.

Hiei: And she's in love with me?

Ivy: More like obsessed, but yeah.

Suddenly, Tasha wakes.

Tasha: damn sugar rush... (sees Hiei) oh my GOD! HIEI HIEI HIEI HIEI HIEI HIEI HIEI HIEI! I'M YOUR NUMBER ONE FAN!

Ivy: Run now. I'll try to hold her back.

Tasha chases Hiei out of the temple.

Torie: Should we go after them?

Peyton: Maybe Greg will do his job.

Kuwabara: Who's Greg?

Livvie: Tasha's voice of reason.

Sammy: ANd Goerge is her evil voice of reason and Donatella is the seiral killere who is her inner personal and takes over her body when she has a sugar rush, is startving, or when she looses her sanity.

Devon: Donatella is the one who bends reality.

Yuske: Okay...she's weird.

Ivy: I've been saying that since sixth grade.

Torie: Anyway, should we go after them? I mean, if she looses her sanity again...well, you remeber the last time that happened.

\*FLASHBACK: TO KINDERGARDEN\*

Little Tasha: But I want the blue crayon!

Little Ivy: No it's mine so back off!

Little Tasha: but...but...but...

Akward silence

Akward silence

Akward silence

Akward Silnce (Torie: jessz a lot of gays were born that day..)

Suddenly, a giant swarm of locus appear in Europe. Everyone is dieing.

Anchorman on the TV: And now suddenly in Europe, the Black Plauge sweeps the nation again.

Then, everyone in Jefferson County Kentucky start dieing.

Anchorman on the TV: And now people in Kentucky are dieing from the white plauge.

\*End of FLashabck\*

Torie: That was very scary.

Suddenly, Hiei comes running.

Devon: What's-

Before she could finish, they hear a chainsaw.

Peyton: Not again...

Yuske: What's going on?

Ivy: Have you ever heard of the Texas Chainsaw Massacre?

Yuske: Yeah.

Ivy: They bashed it on her life.

Livvie: That's why Elvis died.

Genkia: Okay, so how do we get her out of this?

Peyton: There is only one thing to do, wait, and not encourage this immature behavior.

All but Peyton do an anime style fall

Yuske: anything quicker?

Peyton: Nope... At least she hasn't summoned Martians yet. Then we'd really be screwed.

Everyone hears lasers and people shouting 'ALIENS'!

Devon: You just had to jinx us didn't you?

Peyton: Sorry.

Tasha: all will bow before me!

Peyton: Tasha, calm down.

Tasha: I am not Tasha, I am DONATELLA!

Ivy: Oh frack...

Tasha/Donatella: BOW BEFORE ME!
