Summary: It doesn't end like Dib planned. Drabble Hints at ZaDR

Warnings: Cussing PWP (Kinda)OOC Angst

Couple: Hints at ZaDR

Written By: Shino

Inspired By: Writing a drabble about Nny

Comments: I'm in angst mode. :cough:

Noise- is, well, a noise in the story.

Lyrics (centered) - people in story are listening/can hear it.

Lyrics (centered) - put in for my amusement. ^^ (AKA, they cannot hear it)

Wrong

It is not ending the way I planned

The other is suppose to die

At my hands

Not myself dieing

Saving him

They are laughing down at me

He looks shocked

He laughs along

He has to

They are his Tallest

It does not matter that he is taller than them

Nor that I am lying in a pool of my own blood

Words pouring from my lips-

Never ending

-Words I never meant to say aloud

Words that should never be said aloud

Now

I am dead

He can live with the weight of those words

'I love you'

. . . . Shino likes 'Angst Mode'
