*what would happen if inu yasha died*

## 1. the death of inuyasha

well inuyasha is dead and kogome and miroku and sango and shippo have to fend for themselves the person that killed him was his brother sessomaru he broke his tetsuiga kogome and sango decided to go lesbian and have sex together they said she loved kogome they all had sex with each other miroku found a hore so they are on an adventure without inuyasha cause he is dead they met a witch who said she could revive inu yasha but it would cause a sacrafice so shippo died and inu yasha was revived

THE END
